Honor School Cadets Announced

On January 21, an assembly was held announcing the recipients of the Honor School nominations to the United States Naval Academy, the United States Military Academy, and the United States Air Force Academy. Capt. Dodge made the presentations. Nominations to Annapolis were Michael Pero, Richard Feliciano, and Edwin Caldwell. Nominated to the Air Force Academy were Peter Rice, James Bower, and Ted Schroeder. Cadets Pero and Bower were also nominated to West Point.

Also taking part in the assembly was the first semester Public Speaking Class. Peter Cammarano served as master of ceremonies, and other speakers were: Robert Barbarite on "Segregation," Leonardo Bohorquez on the "Argentina Fire Ant," Joe Mach, "Castro entered Havana;" Yves Saldana, "The Batista Regime;" Mitch Fried, "The Origin of the Calendar;" Miguel Martorell, "Sharks and Barracuda;" Paul Tentschert, "The Weatherman;" Oliver Mattas, "The Movie Hero;" James Sigmund, "The Danger of an Atomic War;" and Peter Mauer, "President Eisenhower."

All in all, this proved to be one of the most stimulating assemblies that has ever been experienced here at Farragut.

New Math Teacher Added to Faculty

Mr. Maurice O. Nordstrom, Jr. joined the Academy faculty for the second semester. A native of Bozeman, Montana, Mr. Nordstrom went to High School in Burlingame, California, after attending a military academy. Mr. Nordstrom then entered the University of California at Berkeley, where he was graduated with M.A. and A.B. degrees.

Upon graduation, Mr. Nordstrom began work for a pharmaceutical firm. During the Second World War, he worked in the ship yards and at a chemical plant that was making supplies for the Army and Navy.

Impressed by the need for mathematics teachers, Mr. Nordstrom began his teaching career in 1957 by teaching in high school at San Juan, California. At mid-terms of the 1958-1959 year, Mr. Nordstrom took over the vacancy in the Mathematics Department staff.

At the present time Mr. Nordstrom lives in Radford Hall. His hobbies include building Hi-Fi systems and mountain climbing. Upon questioning him, he said that he likes the East but would like to return to California upon retirement.

14 Pass NROTC Exam; Physicals

On December 13, a number of Seniors took the N.R.O.T.C. Competitive examination. The test lasted all morning, with the Cadets getting out just in time for Noon Mess. On the 22nd of January, word was passed that the following Cadets had passed the examination: Corbett, Feliciano, Pero, Muller, Mohns, Lewinger, Brandely, Frankfurt, Johnston, Florentine, Rice, Kennedy, Reimers, and Schroeder, T.

These Cadets left school the second of February and went to Philadelphia to take the physical examination. They stayed at the Central YMCA that night, and the next morning went to the Office of Naval Officer Procurement, where they were fingerprinted and given thorough medical and psychological tests.

After qualifying physically, the names of the Cadets will be sent to the state selection committee, where the final choice will be made. If chosen, the Cadets will go into the Naval Reserve Officer Training Course, during which time the Navy will pay a substantial amount for four years of college education. After graduating from college, the Cadets will go on active duty as Commissioned Officers in the Navy.

Nautical Theme Features Second Informal Dance

On February 7, the Academy held its annual second informal dance of the 1958-59 social season. The party was in Robison Hall from 8:30 to 11:30 P.M.

The dance was highlighted by Pete Galatro and his orchestra, who has been enjoyed by the Corps, Staff, and Faculty at many of their previous hops. The decorations for the dance were lighthouses, anchors, signal flags, and pennants. The decorations made for a very nice nautical atmosphere.

All the planning and decorating, under the direction of Cadet Lt. Harvey Borgen, was done by the Hop Committee. The painting of sailing boats and Neptune were effected by the Art Committee under the able direction of Lt. (j.g.) Feliciano.

In addition to the Corps of Cadets, the dance was attended by Captain and Mrs. Dodge, Captain and Mrs. Reinhard, Captain and Mrs. Russell, Dr. and Mrs. Guy, Commander and Mrs. Shappell, and several other staff and faculty officers.

Industrial Commission To Feature Academy

Plans to include Admiral Farragut Academy in a special booklet being prepared by the Dover Township Industrial Commission, were revealed recently by LCDR W. Masciangelo.

The booklet will attempt to interest certain industries in locating in the Toms River area, and describes the many features included in the capital of Ocean County.

An aerial view of the Academy is tentatively scheduled for use as a feature of one of the educational institutions located here.

Orems Give Cadet Corps Musical Treat

On Saturday, January 17, two performers gave a special performance for the Corps of Cadets. These performers, Mr. and Mrs. Orem, were selected by the Activities Council to entertain with some spectacular musical numbers on the marimba, a musical instrument that originated in Mexico or Guatemala. Mr. Orem has been playing the marimba and xylophone since his high school days and Mrs. Orem has been his accompanist since their marriage.

They began their presentation with a few old marimba favorites such as "Nola." Then they took the Corps on a musical transition to South America while playing "Malaguena." Mr. Orem took time out to explain the composition of the marimba and the distinguishing characteristics of the Marimba xylophone, and vibraharp.

When he was through with this he did a solo of his own arrangement of "Stardust," which he played at the White House. Mrs. Orem came back and entertained the Corps by singing some songs which included selections from Oklahoma and "Granada." Their finale consisted of playing "Blue Tango."

Staff Officer Attends A A C District Conference

LCDR Wm. R. Masciangelo, public relations officer and alumni secretary, attended a three-day conference of the American Alumni Council on January 8, 9 and 10.

The American Alumni Council is a national organization of college and secondary school alumni secretaries, and is the leading association of its kind in the country. The School's Alumni Association has been a member for the past ten years.

LCDR Masciangelo reported that approximately thirty secondary schools were represented at the conference.

Advisor Reports On '59 Trident Progress

Photographs were taken of the basketball, wrestling and rifle teams on February 17 for inclusion in the 1959 Trident.

LCDR W. Masciangelo, business advisor, also reported that all photographs of the First and Post Graduate classes have been sent to the printer, and that individual pictures of underclassmen will be received in the near future.

In addition, LCDR Masciangelo stated that more advertisements are needed to complete that section of the Trident. Cadet editor, Jim Bradley, said a campaign is being conducted to get each member of the First Class to obtain at least one ad before the book goes to press.

The Class History, Last Will and Testament, Who's Who, and Class Prophecy have been completed and submitted to the printer.

Cadets whose parents have not yet reserved copies for them are urged to contact their parents for an early reservation.

