ADMIRAL FARRAGUT ACADEMY, PINE BEACH, N. J., AUGUST 5, 1959

No. 7

Final Drill Won By "Fighting First"

At 0900 on Saturday, June 6, the Battalion assembled for the annual Company Infantry Drill Competition. This event, judged by Marines from the Lakehurst Naval Air Station, is one of the highlights of the Academy June Week program. Not only is the annual competition a colorful and interesting exhibition of precision, close order drill, but it often has been the deciding factor in the winning of the colors. The competition is worth 150 points to the winning company, and 100 and 50 points for second and third places respectively.

To start this year's competition, the three, line company commanders met in advance and drew straws to determine the order in which their companies would perform. The results of this drawing were that Cadet Lieutenant John Wylie and the Second Company went on first, followed by the First and Third Companies, in that order.

Upon entering the lower athletic field, the commanders first presented their companies to the judging officers and then proceeded to drill their companies in their own arrangement of a carefully planned itinerary. This was especially important because it was up to the company commanders to decide in what sequence to present the different maneuvers so as to finish in the twenty minutes allotted. The movements executed included the manual of arms, columns, flanks, obliques, masses, columns of twos and files, and faces.

The judging was based on several things. These included general appearance, steadiness in ranks, snap and precision, correctness, leadership and ability of cadet officers, and neatness of personnel.

On the basis of these judging points, the First Company, under the Command of Cadet Lt. Harvey Borgen, was declared the winner. The competition was witnessed by an unusually large number of parents, friends, and relatives of Cadets.

First Classmen, Dates Attend Informal Party

The First Class Beach Party was held on Friday, June 5, at 1230, at the home of Capt. and Mrs. W. K. Russell. Many of the Cadets sailed over to the Russell house, across the river from Farragut, accompanied by their dates for the June Ball. Captain and Mrs. Russell acted as host and hostess for the party. The Cadets and their guests swam and then had lunch.

The party was an informal affair and a wonderful time was had by all who attended. After a quick post-lunch dip, the party-goers departed in their sailboats and made their way back to the school to prepare for the June Ball.

Lakehurst C. O. Says "Well Done"

"On 9 May 1959, Naval Air Station Lakehurst conducted the most successful Armed Forces Day celebration in its history. An excellent program was enthusiastically received by a record crowd of 100,000 persons.

"That the Open House scored such a success is a tribute to the different groups who participated.

"The appearance of the Admiral Farragut Academy Band and Drill Team added greatly to the day's activities. I was particularly happy to see your boys back again this year. Please accept my grateful appreciation for their appearance and extend my compliments to them for a fine performance."

J. R. Van Evera
Captain, U. S. Navy
Commanding Officer

C. L. Burgess Lists 10 Points For Grads

Speaking of opportunity and danger in his commencement address, Carter L. Burgess said to the members of the 1959 Class: "I have written down ten suggestions which will perhaps provide a more complete and more definite guide toward the attainment of the attractive opportunities before you:

1. Anticipate your problems and carefully plan your work.
2. Be prompt and responsive in all your efforts. Analyze and execute well and do the job at hand the best it can be done.
3. Be personable, direct and uncomplicated in your dealings.
4. Know yourself and keep an accurate and private measure of your limitations and your strengths.
5. Be ambitious but humble and ever alert to giving deserved credit to the other fellow.
6. Constantly develop and perfect your power to express yourself clearly and convincingly in your writings and in your conversation. Be precise and creative in your ideas and presentations.
7. Be thrifty but do not let this affect your enjoyment of a full life nor your generosity in the support of worthwhile causes.
8. Cultivate your sense of humor and above all don't take yourself seriously—except unto yourself.
9. Watch your health, keep fit, and
10. Be God fearing, live the Golden Rule each day, and be fully mindful of the American Fighting Man's Code of Conduct and its first article which reads: I am an American Fighting man. I serve in the forces which guard my country and our way of life. I am prepared to give my life in their defense.

74 Graduates Hear

Commencement Speaker Tells of Lack Of Foreign Language Capabilities

Carter L. Burgess, president of the American Machine and Foundry Co., stressed the nation's lack of foreign language capability and skill during his address at the commencement exercises on Sunday, June 7th.

Mr. Burgess, a former Assistant Secretary of Defense for Manpower and Personnel, told the 74 graduates and an overflow audience of more than 1200 persons, that this skill is in critical shape.

COMMENCEMENT SPEAKER

Carter L. Burgess

Alumni Assoc. Fetes Graduating Class

The Class of 1959 was entertained at a special party on May 27 by the Alumni Association. The affair was held at the Pine Beach Vol. Fire House, with LCDR W. Masciangelo, Alumni Secretary, in charge.

The Class was excused from evening mess and went to the fire house in a body, where they were treated to ice cream and cake, nuts, potato chips, and coffee. Refreshments were served by Mrs. Masciangelo and Mrs. S. E. Decker, secretary to LCDR Masciangelo.

Mr. Masciangelo, a graduate of the class of 1937, outlined the purposes and functions of the Alumni Association, and told how it could serve the alumni through the years. One of the primary functions of the organization is to keep the members of the graduating classes together, as much as possible, and to perpetuate the friendships that were made as cadets.

The Class elected Harry Humphries as its representative on the Association's Executive Board until the fall election of 1960.

LCDR Masciangelo expressed the hope that the party could be an annual affair.

"Foreign linguistic training and understanding are fully as important as fast airplanes and other means of rapid communication," Mr. Burgess said. "The ability to communicate his wisdom as an individual and to comprehend his world neighbor or adversary should be perfected to as great a degree as the mechanical means which attempt to transport him or his ideas."

Presentation of diplomas and awards were made by Captain R. O. Dodge, Headmaster. Cadets Michael A. Pero, Jr., and David A. Brandely made the salutatory and valedictory addresses respectively. Cadet Harry J. Humphries, president of the First Class, presented the Academy with funds to purchase a television set for the First Class room in the proposed Cadet Activities Building.

The Rev. Ansley Gerard Van Dyke delivered the invocation and benediction.

The following awards were presented during the exercises:

ADMIRAL FARRAGUT ACADEMY AWARD to Michael A. Pero; HEADMASTER'S SCHOLARSHIP AWARDS to D. Brandely, P. Caldwell, R. Szmodis, R. Rissell, A. Jamieson; FACULTY SCHOLARSHIP AWARDS to P. Rice, S. Beyer, H. Swain, A. Horn, P. Ruzila, P. Kammerer, M. Lewinger, R. Allen, M. Kolchin, C. Jackson, and D. Reimers.

The June 7 commencement exercises climaxed a three-day program of activities that began with a general awards assembly on Thursday, June 4th.

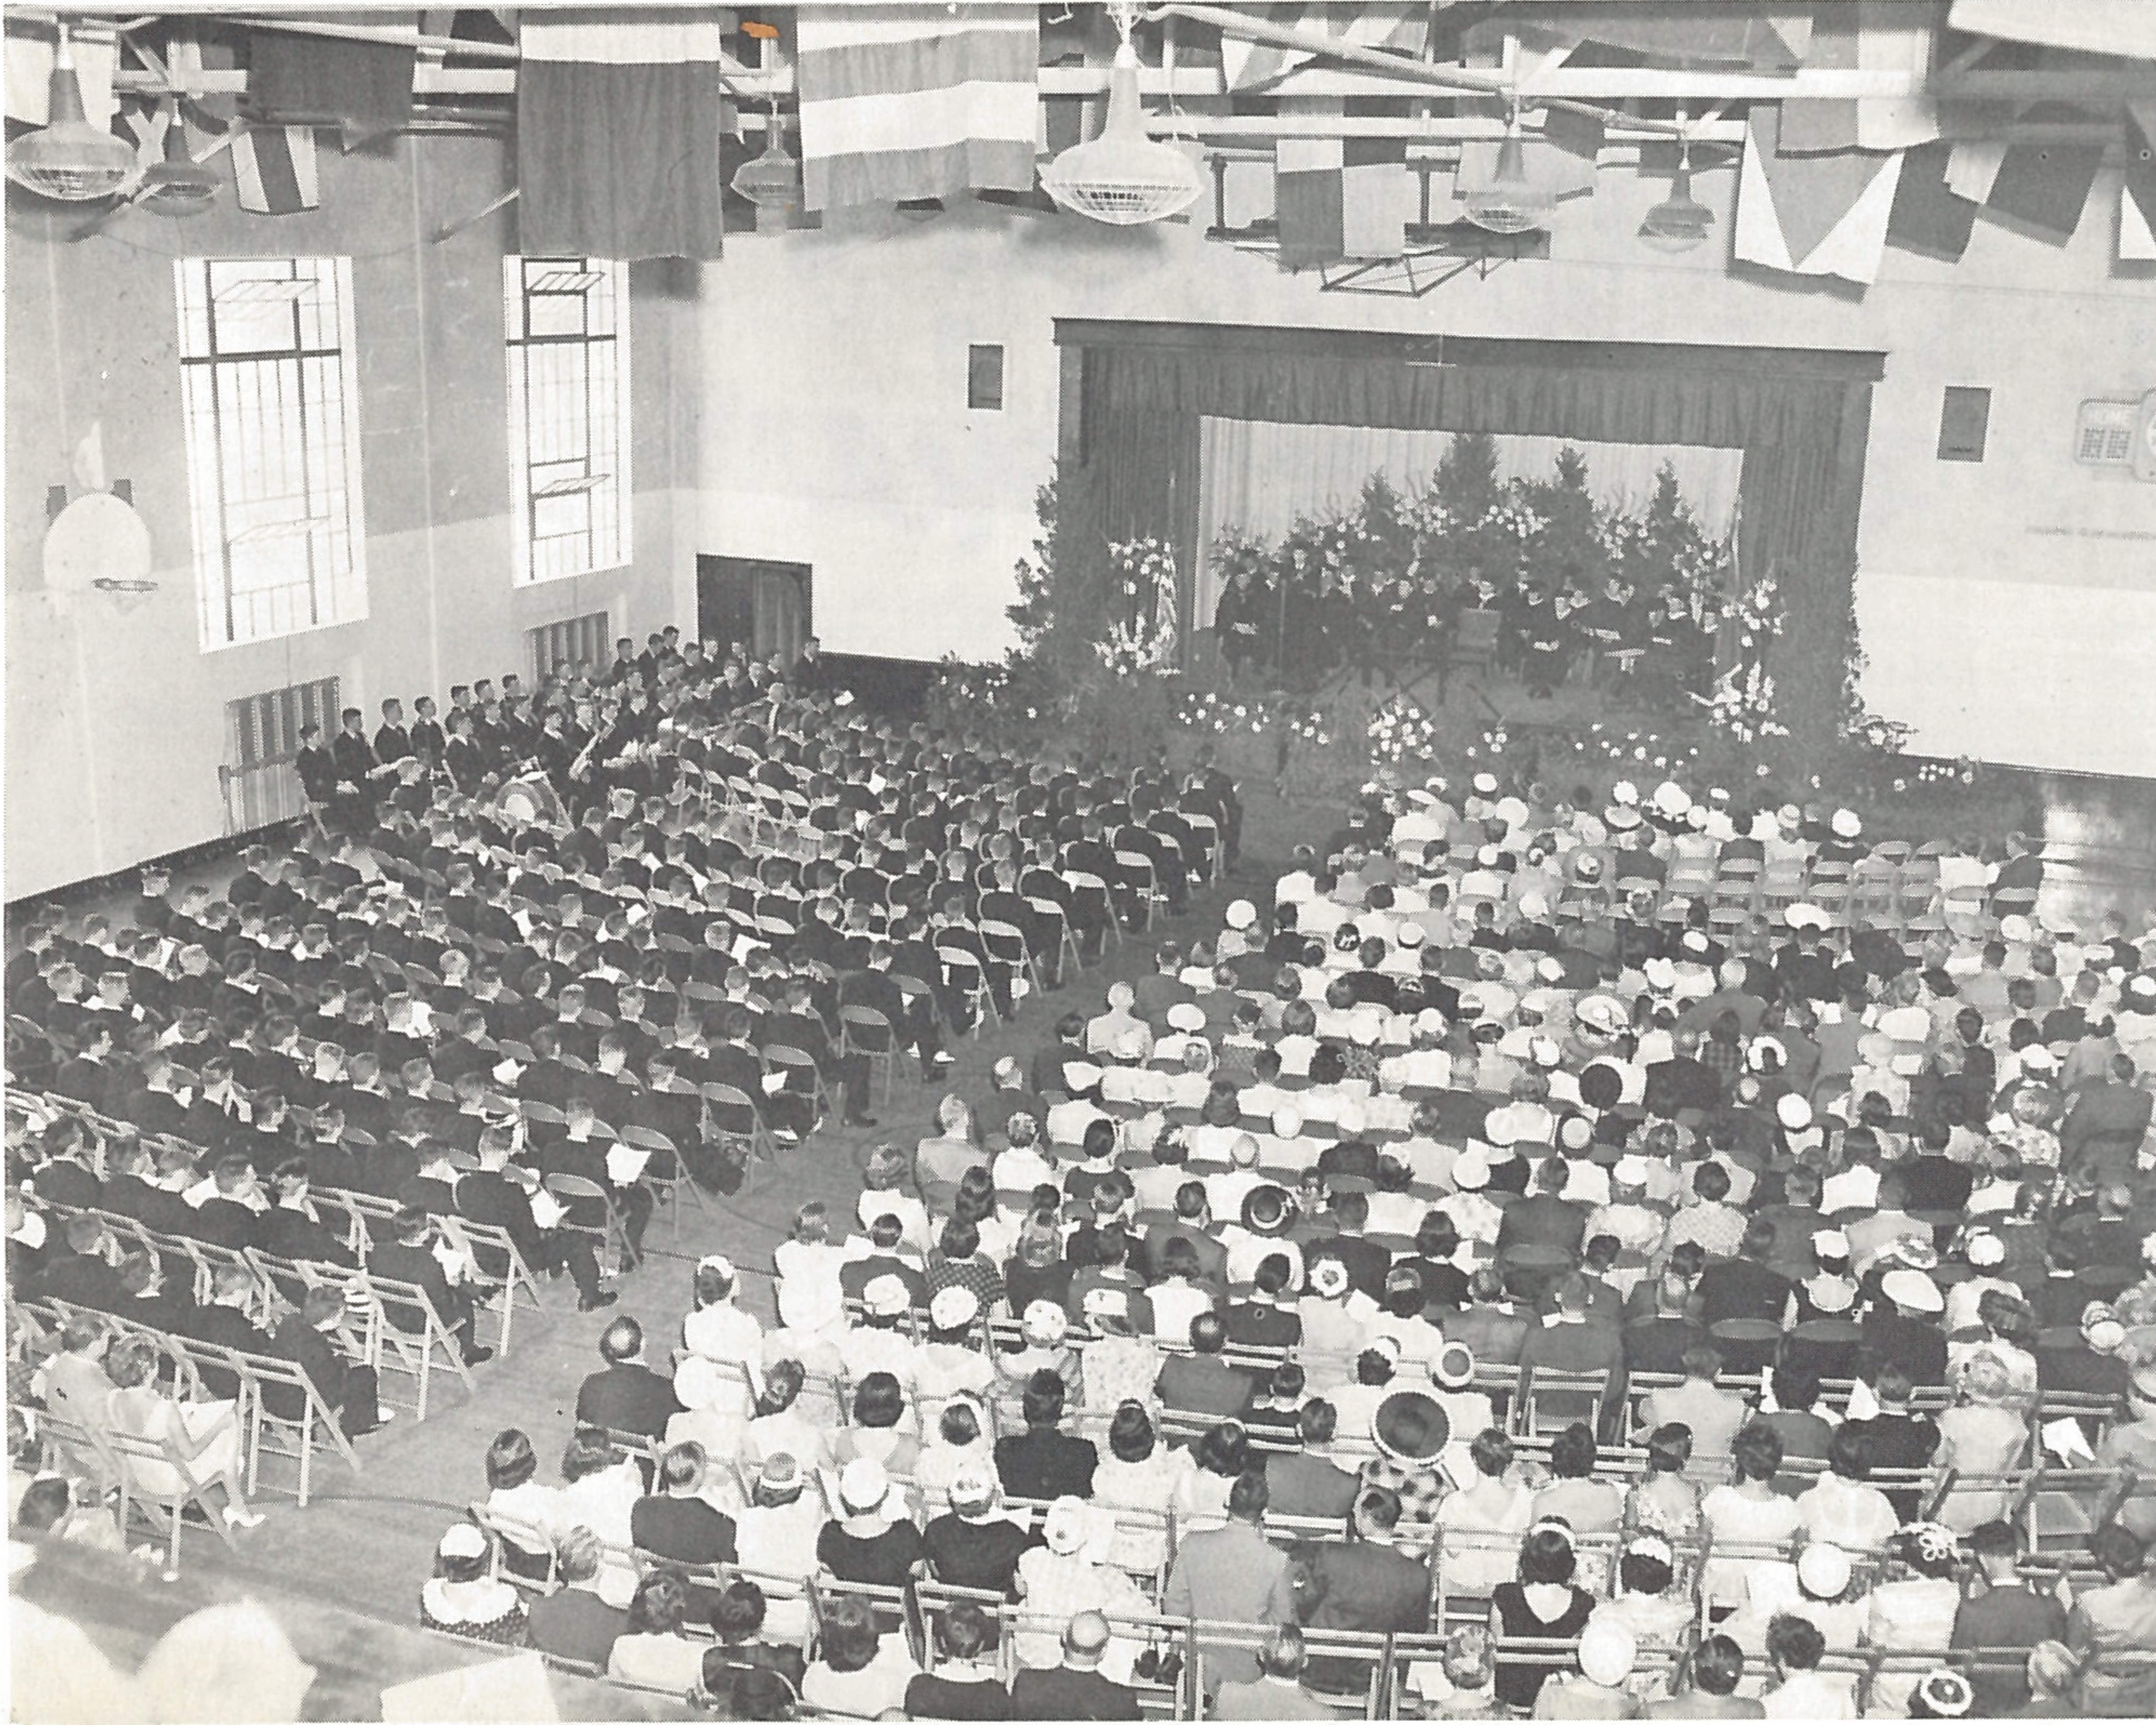

Final sailing races were held Friday afternoon, followed by the annual June Ball that evening, with Buddy Morrow and his "Night Train" orchestra furnishing the music.

The final Inter-Company infantry drill competition began at 0900 the following morning, with Marine officers from Lakehurst N.A.S. serving as judges. Rear Admiral Frederick L. Hetter, SC, USN, commanding officer of the U. S. Naval Supply Depot, Bayonne, N. J., reviewed the Corps and presented Naval Department certificates to Cadets who completed three years of naval science study.

The final parade of the school year and the presentation of a number of non-academic awards was called at 4:15 that same day. Sponsors of the Cadet Commissioned officers reviewed the Battalion.

A reception for graduates and their parents and guests was held in Farragut Hall after the parade. Captain and Mrs. Dodge were hosts.

The Baccalaureate service was held that evening in Robison Hall.

GRADUATION SCENE — Robison Hall was once again the scene of the 26th commencement exercises. Program was held on Sunday morning, June 7th. 74 first classmen and post graduates received their diplomas, while 14 members of the Junior School were graduated into the Senior School.

1958-59 School Year Passes In Review

When the Academy opened for the Winter session in late September of 1958, the returning Cadets noticed quite a few significant changes on the campus. They found that Robison Hall had been improved by shelters built around the doors; Clark Hall had been repainted and re-

improved and enlarged. They found that Jim Bradley, last year's Third Company Commander, backed up by his staff of Harry Humphries, Dave Cook, Joe Lucarelli, Jim Bower, and Ernie Hegi. Staff and Faculty members had been added: Mr. Nathan Hagner was acting head of the History Department; teaching under him was Mr. Theodore Stinner, who could handle a hot wrestling team as well as a text-book; Mr. J. L. Montgomery was added to the science staff as a Chemistry teacher; and Mr. Thomas Burke taught History and acted as Drill Assistant to Captain Crosley. To the Junior School staff were added Mr. Robert Lankford, Mr. John Keegan, and Mr. Andrew Strang.

Varsity Football

As football season got under way, the Varsity recovered from a Penn Charter loss to whip Blair 24-0. The second setback of the season came when the Big Blues were defeated by Peddie 13-6, after a rough-and-tumble game in which Don Davis, end and back, was carried off the field. The Middies regained their winning streak, however, when they trounced Pingry 27-0 on the Alumni Homecoming Day. On November 1, the Varsity traveled