Changes In Officer Rates Are Listed

Special Order 39 was published on January 10. It dealt with the Officers' List and the following changes were made: Cadet Cammarano to Lt. (jg), Third Company; Cadet Wright to Ensign, Third Company; Cadet Hellem to 1/P.O., Third Company; Cadet Applegate to 2/P.O., Third Company; Cadet DeFlavis to 3/P.O., Third Company; Cadet Capetta to 1/P.O., Band Company; and Cadet Rice to 3/P.O., Band Company.

Farewell, Mediocrity

In years gone by, the idea of college education was a far cry from what it is today. Until about 1950 people believed that to make a passing grade was sufficient in school. If the passing grade in an educational institution was 70 per cent, a student was expected to attain that and nothing more. In short, education was something that almost everyone did. You might say that the whole idea behind it was to keep up with the Joneses. Mediocrity frequently dominated the scene.

Today, the fact is that just passing is not good enough. A student must strive to do his very best in his academic work. Doing 70, when the better students are doing 80, will not get a person into college. Today, the demands for college education have far exceeded the available openings. Each year this problem becomes increasingly worse as the crop of war babies starts to enter college. There are two possible answers to this problem. Supporting the college of your choice in its expansion program will help a great deal, but it will not assure a person of a college education. The individual student must apply himself with ever greater zeal. He can do this by trying to achieve his highest multiple in scholastic average. One can see, therefore, that the solution lies in the individual himself. If one wants a college education, one can have it; but a lot of hard, serious work is necessary for the realization of this goal.

Company Competition - Contest or Conquest?

You may inquire as to the purpose of company competition. When the idea of company rivalry was brought up several years ago, it was designed to promote sportsmanship and encourage cadets to strive for their greatest perfection. It was thought that every cadet would want to be better than his neighbor, and in this way he would work to a greater degree. Even the vindication of being the honor company was created to encourage greater work and perfection. In its basic idea then, competition between companies seemed applicable.

However, have we continued to follow the ideas of company competition? Are we working in a sportsman-like manner today? It has now passed the point of a contest of the cadets of one company against the cadets of another. It is more like a production line in which everything is done under all circumstances. That is, each individual cadet is not working with the company but for the company. If he does not produce, so to speak, he is forced into cooperation.

The question now is "Can we get back into the old way of doing things?" We believe this is possible. It will, nevertheless, take the cooperation of everyone involved. The company officers and cadets must all get together and show that they themselves have the will to work as a group. If this happens, we are sure that company competition will fall into its original framework.

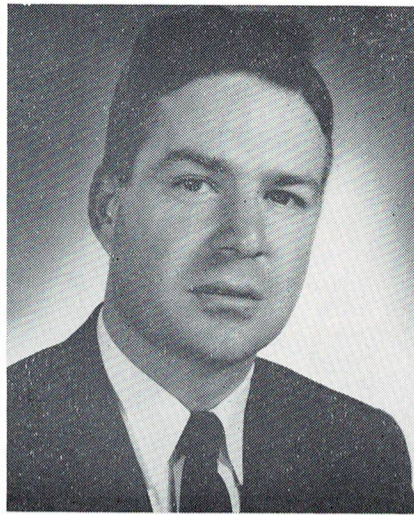

D. A. B.

Congratulations!

The Corps of Cadets is proud of the fine showing which the senior class has achieved in the N.R.O.T.C. examination. The fourteen Cadets who passed the aptitude test are a credit to the Academy and its teaching staff. Congratulations are also in order for the Cadets who received the Honor School appointments. Everyone is wishing them the best of luck in their tests, and hope that they will continue to maintain the excellent record which Cadets of Farragut have achieved in the past.

D. A. B.

ALUMNISCOPE

Charles (Chuck) Fiero '44

Charles (Chuck) E. Fiero, assistant vice president, is in charge of the Chase Manhattan Bank's Credit Department.

Born in Bronxville, New York, Mr. Fiero graduated from Admiral Farragut Academy in 1944.

In January 1945 he entered the U. S. Navy. He served on the U.S.S. Pasadena and the U.S.S. Mt. McKinley until his discharge in 1946.

In 1950, he received a B.A. from Wesleyan, where he was a member of Phi Beta Kappa, and joined the Bank as a member of the Special Training Program. The following year he was assigned to Credit. He served in various sections of Credit until January 1953 when he was assigned to U.S. Department, District 2. In 1955 he was appointed an assistant treasurer.

He was promoted to assistant vice president in September 1958. Two months later he succeeded George Roeder as officer in charge of Credit.

Mr. Fiero serves as treasurer and director of Family YMCA.

He lives with his wife, Dorothy, and two young daughters, Diane and Wendy, in Scarsdale, New York.

LT. Slaby Is President

Of N. J. Athletic Ass'n.

LT. Stanley Slaby, Director of Athletics and Head of the Physical Education Dept., is currently serving as president of the Independent Schools Athletic Association of New Jersey.

He was elected to the post last Fall and will serve for a period of one year.

Language Groups Hear Travel Experiences

On Thursday, February 12 the language classes and the clubs assembled for their first combined meeting of the year. Presided over by Lcdr. D. A. Elms, Head of the Language Department, and Mr. Alfred Tonolo, language instructor, the clubs got a first hand account of some aspects of life in France, Germany, and Mexico.

Slides contributed by Cadet R. Kaplon were highlighted with a vivid, informative commentary on the French and Mexican pictures by Lcdr. Elms. Then followed a commentary by Cadet W. Kennedy on the slides taken by himself in Bavaria during this past Christmas vacation.

All of the cadets who attended the meeting left the Auditorium with a much more lucid idea of the lands whose languages they study. It is hoped that this program can be amplified and repeated in the near future for any other interested persons.

ON SALE

at the Alumni Office

Commemorative Plates

- Set of 4 scenes of the Academy 10-inch dinner plates
- Deep-sea green on beautiful Edme design
- Boxed, ready for shipment
- Set of four, fifteen dollars postpaid and insured

Adult Arm Chair

- Black and Gold with gold seal of the Academy
- Shipped direct from factory
- Handsome addition to any home or office
- Normal retail value at \$35 to \$40

Merit System Advantages Are Given For Those Not Familiar With Program

At Admiral Farragut Academy, the merit system serves as a record of a Cadet's interest, cooperation, and zeal. Many Cadets, because of an insufficient understanding of the workings of the merit system, have lost opportunities to take advantage of the privileges which accompany a good conduct record. The purpose of this article, therefore, is to go over briefly the entire merit system, so that each Cadet may take advantage of the privileges, as outlined in the Guide Book.