one of the strongest teams in the East. Despite two touchdowns, both made by Fred Lafferty, Lawrenceville went on to win 41-14.

Dances

As the time neared for Christmas Leave, the Cadets enjoyed two of the school's to Pennington and won its third win, 46-6, Farragut's last game was played against mid-year highlights: the Christmas Formal Dance and the Christmas Concert. The

chestra, who has been enjoyed by the corps, staff, and faculty officers at many of the other dances. From the ceiling there were strung red, white, and blue streamers, setting off the fifteen-foot Christmas tree in the center of the dance floor.

The Christmas Program was presented in Robison Hall to a large number of Cadets and parents. Featured in the show were the Academy Concert Band, the Senior Glee Club, the Dance Band, and a pageant presented by the Dramatics Club, under the direction of Mr. James Drummond, depicting the Nativity. The program ended with the usual rendition of "Adeste Sideles" by the combined musical organizations.

Winter Sports

As Winter chilled the grounds, the focal point of athletic competition centered in Robison Hall. Upstairs, the basketball team met its first opponents of the year, Stevens Academy, and dropped a 93-92 heartbreaker despite Dave Robinson's 42 points. In the first home game, the hoopmen whipped Bordentown 63-57. Despite a lead going into the last period, however, Farragut lost to Lawrenceville 50-48. For the second home game of the season, the

Middies played host to St. Benedict's, a 10-0 team, who rounded off their record by defeating Farragut 65-37. The Middies then defeated Peddie and Pennington, to bring the total tally up to three won, three lost. Farragut made it three in a row by beating Blair 55-45. The court men walloped George School in a roaring 74-45 victory. In the last game of the season, the Middies edged in over Hill 46-40, to give a grand tally of 6-3.

Down on the mats, Coach Stinner's

grapplers posted a 5-5 season by defeating Bordentown, Hun, and George School, after a 37-6 defeat by Peddie. The third loss of the year was at the hands of a very strong St. Benedict's squad. Pennington came to challenge Farragut, but only added another victory to Farragut's season. On February 18, the grapplers defeated Pingry for the last home match of the season, only to go on to defeat at the hands of Lawrenceville.