A Cadet may earn merits in a number of ways. Among these are:

Good Conduct—for each week that a Cadet receives no demerits, he receives one merit.

For each month that a Cadet is a good member of a varsity athletic squad, Trident staff, *Capstan* staff, or any other club activity, and his performance is judged satisfactory, he may receive one to three merits.

For each month that a Cadet assists a member of the faculty or Academy staff, he may receive one to three merits. This includes cleaning blackboards, taking the class muster, etc.

A Cadet may receive merits for his academic standing, as follows: Average 70-79.9% and passing all subjects — one merit; Average 80-89.9% and passing all subjects — two merits; Average 90 or above and passing all subjects — three merits.

A Cadet may also receive three merits for each seamanship or rifle rating attained.

A Cadet may, however, be placed on the report for a number of offenses, with which, by this time, most Cadets should be thoroughly familiar. The number of demerits that the Cadet receives is determined after an interview with the Director of Activities concerning the report.

By correlating the merits and demerits with the monthly reports from the teachers concerning the Cadet's conduct in class, which is rated as outstanding, excellent, good, poor, satisfactory, the Cadet's monthly mark for conduct is determined. If a Cadet has a total of eight merits and "good" in conduct, he receives the merit riband with a star. If he has five merits and "satisfactory" conduct, he receives a plain merit riband.

A Cadet is entitled to numerous privileges with these ribands. If he has an academic average of 70-79.9%, and is passing all subjects, and he also has a plain merit riband, his regular liberty is extended until 2130. He is also eligible to take a 24-hour leave during the academic month following the receipt of his ribands. If a Cadet has an average of 80% or above, and is passing all subjects, with the merit riband with a star, his liberty is extended until 2200, and he is also eligible for a 48-hour leave during the next academic month.

Valuable Painting Is Presented To Academy

A painting valued at \$600 has been presented to the Academy by Mrs. Marjorie Sherrill, well-known New York City painter. Mrs. Sherrill, who paints under the name of "Lorenzo," is the mother of Cadet Peter M. Sherrill, a member of the Third Class here.

The presentation of the painting was actually made to the Farragut Parents' Association so that it can be auctioned for the benefit of the proposed Cadet Activities Building. The building project is being sponsored by the parents' group and will cost in the neighborhood of \$400,000. A number of benefit projects are scheduled to be held by the Association in the future.

Language Head Reports On Association Meeting

On Friday evening, February 13, Lcdr. D. A. Elms attended a meeting of the AATG (Association of American Teachers of German) at Summit, N. J., where three timely topics were discussed.

The language laboratory, which consists of little booths or cells where a student may listen to phonograph records or tape recording, was on display. Such a device, many feel, is a "must" for future language instruction.

Secondly, the college board examinations were discussed. Beginning in March, 1960, the language tests will have an oral section, administered by means of a record player. Also, the matter of testing for advanced standing was presented. By passing such examinations with high grades, a student can start in the advanced courses.

Finally, the methods of teaching third year German was presented by an instructor from the Linden, New Jersey, High School.

Faculty Spotlight

Mr. Nathan G. Wagner is a former resident of Palmerton, Pennsylvania. His secondary education was at Palmerton High School, and he was graduated from Allentown Preparatory School.

Mr. Wagner then went to West Chester State Teachers' College, where he worked playing the tenor banjo. This occupation became so interesting that he left school to work in Vaudeville. Here Mr. Wagner joined the Gotham Roamers, and played in New York. An accident to his thumb made it impossible to shift to the guitar, and Mr. Wagner left New York to return to his education at Lehigh.

Since that time Mr. Wagner has taught in New Jersey, Pennsylvania and Tennessee. He now occupies the position of Acting Head of the History Department of Admiral Farragut Academy. His pet peeve is narrow-minded people. He now lives on the 600 deck. Photo by W. Kennedy '59

Attending Meeting

Captains R. O. Dodge and W. K. Russell are attending the annual meeting of the Association of Military Colleges and Schools of the United States, in Washington, D. C. this week.

Captain Russell is a past president of the organization.

SENIOR CELEBS

Photo by W. Kennedy '59

Charlie Kearney

Charles Bradley Kearney was born on December 10, 1941, on Staten Island, and has lived there all his life. Charlie entered Farragut in September of 1955 as a freshman. He attained the rank of 3 P.O. at the beginning of his junior year and subsequently rose to a 2 P.O. This year he is the Executive Officer of the First Company, and holds the rank of Lt. (j.g.)

Sportwise, Charlie has participated in Varsity Basketball and Baseball. He was the captain of the J. V. Basketball team and played J. V. Football.

Charlie's activities at present include the Glee Club, Chapel Club, Monogram Club, Trident, Capstan, and Hop Committee. He also is Secretary of the Senior Class.

Charlie's pet peeve is Coach Slaby's psychology.

As for choice of college, Charlie would like to attend Annapolis or Georgia Tech.

Fred Lafferty

Fred Blair Lafferty III, was born in Altoona, Pennsylvania, on May 11, 1941. At present he lives in Yardly, Pa.

Fred entered Farragut as a junior in September of 1957 and immediately became a member of the Varsity football team, where he won All-Prep honors as a fullback. He also participated in Varsity track and plans to do so again this year. Fred is a member of the Dramatics Club and is Secretary of the Monogram Club.

Fred's ambition is to be a businessman in Latin America as his great-grandfather was.

Fred's idol is his father and his favorite is his speedboat, the *Melody*.

As a pet peeve Fred lists having to conform to rules.

His advice to undergraduates is "Don't try to beat City Hall."

Jim Bower

James Daniel Bower was born in Atlantic City in July of 1941. His present home is in Tuckerton, N. J.

Jim entered AFA in Sept. of 1955. He became a 3 P.O. in his Junior year and this year holds the rank of staff ensign.

Among Jim's claims to fame are treasurer of the Senior Class, treasurer of the Monogram Club, and assistant managing editor of the *Trident*. Jim has also played two years of Varsity football and this year is a varsity wrestler.

Jim's ambition is to buy a tropical island. As a pet peeve, Jim lists "Not Eating during Wrestling Season."

Jim's favorite are clams, naturally, swanky hotels, and Washington, D. C.

Jim would like to attend the Air Force Academy.

Finally, as advice to undergrads, Jim says "Don't tackle vast projects with half vast ideas."

Mel Hellem

Melvin Roy Hellem was born April 1, 1941, in Port Richmond on State Island. He has made Staten Island his home all his life.

Mel entered Farragut in September of 1954. He was made a 3 P.O. his Sophomore year and rose to the rank of 1 P.O. in his Junior Year.

At present he is a managing editor of the *Capstan* and President of the Booster Club. He also works diligently on the staff of the *Trident*.

Mel's ambition is to be a Sandy Hook Pilot; his idols are his parents.

Mel's favorites are his room-mate's Rock and Roll, Staten Island, and girls.

As pet peeves, Mel lists the *Capstan*, Gaucho's, table 16, and Meringues.

As good advice to undergrads, Mel says "Be honest and success will come easily."

12th Alumni Fund Is Launched By Assoc.

The 12th annual Alumni Fund has been launched according to a recent announcement by the Alumni Office.

LCDR W. Masciangelo, Alumni Secretary, revealed that this year's drive will have six objectives incorporated within the program, and Alumni and Parents will be asked to support any one or all of the goals according to their wishes.

The six objectives include: Headmaster's Discretionary Fund, the A.F.A. Alumni Student Aid Fund, the Cadet Activities Building, the Alumni Library Shelf, Cadet Awards, and the operation of the Alumni Office.

The Headmaster's Discretionary Fund has been established for the first time by the Alumni Association and will provide Captain Dodge with a modest amount which he can use at his own discretion. Captain Dodge feels that he can do such things as have more socials, hire an outstanding speaker, purchase needed books or recordings, buy equipment useful to the Corps, and any number of small items that might not normally be included in the Academy's operating budget.

Last Fall the Association turned over \$1000 to the proposed Cadet Activities Center, as well as adding an additional \$1000 to the Student Aid Fund.

Court Team Has Six Wins; Robinson Sparks Success

After dropping its opening game of the season against Stevens Prep, 93-92, Coach Stan Slaby's court team proceeded to defeat Bordentown, drop two in succession to Lawrenceville and St. Benedict's Prep, and then racked up five victories in a row against Peddie, Pennington, Blair, George School and Hill School.

Bordentown

On Saturday, January 10, the Middie basketball team played Bordentown M. I. for the first home game of the season.

In the opening seconds of the first quarter, Dave Robinson drove in twice from the forward position and together with a foul shot, quickly scored five points. After four minutes of play, Farragut still held a five point spread, 12 to 7. In the closing minute of the first quarter this lead was increased when Alex Thomson and Don Davis each converted from the floor. The score at the end of the first period saw Bordentown behind 19-12.

In the second quarter both teams showed great skill offensively and defensively. On the home side, scoring was kept alive by fast breaks uniquely executed by Don Davis, Jim Vatter and Al Thomson. Likewise, a hot Bordentown five was kept in check by a defensive combination of Hank Englehardt, Harry Humphries, Wardy Briggs and Dave Robinson, grabbing off rebounds. In the 2nd quarter, A. F. A. collected 13 points and B. M. I. tallied 14. Thus, the score at the end of the first half was 32-26 in favor of the Middies.

The second half was marked by a tight defense employed by Bordentown. In the third quarter, Farragut started to widen the margin on the scoreboard when Dave Robinson sparked the team with both rebound, layup and goal shots. At the close of the 3rd period, the home team was leading by the score of 48-38.

In an exciting 4th quarter, Bordentown, behind by 10 points, started to press the Middies and their defensive team guarded Robinson to prevent further scoring by the big center. Thus, the action was forced to center about Humphries and in less than three minutes, the hustling forward dropped in four perfect shots from 20 feet out. These "wishers" kept Farragut in the lead, because B.M.I. was getting red hot and looked as though they couldn't be stopped. But with the calmness of a superior team, Admiral Farragut held the opposing team at bay. When the final buzzer sounded, the home team had 63 points while B.M.I. registered 57. The difference in the two scores could be attributed to clutch playing and the ability to sink foul shots. Dave Robinson was high man in the game with a very respectable 36 points. Harry Humphries also was in double figures with 10 points. Matluci was high man for Bordentown with 25 points.

Lawrenceville

On January 14, the team traveled to Lawrenceville for its third game of the season.

The game began with a determined Farragut scoring the first two points and as the first quarter progressed, the lead increased. In this quarter, Dave Robinson scored more than half the first period total as he sank a total of 7 points. Harry Humphries, Al Thompson, and Don Davis also tallied in this quarter. Smooth defensive play held Lawrenceville's score at a minimum. The score at the end of the first period was 13-10, in favor of the Farragut five.

The second period saw Harry Humphries lay in four shots and Jim Vatter also tallied with 2 field goals. The offensive picture was rounded out by Dave Robinson, who also scored 4 points. Farragut also demon-

strated defensive skill in this quarter when many Lawrenceville shots were blocked and turned into fast breaks. Thus the half-time score stood at Farragut 29, Lawrenceville, 20.

In the third quarter, the Middies were faced by a different team; a team which said they didn't want to lose. Although Farragut did total 15 points, the opposition held the A.F.A. captain, Robinson, at bay. In this quarter Dave tallied only 2 points. Lawrenceville outscored Farragut 17-15 in this quarter, but Farragut still held a small lead going into the last period, 44-37.

The fourth quarter saw A.F.A. tally only 2 points as a team low for the year. For the second time in three games, Farragut was faced with an overtime situation. When the buzzer sounded, ending the regulation time allotted, the score was tied 46 to 46. The three minute overtime saw both teams score two points quickly. For Farragut, Dave Robinson sank two crucial foul shots to tie the game at 48 all with 45 seconds to go. But Lawrenceville did not give up and Press Seckel, high scorer of the game, sank his 26th point to put the "game on ice." Final score, Lawrenceville 50, Farragut 48.

St. Benedict's

On January 17, the team played its second home game, before a hopeful crowd that wanted to see St. Benedict's, a team with a 10-0 record this season, defeated.

In the first quarter, Dave Robinson did all the scoring for the home side, dropping three shots through the hoop. But this was not enough for a more aggressive St. Benedict's, that tallied 11 points in the first quarter.

In the second period, excellent shooting by the visitors proved too much for the home team as Farragut scored only half as many points. In this period, Hoe Locascio, a St. Benedict's guard, scored 10 points alone. At halftime the visitors had doubled the tallies of A.F.A., leading 31-16.

In the third quarter, the game was "wrapped up" as St. Benedict's out-hustled and out-rebounded a trying home team. In this quarter Farragut scored 7 points, while their opponents amassed 16. Going into the last period of play St. Benedict's held a commanding lead, 47-23.

The only bright spot for Farragut during the last quarter was the excellent shooting of Wardy Briggs, who neatly sank 3 field goals in the bucket. Other scores included Robinson, Vatter and Thompson. But the game was out of reach and the home team met a decisive defeat. The final score was 65-37.