It took the State tournament, however, to show the Farragut grapplers' true worth. Dick Feliciano defeated his first two opponents and came out with a third place. Dave Cook became State Champ in his division and was voted the best wrestler in the tournament. Al Naef took a third, and Jim Bower was right alongside Dave Cook with top honors. Dave Reimers also became a State Champ in the 167 pound class. Altogether, the Middies scored thirty-eight team points and became the second place wrestling team in the state, second only to powerful St. Benedict's.

On the eve of Spring Leave, the Corp was presented with the annual Spring Concert. The Concert Band opened the program, followed by the Junior Glee Club, with a number of sea chanties. The concert continued with the popular Dance

Band and Cadet Glee Club, featuring Cadets Horne, Robinson, Corbett, and Cook in a barbershop quartet. As a finale, the combined musical organization presented highlights from the Broadway hit, "The Music Man".

Lewis Death

Upon their return from Leave, the Cadet Corps was saddened by the news of the passing of LCDR Cedric Lewis, head of the Mathematics Department. Mr. Lewis came to Farragut in 1935, and had devoted 44 years to teaching. As Captain Dodge wrote: "... he became as enduring a part of Farragut as Farragut itself."

In the Spring sports, the Farragut Track team swamped Pingry 69-39, and went on to defeat the Hofstra freshman at a tri-meet between Farragut, Columbia, and Hofstra. At the State tournament, the Middies finished fourth. The moundmen wound up a discouraging season with a record of two wins and six losses. The Slabymen went to defeat at the hands of George School, B.M.I., Valley Forge, Peddie, St. Benedict's, and Pennington. The team went into action only against Hun and West Nottingham, both of which were soundly defeated. A pingry game was rained out as Farragut led 1-0.

June Week

After a year which seemed to have flown by, June Week came. On May 30, Farragut marched in the annual Toms River Memorial Day Parade. June 2 saw the start of Final Exams, which ended Friday morning, June 5. That afternoon saw the final sailing races. Friday evening was the start of the much-anticipated June Ball. Featured was Buddy Morrow, one of the few Band leaders invited to Farragut for a second time. The gym floor was decorated on the theme of "Springtime in Paris". Saturday, June 6, was a busy day for AFA Cadets. At 0900, the Intercompany Infantry Drill Competition was held, won by the First Company, led by Lieutenant Borgen. At 1115 was the Final Review. That afternoon the colors were presented to the First Company at an elaborate ceremony during the Final Parade. On Sunday were the Graduation Exercises and the Final Formation, at which the flag was hauled down and the Corps of '58-59 was dismissed.