Peddie

On January 21, the team traveled to Hightstown, N. J. to play the Peddie School. Upon entering this game, the Middies had a record of 1-3, while the hosts were 4-4.

At the outbreak of the game, the visitors jumped out to a quick lead as both Robinson and Humphries each chalked up three field goals. Briggs and Lucarelli rounded out the offensive scoring for Farragut. Defensively, the Middies held Peddie to a minimum in the scoring column, as they limited the Peddie center, Jim Sweet, to only 4 points. The score at the end of the 1st period stood 16-7 in favor of A.F.A.

In the second quarter, Admiral Farragut picked up where they left off and immediately widened its margin. In this period, all five members of the team figured in the scoring. The only threat to the lead seemed to lie in the Peddie guard, goldman, who constantly sparked his team and thus kept the Farragut five within striking distance. Despite this fact A.F.A. outscored the boys from Hightstown in the second quarter and maintained a 35-23 lead at the half.

At the beginning of the second half Peddie, sparked by goldman, started to peck away at the 12 point lead held by Farragut. During the first three minutes of the third period, Peddie had narrowed the lead to 5 points. But then the Middies started to move. With successive baskets by Robinson, Briggs, Humphries, and Vatter, the boys from Farragut maintained their lead and led at the end of the three quarter mark, 50-39.

The last quarter saw Peddie score 22 points, but the Farragut offensive tallied a total of 17. Although the home team did seem more aggressive during the last 8 minutes of the game, the Middies controlled the game as a whole. The final score was 67-60 in favor of A.F.A., which now had a record of 2-3. Dave Robinson was high man with 19 points. Harry Humphries and

Wardy Briggs were also in double figures, with 14 and 11 points respectively.

Pennington

On January 24, the team traveled to Pennington, N.J., to play the Pennington basketball team. The A.F.A. fivesome was going into this game with a record of 2-3, while Pennington was 0-4.

At the onset of the game, the Middies caught fire, scoring 7 points in the first 3 minutes. The team accomplished this by fine rebounding and keen shooting by Dave Robinson, and Hank Englehardt. But it seemed that the Pennington team knew their court extremely well, because they were shooting also with deadly accuracy. Fine defensive play kept the rival team away, and Farragut led at the end of the first period by the score of 19-11.

The second quarter saw a determined Pennington five jump on the scoring column and take the lead away from a startled Farragut team. In the second period of play, the Middies were surprisingly held at bay and just couldn't get the range of the basket. They scored a total of only 8 points. Thus the home team took over the lead, 28-27 at half time.

During the beginning of the third quarter, it looked as if the men from A.F.A. would start to move, when Harry Humphries dropped in two quick jump shots from the side. But the rivals did not give up and stayed within two or three points throughout the eight minutes of play. Pennington's crack guard, Bob Scheer, chalked up 6 of the ten points scored in this period of the home team. Thus the A.F.A. team could only squeeze a 39-38 lead after 3 quarters of play.

The last period saw the highest scoring spree for Farragut during any one period of play. In this stanza Farragut simply overwhelmed Pennington, as they romped to a 12 point lead in a matter of minutes. They then maintained this margin for the remainder of the contest. In these 8 minutes of play, Humphries also chalked up a point to make it a total of 21 tallies for this last quarter. The final score was 60-48. Farragut had now won its last two games and had a record of 3-3. Dave Robinson was high scorer with 21 points. Second was Briggs with 10.

Blair

On January 31, the quintet played host to Blair Academy. The visitors came into the game with a 4-1 record while Farragut was even up with a 3-3 slate.

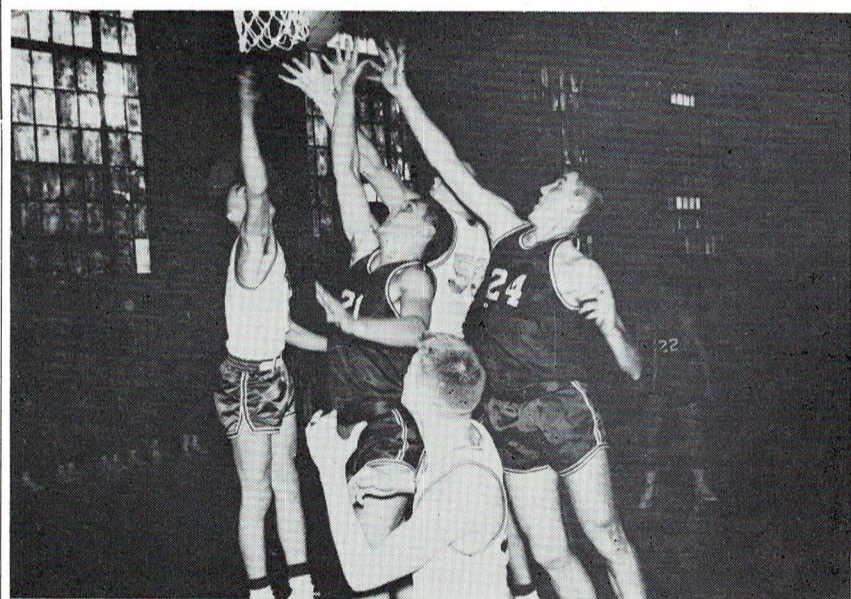

In the first period of play, Joe Lucarelli paced the home team with two field goals from the outside. Harry Humphries and Dave Robinson also scored to give the home team an eleven points total for the first quarter. The Blair team, however, also did fairly well offensively as they scored nine points on a combination of three field goals and three foul shots. The Farragut five worked well, defensively, keeping Blair's big gun, Jerry Barnett, limited to only one point during these opening eight minutes.

With Farragut leading 11-9 going into the second quarter, Dave Robinson got hot and dropped in three successive field goals to temporarily hold the opposition at bay. But the Blair five started to peck away at the slimming lead and thus stayed within five points until the last few minutes of the second period when the Middies widened their margin to 25-19.

At the beginning of the third quarter, Humphries again showed his skill in his jump shot, as he sent two quick baskets and thus gave the Farragut five a ten point lead. In this quarter, Dave Robinson also caught fire as he racked up eight points. Thus the home team finally gained a fifteen point lead, 42-27.