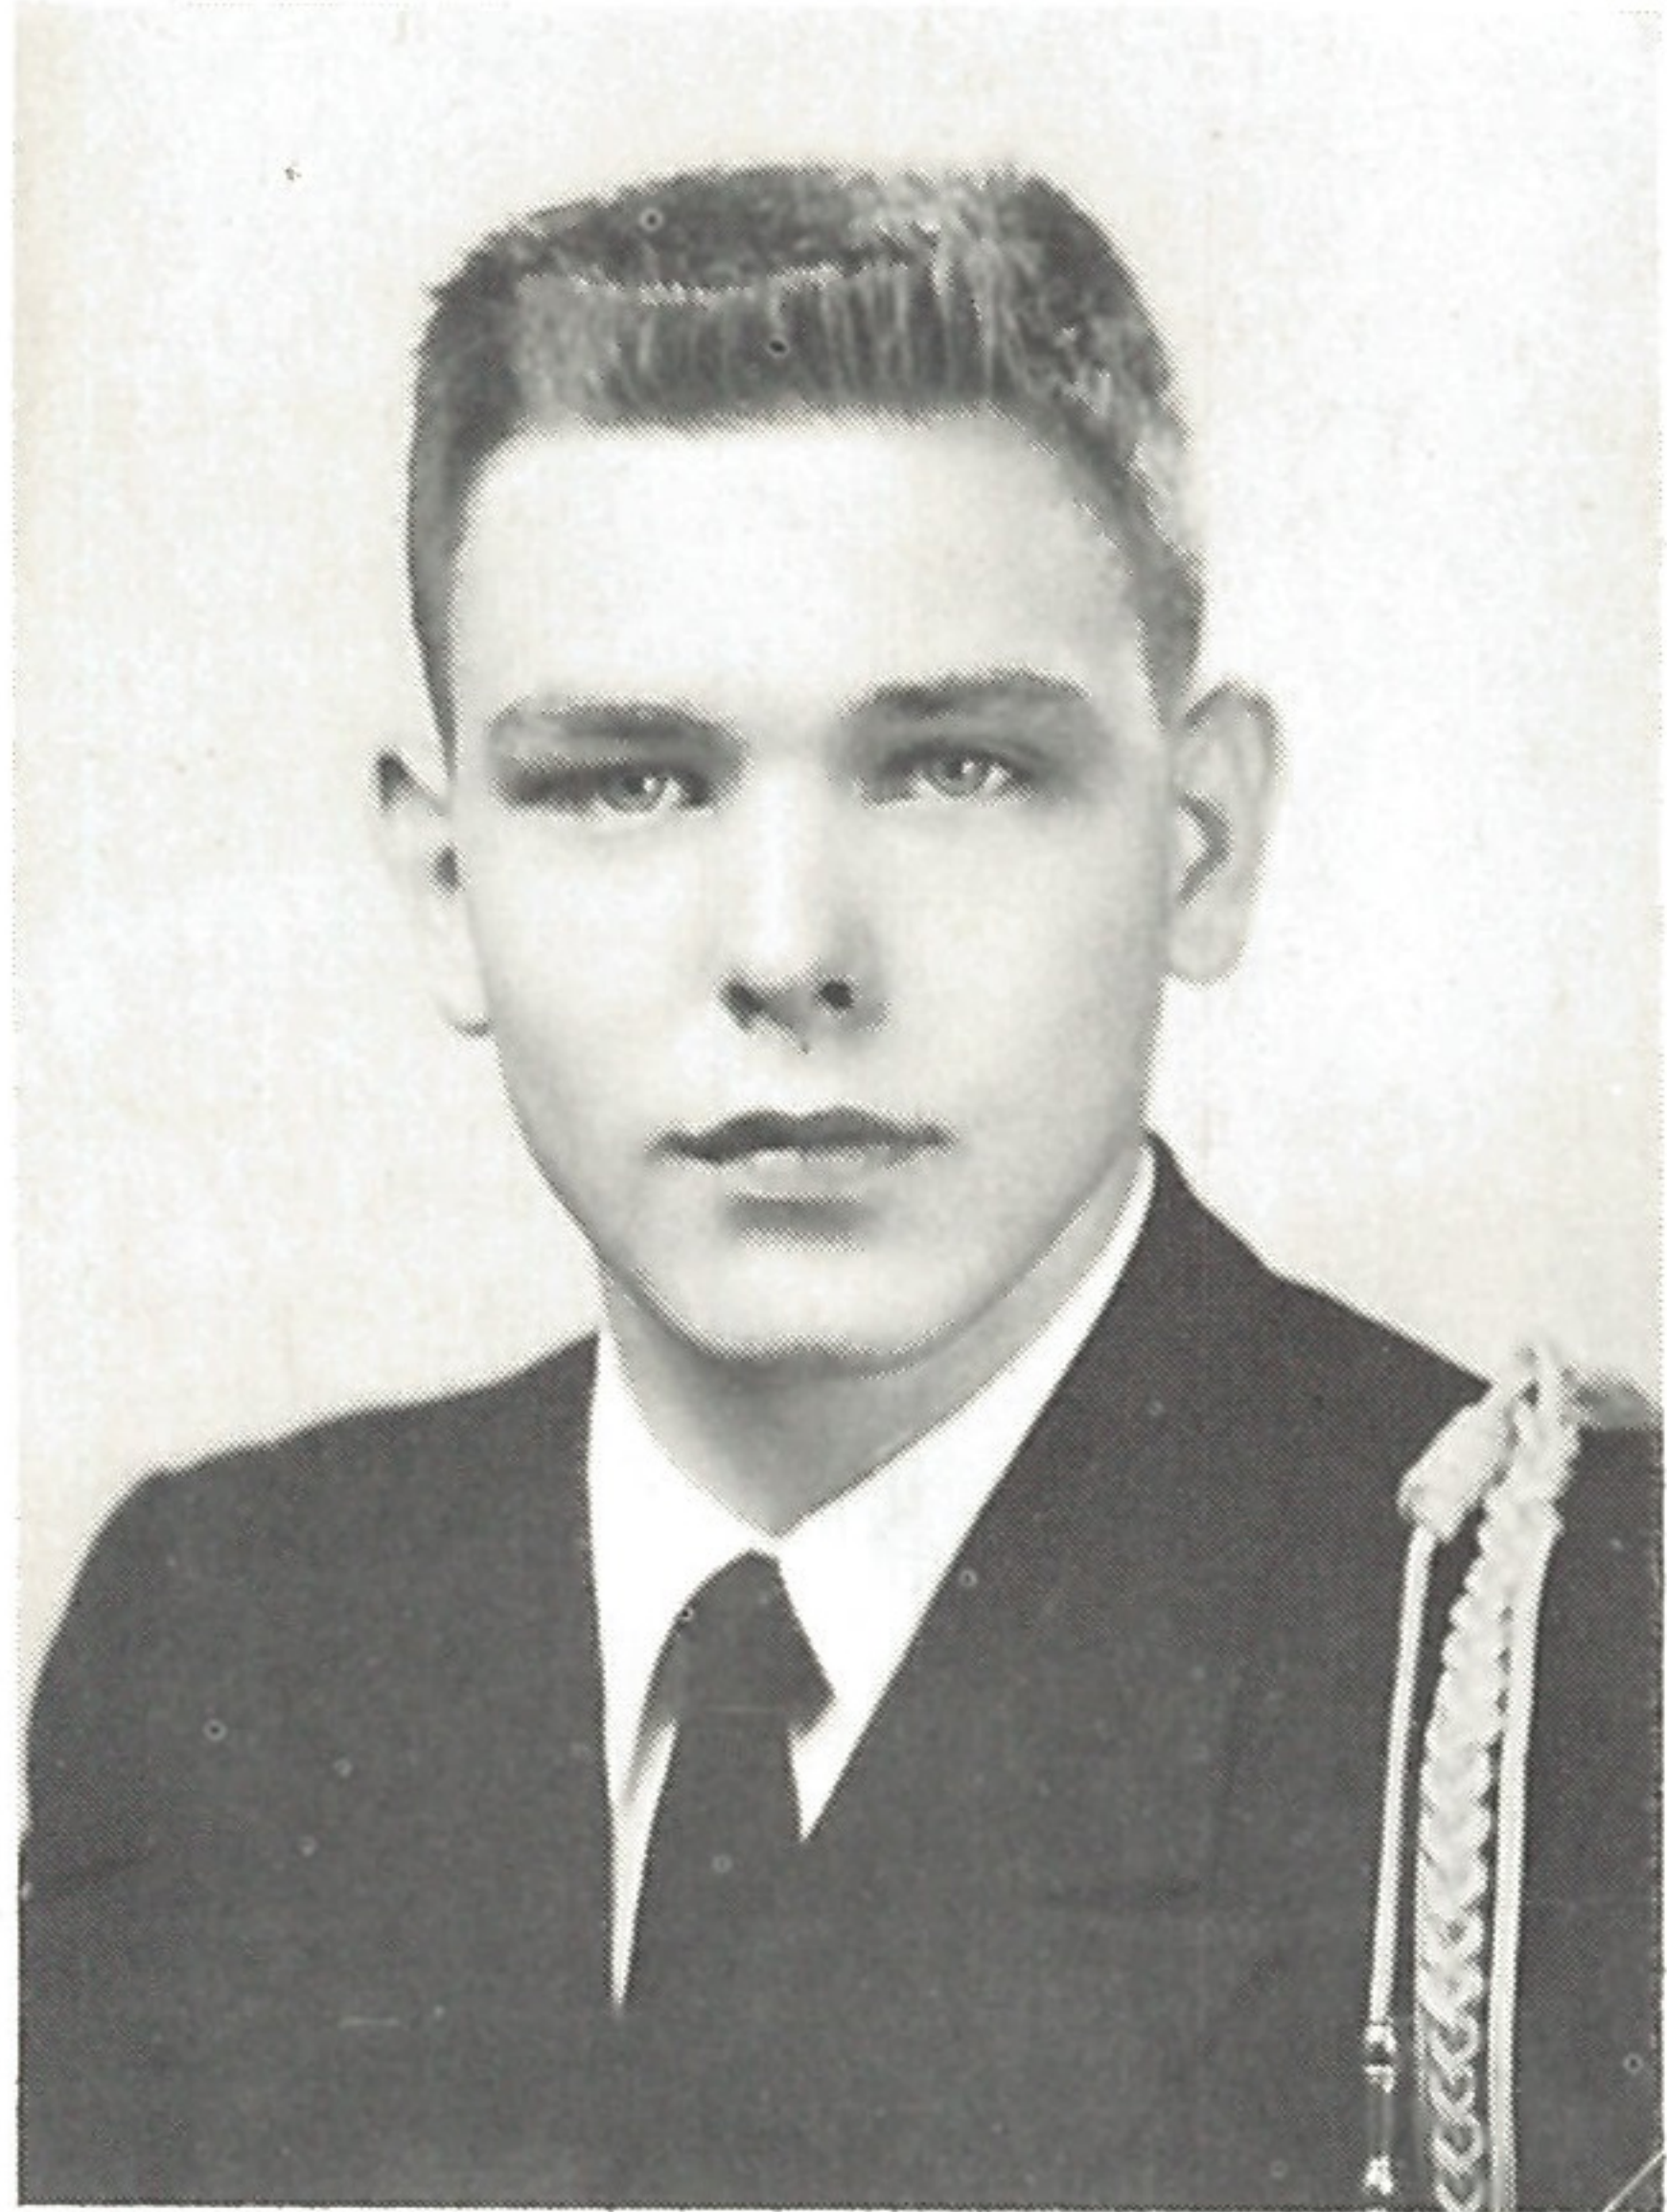

Corps Participated In Memorial Parade

The Farragut Corps of Cadets participated once again this year in the annual Toms River Memorial Day parade. At 0800 on Saturday, May 30, the Corps formed on the parade grounds and was transported to Toms River; the 1st Company, as Honor Company, went by boat, while the other line Companies and Band went by bus.

The Battalion reformed at the South Toms River Park and proceeded to march to a point behind the Toms River High School, where they were joined by local Boy Scouts, American Legionnaires, etc. Under the command of the local American Legion Adjutant, the entire parade proceeded to the cemetery, where Taps was blown over the graves.