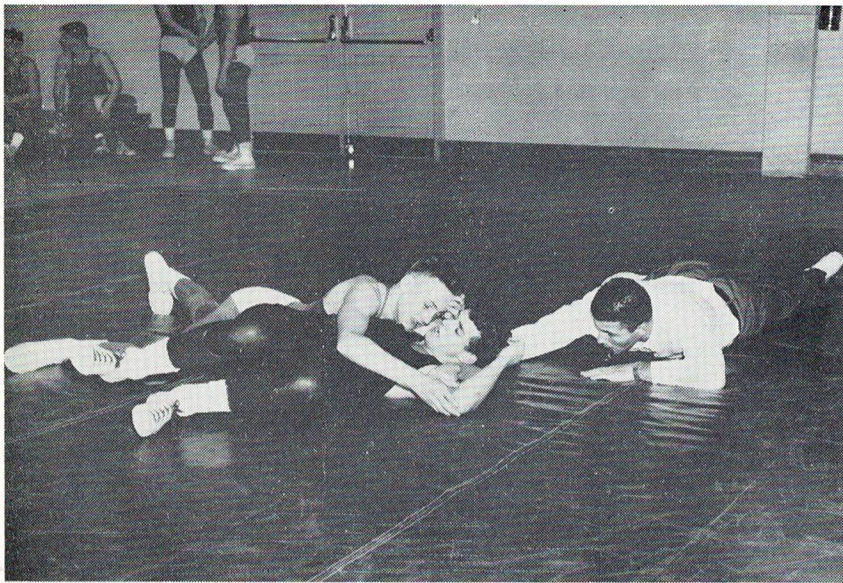

As the last quarter began the Farragut five seemed to have the game well under control. But Blair started to put the heat on and succeeded in closing in. However, defensive work by Robinson and Englehardt

Grapplers Post 4-3 Record In Matches

After a defeat in their first match, the Middie grapplers bounced back to take three matches in a row, drop two, and pick up another victory. Consistent winners for the Middies have been the tri-captains: Jim Bower, Dave Cook, and Dave Reimers.

On Saturday, January 10 at two o'clock, the Farragut wrestling team under the coaching of Mr. Theodore Stinner met and defeated the cadets of Bordentown M. I., for its first victory of the current season.

Starting off the match, Leo Bohorquez, wrestling at 106 pounds, defeated his opponent on a point score. Bill Wilkinson and Mike Prevett were pinned in the final seconds of their matches. Dick Feliciano, wrestling at 129 pounds, pinned his opponent in 3 minutes 57 seconds. Jim Bower won his match by a pin in 1 minute and 30 seconds, but Nat Ewer, at 156, lost on a close point score. Dave Reimers won his match at 167 pounds but Bill Karkuch at 177, and heavyweight, Joel Frankfort, were both pinned. At the final buzzer the score stood at Farragut 33, B.M.I. 18.

Hun School

Farragut's match against Hun School was a rousing victory for the Middies. The matmen defeated Hun 39 to 8. Bud Wilkinson in the 115 pound class, pinned his opponent in only 1 minute and 4 seconds. Bill was quickly followed by 123 pound Mike Prevett who pinned in the second period. Dave Cook won his third straight by pinning in 2 minutes and 20 seconds. Jim Bower and Dave Reimers pinned their opponents early in their respective first periods. Heavyweight, Joel Frankfort, pinned in the second period. Other point score winners were Leo Bohorquez, Dick Feliciano, and Al Naef, while Nat Ewer and Howell Scoby dropped their matches.

George School

The Farragut mat-men met George School on January 17 in their first home meet of the year. The match was faced with a great deal of anticipation, for the Farragut wrestlers had not beaten George School in many years.

Leo Bohorquez got Farragut off to a good start by winning his match 3 to 0, but Bill Wilkinson and Mike Prevett lost their matches. When Dick Feliciano pinned his opponent in the first period, the score was tied 8 to 8. Dave Cook and Jim Bower won

their matches, increasing Farragut's lead 16 to 8. Al Hackett won his first match of the season wrestling in the 147 pound class, but Tony Smith lost by a pin. Dave Reimers pinned his opponent in 1 minute and 23 seconds, while Joel Frankfort and "Eagle" Howe lost their matches. The final tally was Farragut 24, George 21 thus giving the Middies their third straight win.

Blair Academy

Blair Academy came to Farragut on the 31st of January and went home with the second Middie loss of the season. Wrestling for the first time, Bob Castellano was pinned by the experienced Blair opponent, and Jay Alker also lost his first match. Mike Prevett was beaten on a close point score. With 4 straight victories behind him, Dick Feliciano lost his first match on a close 4 to 2 score. Dave Cook was the first cadet to win. He pinned his opponent in 1 minute and 24 seconds. Al Naef tied his match, thus adding 2 more points to the Farragut score. Al Hackett won his second bout by pinning his opponent. Tony Smith, Howell Scoby, Joel Frankfort lost their matches, but Captain Dave Reimers won his match in a point decision. Although the Middies put up a strong fight, the Blair team walked off with the honors in a 29 to 15 victory.

St. Benedict's Prep

The third Farragut loss of the season came at the hands of an extremely strong St. Benedict's squad. The final score was Farragut 8, St. Benedict's 39. 106 pounder, Leo Bohorquez, won his first match, but losses by Prevett, Wilkinson, Feliciano, and Naef gave St. Benedict's Prep a 16 to 3 lead. Dave Cook added his sixth straight victory by pinning his opponent in the third period. Al Hackett lost his first match by being pinned in the third period. Scoby, Smith and Frankfort were pinned by the St. Benedict's mat-men. Dave Reimers lost a close point score decision.

Pennington School

Pennington came to challenge Farragut, but they only added another victory to Farragut's season. Bill Wilkinson, wrestling 115 pounds, won his match by a forfeit, but Mike Prevett was pinned in the third period, evening the score at 5 to 5. Dave Cook, Bob Khoyan, Al Naef, and Jim Bower all pinned their opponents as the score climbed for Farragut. Tony Smith won his match on points and Dave Reimers was declared winner by forfeit. Howell Scoby and Joel Frankfort both lost on points but in the end Farragut came out ahead 33 to 16.

Sports Twirl

by Charles B. Kearney

The big story in the field of basketball revolves about the 6'5" center, Dave Robinson, who is averaging about 25 points per game. In his first encounter with Stevens Academy he poured 42 points through the hoop and nearly equaled this feat against Bordentown Military Institute when he recorded 36 points.

The return of Joe Lucarelli to the line-up has marked a definite improvement in the team. Joe, who plays guard, has been sidelined by a torn cartilage inflicted during football season. The knee operation he received during Christmas Leave was successful and now Joe hopes to add strength to the Middies.

On February 2, the "Blues" were honored by the head coach of the University of Pennsylvania. The team was instructed on the plays and style of basketball common to the Pennsylvania squad.