The Corps then marched back into town and formed on line before the Town Hall. The American Legion conducted its Memorial Day Services over the Commemorative Grave on the Town Hall lawn. This ceremony began with the Invocation by the American Legion Chaplain, followed by a speech using Lincoln's Gettysburg Address as a basis for comparing the values of his words with the necessities of our times. A Boy Scout placed a wreath on the grave, and a salute was fired by National Guardsmen. The Chaplain recited the Benediction and the Corps marched back to its point of departure.

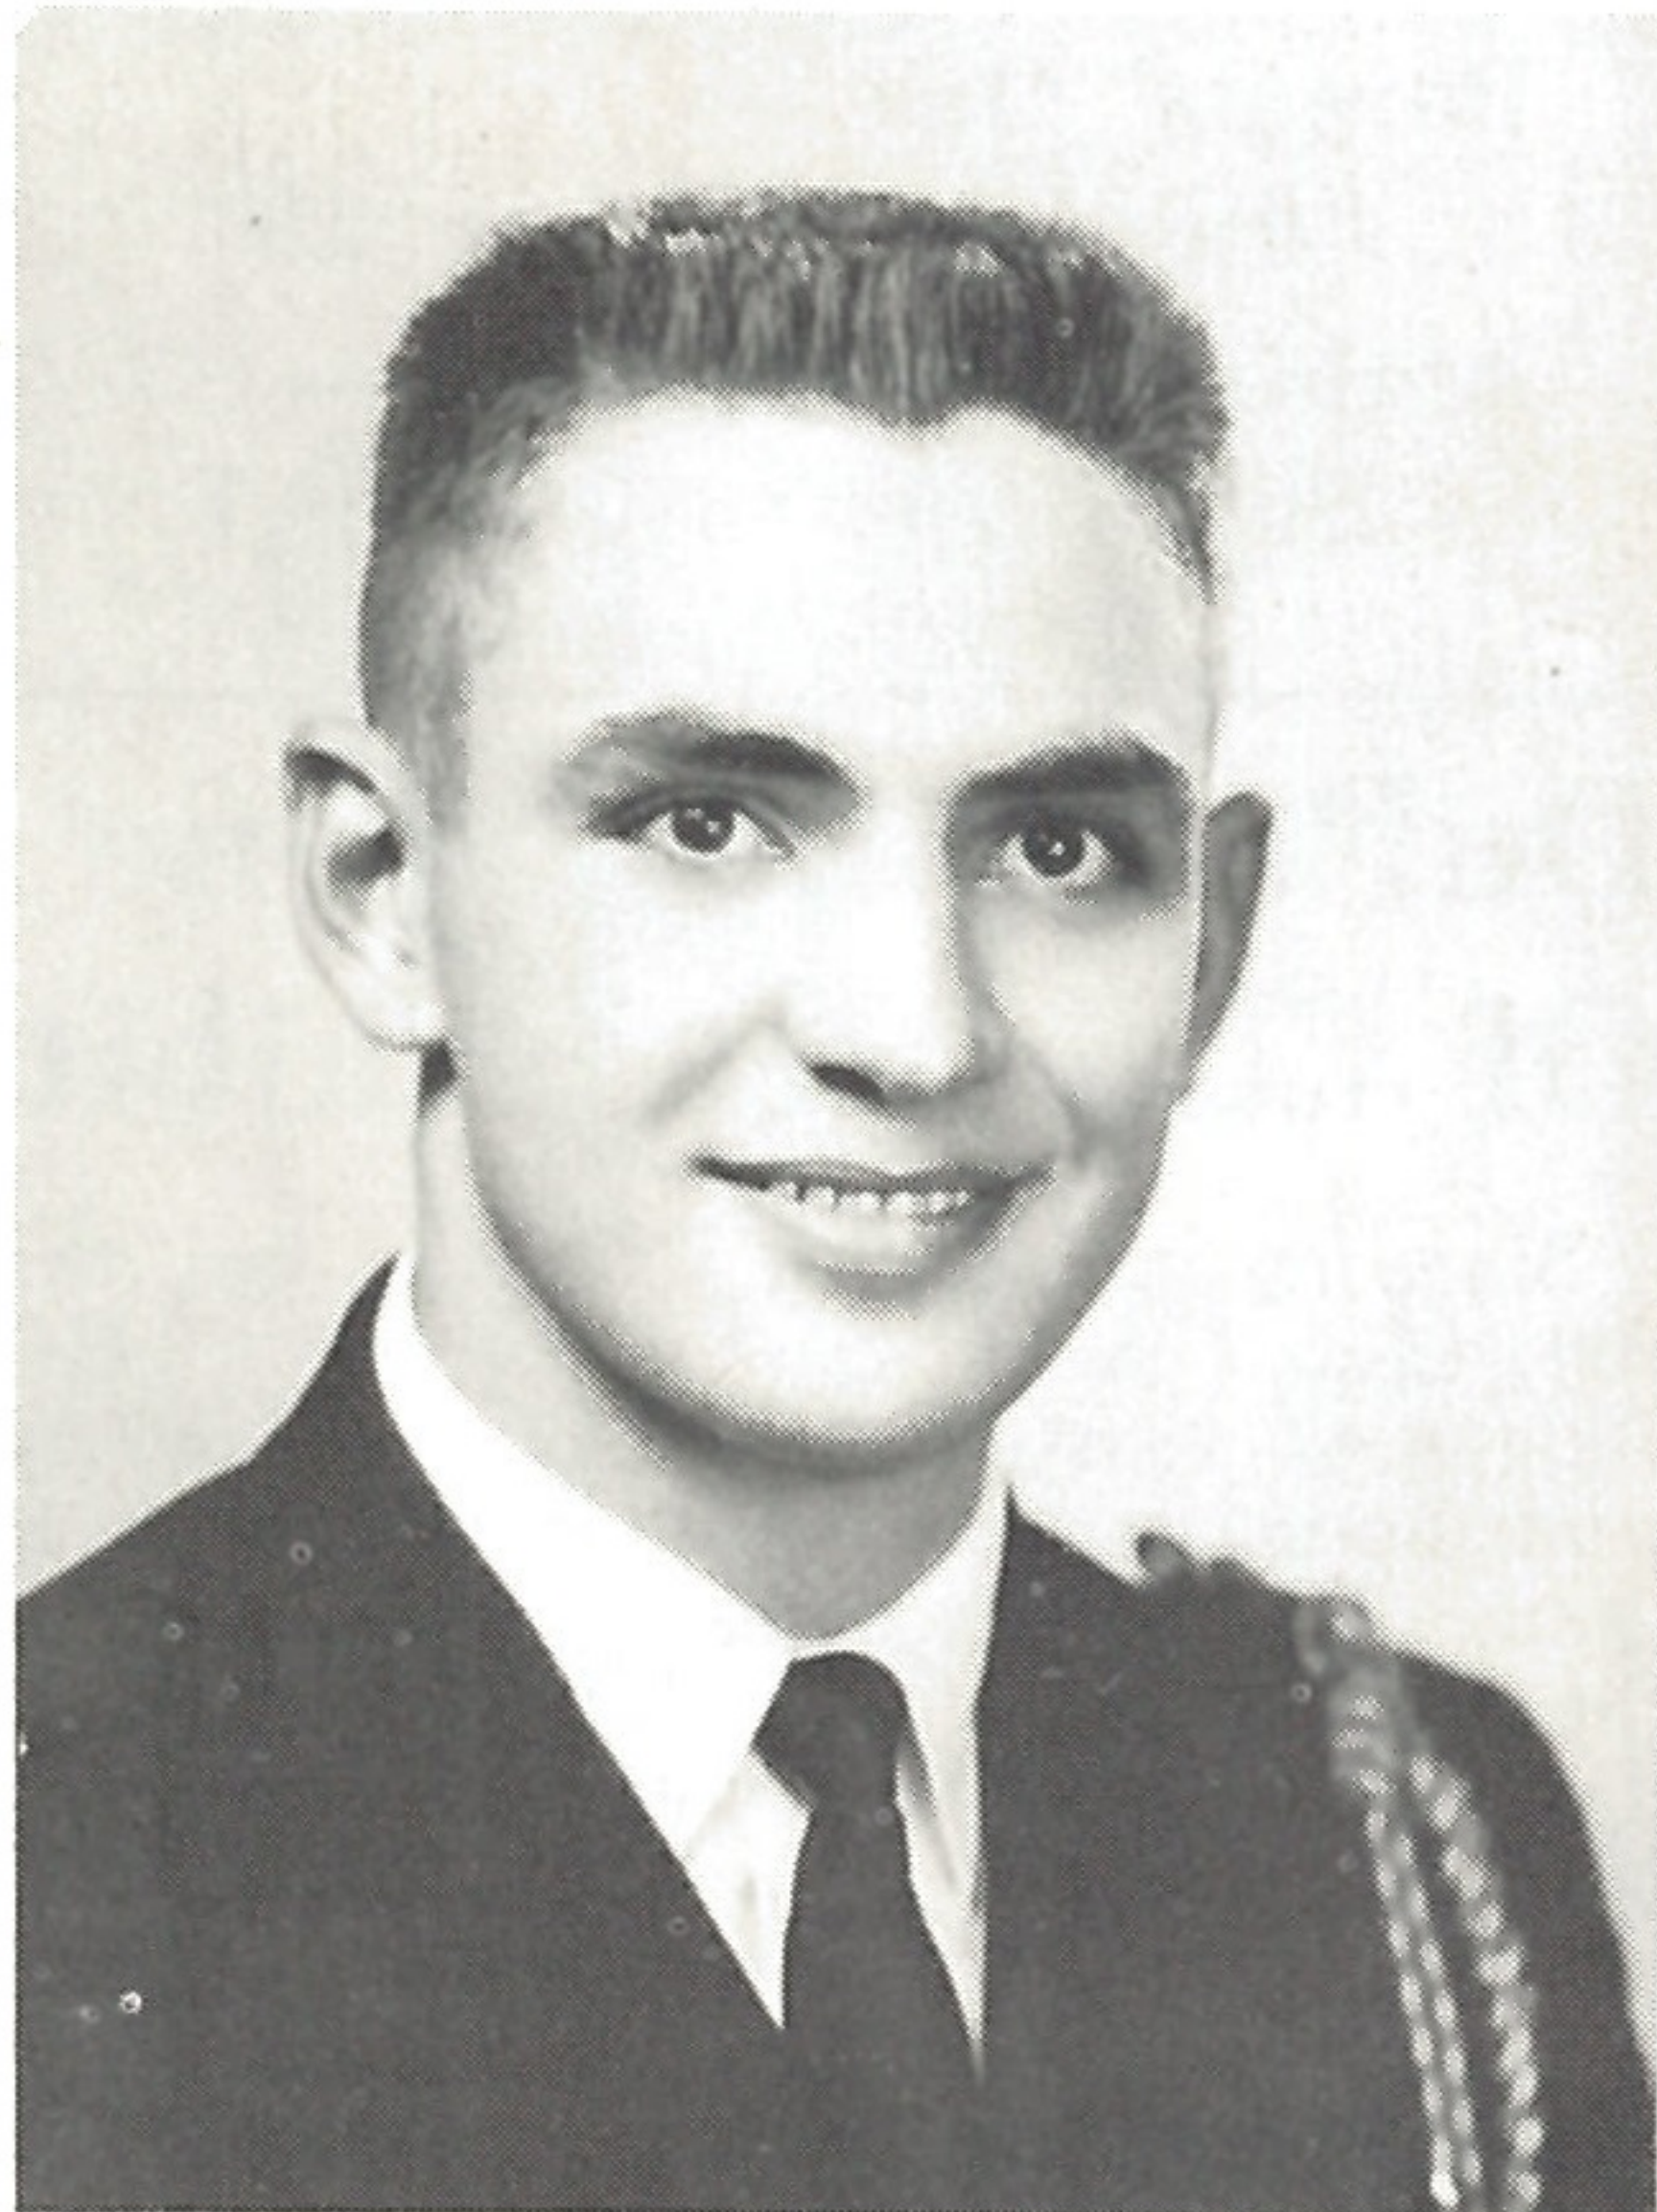

A SALUTE TO THE VALEDICTORIAN AND SALUTATORIAN

D. A. Brandely

David Arthur Brandley entered A.F.A. in September of 1957 as a plebe in the First Company. He was born on October 16, 1941, in Brooklyn, N. Y. and now resides in Richmond Hill, N. Y. In his two years at Farragut, he has been in the Color Guard for the First Company, managing editor of the Capstan, Hop Committee, Music Appreciation, Math Club, Cotillion Club, J.V. basketball, and inter-company sports.

After graduation from Farragut, Dave will attend M.I.T. and study electrical engineering. Scholastically, Dave has been tops in both his years at Farragut. As a Junior he won the Headmaster's Award for being first in his class, and also several Faculty Awards. It isn't hard to see that he has gone far at Farragut, and we wish him continued success at college.

M. A. Pero

Michael A. Pero, Jr. was born on July 12, 1941, in Somerville, N. J., and still resides there. He entered Farragut at the age of 14 in 1955 as a freshman plebe. Mike has set a fine record at Farragut in his four years. As a sophomore, he was a 3/P.O., a 1/P.O. as a Junior, and this year he has attained the rank of Ensign as Band Company Exec.

Scholastically, Mike has always been in the top 5% of his class. He has won several Faculty Awards throughout the years, and this year his outstanding scholarship has won him the title of Salutatorian for the Class of 1959. Mike plans to attend the Naval Academy, and possibly to make the Navy his career.