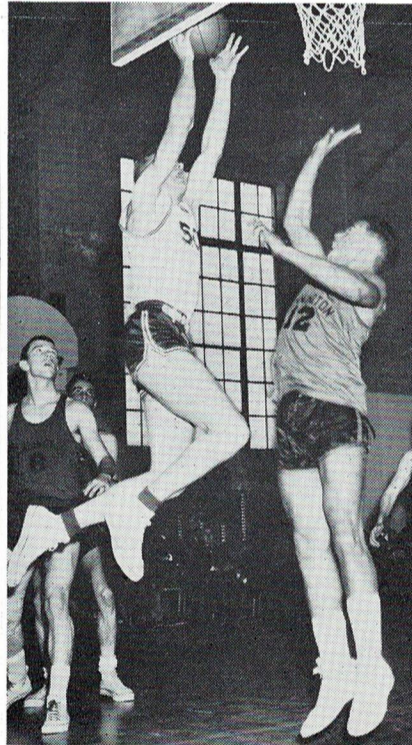

The wrestling squad has been doing well since its setback against Peddie. Tri-captains Jim Bower, Dave Reimers, and Dave Cook have been heading the way to victory.

Dick Feliciano, representing the 135 lb. weight class, has been experiencing a fine season with only one defeat while Vohan Khoyan, 141 pounder who is only a freshman, has also been doing a fine job.

Coach Theodore Stinner has developed an experienced, well trained squad, with a strong reserve unit. They have defeated B.M.I., Hun School, and Pennington, as well as a strong George School team.

Farragut's second string squad wrestled the Toms River Varsity on January 20. In an attempt to teach the newly formed Toms River squad, Al Hackett, Dave Cook, Jim Bower, and Dick Feliciano wrestled exhibition bouts.

The rifle team recently lost to B.M.I., 857-852. Co-captains Ron Krantz and William Kennedy have been leading the squad, although the riflemen have been experiencing some tough luck in this season. Lt. Norris hopes to supply next year's team with experienced potential sharpshooters.

HIGH BOUNDER — Big Dave Robinson reaches high to score another basket during Pennington encounter. (Ocean County Sun Pix)

Junior Courtmen Fail to Win; 6 Tries

The Junior Varsity cagers have not been able to break into the winning column to date. Lack of experience has hampered the Junior Courtmen mainly. However, fine play by Herb Stone and Rocco Tutela, has kept the J.V. up.

Bordentown

The Junior Varsity played nip and tuck contest with the B.M.I. juniors, but came out on the short end of the score, 29-27. Although there was some sloppy ball handling, both sides came through with fine plays. Mike Fisher was high man in the game with 10 points. With two fine floor shots, Dick Rissel chalked up 4 points for runner-up honors.

Lawrenceville

The Junior Varsity led in the first quarter, 14-13, but failed during the 2nd and 3rd periods to enable the Lawrenceville JV's to win a sloppily-played game, 49-33. Despite the loss, Rissel and Stone were high scorers in the game with 14 and 13 points respectively.

St. Benedict's

The JV's lost a "no contest" game to the St. Benedict's Junior Varsity. The final score was 55-26. High men for the home team were Stone, Fisher and Woltz, each with 6 points. The game was marked by the exceptional lack of fouls; only 8 fouls were committed by both teams, during the contest.

Peddie

The A.F.A. J.V. traveled to Hightstown to encounter the Peddie J.V.'s on January 21. Although the Junior Middies had not won a game, they seemed determined to make Peddie their first victory.

As the game opened, both teams started to play sloppy ball, and thus the fouling was quite heavy. Both teams took advantage of foul shots, AFA making 3, and Peddie 5 points. The scoring from the floor was

(Continued on page Six)

No Wins for Rodmen Registered to Date

The varsity rifle team this year, from lack of experience, has failed to register its first victory of the 1959 season. Co-captains Ron Krantz and Bill Kennedy, have been leading this season's scoring, but the team lacks the depth it needs to be successful.

Bordentown

On January 17, 1959, the varsity rodmen challenged the cadets of B.M.I. The Middies, firing on their range in Robison Hall fought down to the last round. When the final scores were tallied, the Norrismen's hearts sank. In spite of the strong fight put up by Farragut, B.M.I. topped A.F.A.'s 852 with an 857. The top five for Farragut were: Ron Krantz leading off with a 177, Dennis Picard with a 176, Bill Kennedy with 175, Sam Schroeder 168, and placing in the top five in the first match, John Nelson with 156. Top for B.M.I. were Tome 178, Pate 176, Kesty 166, Hellreigle 165, and Spaeth 163.

Xavier

January 24 saw the rodmen up against an always unpredictable Xavier team. Top scorer for Farragut was again Ron Krantz with a 180, followed by Ramon Printz 172, Bill Kennedy 171, Fred Holmes 170, and Sam Schroeder 168. Top for Xavier were Walsh with a sizzling 191, Raleigh 186, Walsh with a sizzling 191, Raleigh 183. Xavier seems to have a spell over the Middies. Though they fought hard, A.F.A. riflemen went down to defeat with an 861 to Xavier's 927. Hampered by the absence of Dennis Picard, the Middies could not break Xavier.

VARSITY BASKETBALL

. . . from Page Four

and fine shooting by Davis, Pero, and Briggs, controlled to a decisive victory for Farragut. The final score was 55-45 as Farragut won its third game in a row and produced a record of four wins and three losses.

George School

On Wednesday, February 4, the team played George School at Newton, Pa.

The Middies jumped right into the scoring column when Harry Humphries and Wardy Briggs started to drop the ball through the hoop and actually overwhelmed the opponents in the first quarter. With the help of Robinson's fine shooting, the Farragut five gained a 17-9 lead.

Crack foul shooting, 6 for 6, by Dave Robinson and successive baskets by Briggs and Humphries from the floor, aided the Sailors' cause and increased their lead. At the end of the second quarter the score stood 31-18, with A.F.A. in front. During the third period Humphries, hitting on the jump shot, tallied six points. Robinson also scored six and the Middle five took complete possession of the game as they led by a twenty point margin, 48-28.

In the last quarter the team really laid on their scoring ability as seven different players tallied. Humphries had two, Pero three, Vatter one, Briggs seven, Englehardt two, and Kearney two. This added up to the biggest offensive surge this year as the team tallied 26 big points and finally sent George School to a 74-45 defeat. Robinson scored 25, and Wardie Briggs did remarkably well as he sent seven baskets and converged seven free throws for a total of 21. Humphries was third with a distinguished 15 points.

Hill

On Saturday, February 7, the court team traveled to Pottstown, Pa., to play Hill School. A.F.A.'s record was 5-3 going into the game, while Hill was 0-7.

In the first quarter the scoring was held clear because of the fine defensive work by both sides. Farragut only totaled nine points while Hill managed to get seven. Humphries made two baskets during this period. In fact the game moved quickly as a whole, for both sides managed to keep the fouling at a minimum.

In the second quarter, Joe Lucarelli's shooting eyes returned, as he dropped four set shots for a total of eight points. Harry Humphries also did well, as he totaled six points. The Hill scored ten points during this period and the game stood at the end of the half, 27-17 in favor of AFA.

In the second half Farragut widened its margin to fourteen points as it tallied fourteen in the third quarter. Dave Robinson, held to only two points during the first half, scored five. Vatter, Briggs, and Lucarelli also cashed the brackets. But it was not enough as the stronger Farragut team eased in with 46-40 win. The only consolation the Hill School players had was to keep Dave Robinson to a mere seven points. High man for Farragut was Harry Humphries with twelve points.

J.V. BASKETBALL

. . . from Page Four

kept constant as Stone, Sprandel, and Tutela contributed field goals. During the first quarter, the teams looked evenly matched and Peddie took a small lead, 15-13 when the buzzer sounded.

In the second quarter, fine defensive work on the part of Peddie kept the Junior Middies' scoring total to a mere 7 points. On the other hand, Peddie kept its moderate pace going jumping out to an eleven point lead at the half, 31-20.

The third period saw Peddie slowly, but surely, widen its margin on their foes. All the scoring was done by Stone and Tutela with four points each. Meanwhile, Peddie dropped in 13 tallies to lead AFA 44-28.

Believe it or Else

Strange as it seems, C.O.'s are actually quiet and friendly . . . When they are asleep!

Contrary to popular belief, formations are not compulsory . . . everyone goes voluntarily to hear Kahn play the drums.

Believe it or not, "Chief" Ruzila is not a chief, he is a 1 P.O. . . . Are there any other ersatz Chiefs at A.F.A.

Strange as it seems, Capt. Reinhard doesn't always say "NO"; . . . only when you are asking him for leaves.

Not all chickens go "Cluck, Cluck" . . . Some of them go "Officers take your posts."

YOU DON'T SAY — Battalion Commander Jim Bradley appears to be very earnest in his conversation with his partner.

Strange as it seems, Gordon likes barbell's . . . as long as they are not coming through the roof.

Believe it or not, all Ensigns are not pyromaniacs . . . are they?

Contrary to popular belief, Gordon does not wear sneakers . . . that is just a rumor started by Feliciano.

Strange as it seems, Fred is not an angel . . . Morris isn't a wicked inn keeper either . . . just wicked.

Contrary to popular belief, Borgen is not starting a hoagie shop on the 300 Deck . . . Hegi is.

Strange as it seems, the Batt Staff doesn't really run the Battalion . . . they are just a front for the syndicate.

In the last quarter both teams really started to play fine offensive ball and thus showed their scoring ability. Herb Stone racked up 8 points, Tutela 7, and Hendin 5 in a period that saw both teams score many points. But this late surge was not enough to even come close to the margin that the Peddie JV's had built up. There fore, the Farragut JV's went down to a disappointing defeat, 65-48. The only bright spot on the Farragut side was Herb Stone, who tallied 21 points.

Pennington

After the loss to Peddie, the Junior Middies tried to show a capable striking force against Pennington. Although it was obvious that the Pennington five did know their court well, the Farragut J.V.'s jumped out to an early lead, with everyone of the

Headmaster Tells Of Prep Schools Assoc.

The possibility of the formation of an independent school athletic association was revealed recently by Captain Raven O. Dodge, (Admiral Farragut Academy) headmaster.

Captain Dodge was one of six panelists who spoke before a large delegation representing thirty-one schools from Connecticut, New York, New Jersey and Pennsylvania in New York City in December. Schools from Maine, New Hampshire, Vermont, Massachusetts, Rhode Island, Delaware, District of Columbia, Maryland, Virginia and West Virginia will be invited to join at a later date should the results of the initial meeting prove successful.

Captain Dodge said the association, if formed, would be patterned after the Eastern College Athletic Conference, and would cooperate with existing independent school leagues and conferences.

The E.C.A.C. is not a "playing" conference in which every college in the group meets all or most of the others in the various sports. It does, however, have exacting rules of eligibility, and these rules as well as other regulations, principles and policies are framed and enacted by the membership.

The goal of the prep school organization would be dedicated to the permanent establishment of preparatory school athletics on a purely amateur basis; maintenance of the highest standards of integrity, honesty and efficiency in the administration of athletic activities; uniform eligibility rules and regulations.

Captain Dodge pointed out that the meeting centered around the inconsistencies of athletic eligibility rules presently in effect in Eastern preparatory schools. "These deal primarily with age limits, semesters of play, scholarships for athletic ability, limits to grants-in-aid for athletic ability, eligibility of post graduate students, and academic performance," he explained.

A committee was formed to evaluate the results of the first meeting and to determine the feasibility of establishing such an association at the present time. Sept. 1 has been suggested as the target date for officially organizing the group.

starting five scoring a total of two points each. Good defensive work under the boards by Tutela and Sprandel limited the home team to only 7 points, the score standing 10-7 in favor of AFA after 4 minutes play.

In the second quarter, the scoring was kept on an even keel, but defensively both teams fell down. Within 5 minutes each team had committed 9 fouls. Despite this fact, the game proceeded quickly and Farragut maintained a 24-20 lead at the half.

The third quarter saw a spirited Pennington team really go to work on their scoring, totaling more in this third period than the total of the whole first half. In this quarter, Croive, the Pennington center, dropped 12 points through the hoop. But the Junior Middies managed to stay quite close to the home team during their surge and thus trailed by only 1 point after three-quarters of play, 42-41.

In the fourth period both teams once again showed fine offensive ability, as Farragut put in 8 baskets and four fouls for a total of 20, and Pennington, with 19 tallies. When the final buzzer sounded the game was deadlocked at 61 all.

The overtime, a period of three minutes, was played cautiously by both sides, but unfortunately, Pennington scored 8 points to AFA's 6 in this period and thus sent the Junior Middies to their sixth straight defeat, 69-67. Ron Crowe of Pennington was high man in the game with 30 tallies. Stone was high man for Farragut with 27 points. Tutela and Woltz were also in double figures with 14 and 13 points respectively.