In activities he has been one of Farragut's most outstanding cadets. Besides lettering in three sports, he is a member of the band, class vice-president, Glee Club, Dance Band, Capstan editor-in-chief, Trident staff, Monogram Club, and Hop Committee, to name a few. It is easy to see what a well-rounded individual Mike is, and we would all like to wish him the best as he leaves Farragut.

Outstanding Drill By Fourth Company

For the last several years, the Fourth Company has carried on a tradition of holding an Exhibition Drill at the end of each school year. These drills are always very well done and are looked forward to by both parents and Cadets.

This year the drill was held during the Sunday Parade on May 31. The Fourth Company marched on the field in four squads, led by Lt. (jg) Barney Hauptfuhrer. For the next twelve minutes, fifteen intricate maneuvers were performed, the first being the traditional "4 Formation." Other maneuvers included Blackout, Figure 8, Concentric Circles, Russian Flower, Squads to the Rear, Change Squads, and several others. The last, and perhaps the most confusing to watch, was called Personnel In Confusion. This exercise consisted of each Cadet's doing a series of flanks and double-to-the-rear's independently.

Explaining the purpose of the maneuvers, to the parents and friends watching the exhibition, was the Executive Officer, Ensign Ira S. Meiselman. Altogether, there were 43 different commands in the entire display. All of these commands were given by whistle without any verbal preparatory commands. This alone is an accomplishment in itself.

TWO AWARDS — Cadet Dave Brandely is being congratulated by CAPT Dodge for winning both the Bausch & Lomb (for science) and the Belfour Awards (for the first classman outstanding in scholarship, character, and achievement) during presentation program at the final parade.

Corps Impresses RADM C. R. Wells

"The parade, formations and drill team were at their best. I can truly state that I have never seen better at an ROTC institution. It was a treat and a pleasure for me to have the honor of reviewing their military achievements. You can be very proud!"

"I was much impressed with Captain Crosley and think you are most fortunate in having such a distinguished naval officer to head up your Naval ROTC activities. He is so able, and modestly shows his Naval Academy training and years of distinguished service in the regular Navy."

"To you, your staff, and the Cadets I can only give the highest naval compliment—WELL DONE!"

C. Raymond Wells
REAR ADMIRAL (DC)
USNR, Ret.

(The above statements were taken from a letter addressed to Captain R. O. Dodge, Headmaster.)

LCDR Elms Tells Of Language Teaching

It all started with a speech made in 1953 by Earl James McGrath, U. S. Commissioner of Education. The purpose of the address was to give "a shot in the arm" to foreign language teaching in this country. "We must do more about language instruction and we must stress language as communication," Commissioner McGrath stated.

Immediate outgrowths of the speech were noted. A movement called FLES (Foreign Languages for Elementary Schools) began to spread in numerous sections of the country. Spanish, French, German, and sometimes even Latin, began to be introduced in the lower grades of numerous public school systems. It was rather remarkable how public enthusiasm for the innovation grew. The main difficulty seemed to be in securing a supply of competent teachers.

Other aspects of the changed attitude were the newer types of textbooks, stressing the oral side of language learning and, even more spectacular, the wide use of electrical equipment, oral and aural. It is true that the American loves gadgets. Some old-fashioned instructors opposed this tendency, but the consensus of opinion seems to be that the new devices are here to stay. We must merely insure that the equipment is correctly and efficiently employed.

Farragut is conforming to the modern methods. Lcdr. Elms has been using the phonograph for several years and we have a fine collection of foreign language records. Conversation will continue to absorb more of our attention. Language clubs have been organized and there are plans for improving them in the near future.

Everyone considered this to be a fine example of precision drilling, and many of the old-timers expressed the opinion that it was the best exhibition drill the "Fourth" had ever put on.

'59 Class College Choices

Thirty-eight colleges have been selected for matriculation this September by the Class of 1959. Colleges having more than one Farragut applicant are Maine Maritime Academy, N. Y. Maritime Academy, Rutgers, M.I.T., Michigan State, U. of N. C., Fairleigh-Dickinson, Lehigh, Delaware, U. of Miami, U.S.N.A., Pennsylvania, Northwestern, Lafayette, Pittsburgh, Ohio State and Lycoming. Three '59-ers are returning for a P.G. course, while four are undecided.

26th Summer Camp Opened on July 6th

Almost as soon as the 1958-59 Corps of Cadets leaves Farragut for the summer, another corps arrives. The Summer Camp program began this year on July 6 and ends on August 23.

The summer campers are organized into three groups, starting with the "Beavers" (8 to 10 years), "Dolphins" (11 to 13 years), and the "Naval Cadets" (14 to 17 years). The programs of these groups are organized separately in order to insure the best arrangement of activities for the age group concerned. Academic instruction by the regular winter school staff is also available for campers who desire it.

Campers at Farragut enjoy all the facilities available to the winter school and also a great deal more. These include all waterfront activities and fishing trips on board the Academy flagship. The athletic program includes baseball, football, soccer, boxing, riflery, and general instruction in the rudiments of all sports. Frequent trips are made to Seaside Heights and other points of interest. The evenings at camp are planned with movies, lectures, and even dances with a nearby girls' camp.

The staff of the Summer Camp is essentially the same as that of the winter school with many of the instructors serving as counselors or members of the summer faculty.

COLOR GIRL — Miss Gail Grover, Brielle, N. J., pins rosette on First Company guidon at the final parade of the school year, as Cadet Company Commander, Harvey Borgen '59 looks on happily. First company copped the colors the previous year also.

Borough Event Scheduled Here

The Academy was once again the scene for the Borough of Pine Beach July 4th celebration, as all activities and events were centered around the football field and stands.

Speeches, races, games and other events were staged at the field by a committee representing the Borough, the Yacht Club, and the Fire Company.

Traditional June Week

Each year for the twenty-six years that the Academy has been in existence, the last three or four days of the school year are set aside for a period known as June Week.

No period in the School's entire schedule can compare with the excitement, the pomp, the thrills, and the many varied facets of this happiest of all happy times.

While it is easily understood why Cadets enjoy the parades, sailing events, award presentations, outstanding guests and visitors, and the June Ball, a casual glance will clearly show how much this means to the parents, relatives, and friends who attended each of the scheduled activities.

Down through the years, indeed, from its very inception, June Week has become as much a part of Farragut as the campus, the buildings, the Toms River and everything else that goes into the making of a school. Nothing else leaves more of an impact on those present during this time of the year, than this wonderful, wonderful thing we call June Week!

The Farragut Family

Since the advent of the twenty-fifth anniversary year (1957-58), a growing awareness of belonging to the Farragut Family has been in evidence. Determined efforts on the part of the Alumni and Parents Associations to do everything possible to help the Academy is a matter of record. Belonging to the "Family" means more each day as the School continues to grow in stature and educational attainment.

Last year, through the efforts of the Parents' Association, a drive to raise funds for the construction of a Cadet Activities Building got under way. Present and Past Parents, and Alumni have pledged about \$60,000 thus far. The Parents' Association is presently engaged in a car raffle which stands to net them \$10,000 if they can sell all 300 tickets. The raffle is for a 1959 Cadillac worth \$5348.75. Tickets are \$50 each, with the drawing to be held on November 7th, Alumni Homecoming Day.

At its Fall meeting in 1958 the Parents' Association transferred \$2500 of its funds to the proposed building in an effort to boost the building program.

The Alumni Association followed suit by donating \$1,000 to the Activities Building at last year's Homecoming Day meeting. In addition the Graduate organization also added another \$1000 to its Student Aid Fund. This year, it has had a six-pronged program that will help (1) the Alumni Office operation, (2) the Alumni Student Aid Fund, (3) the Cadet Activities Building, (4) the Alumni Library Shelf, (5) four Cadet Awards, and (6) the Headmaster's Discretionary Fund.

Great schools have become great mostly through the support they have received from their alumni, their parents, and their friends. The Academy is fortunate to have such a large number of friends as it has who are interested in making progress together.

ACADEMY WINS NAVY DEPARTMENT PRAISE

Captain Leslie Somers Robinson, USN, chief inspector at the annual inspection of naval honor schools, made the following report to the Chief of Naval Personnel:

"The administration of the Corps of Cadets is considered to be outstanding. The military discipline, cleanliness of the quarters and high state of morale evidence that fact that the Head of Dept. of Naval Instruction, Captain P. C. Crosley, LSN, (Ret.) and his staff are most energetic and thorough in their presentation of the Naval Science curriculum. The appearance and performance of the Band and the Corps of Cadets could well be considered the equal of special drill units of the regular Armed Forces. The sailing race evidenced a high quality of instruction and drill in the elementary principles of seamanship. The Headmaster, Captain R. O. Dodge, and his faculty were most cooperative during the inspection and cooperated fully with Captain Crosley in the prosecution of the Naval Science Program."

1959 FALL MEETING DATES

Parents' Day —

Sunday, October 25

Alumni Homecoming —

Saturday, November 7

DuPont Hall Scene Of Club Art Exhibit

Since its initial start six years ago, the Art Club, under the direction of Mr. Dayton O. Newton, has been continuously contributing to the Academy's cultural program. The Club's latest efforts were in the form of an art exhibit that was on display in the lobby of DuPont Hall from May 22 until the end of the year. These pictures, mostly pencil and charcoal drawings, were picked as the outstanding sketches done by the club's members this year.

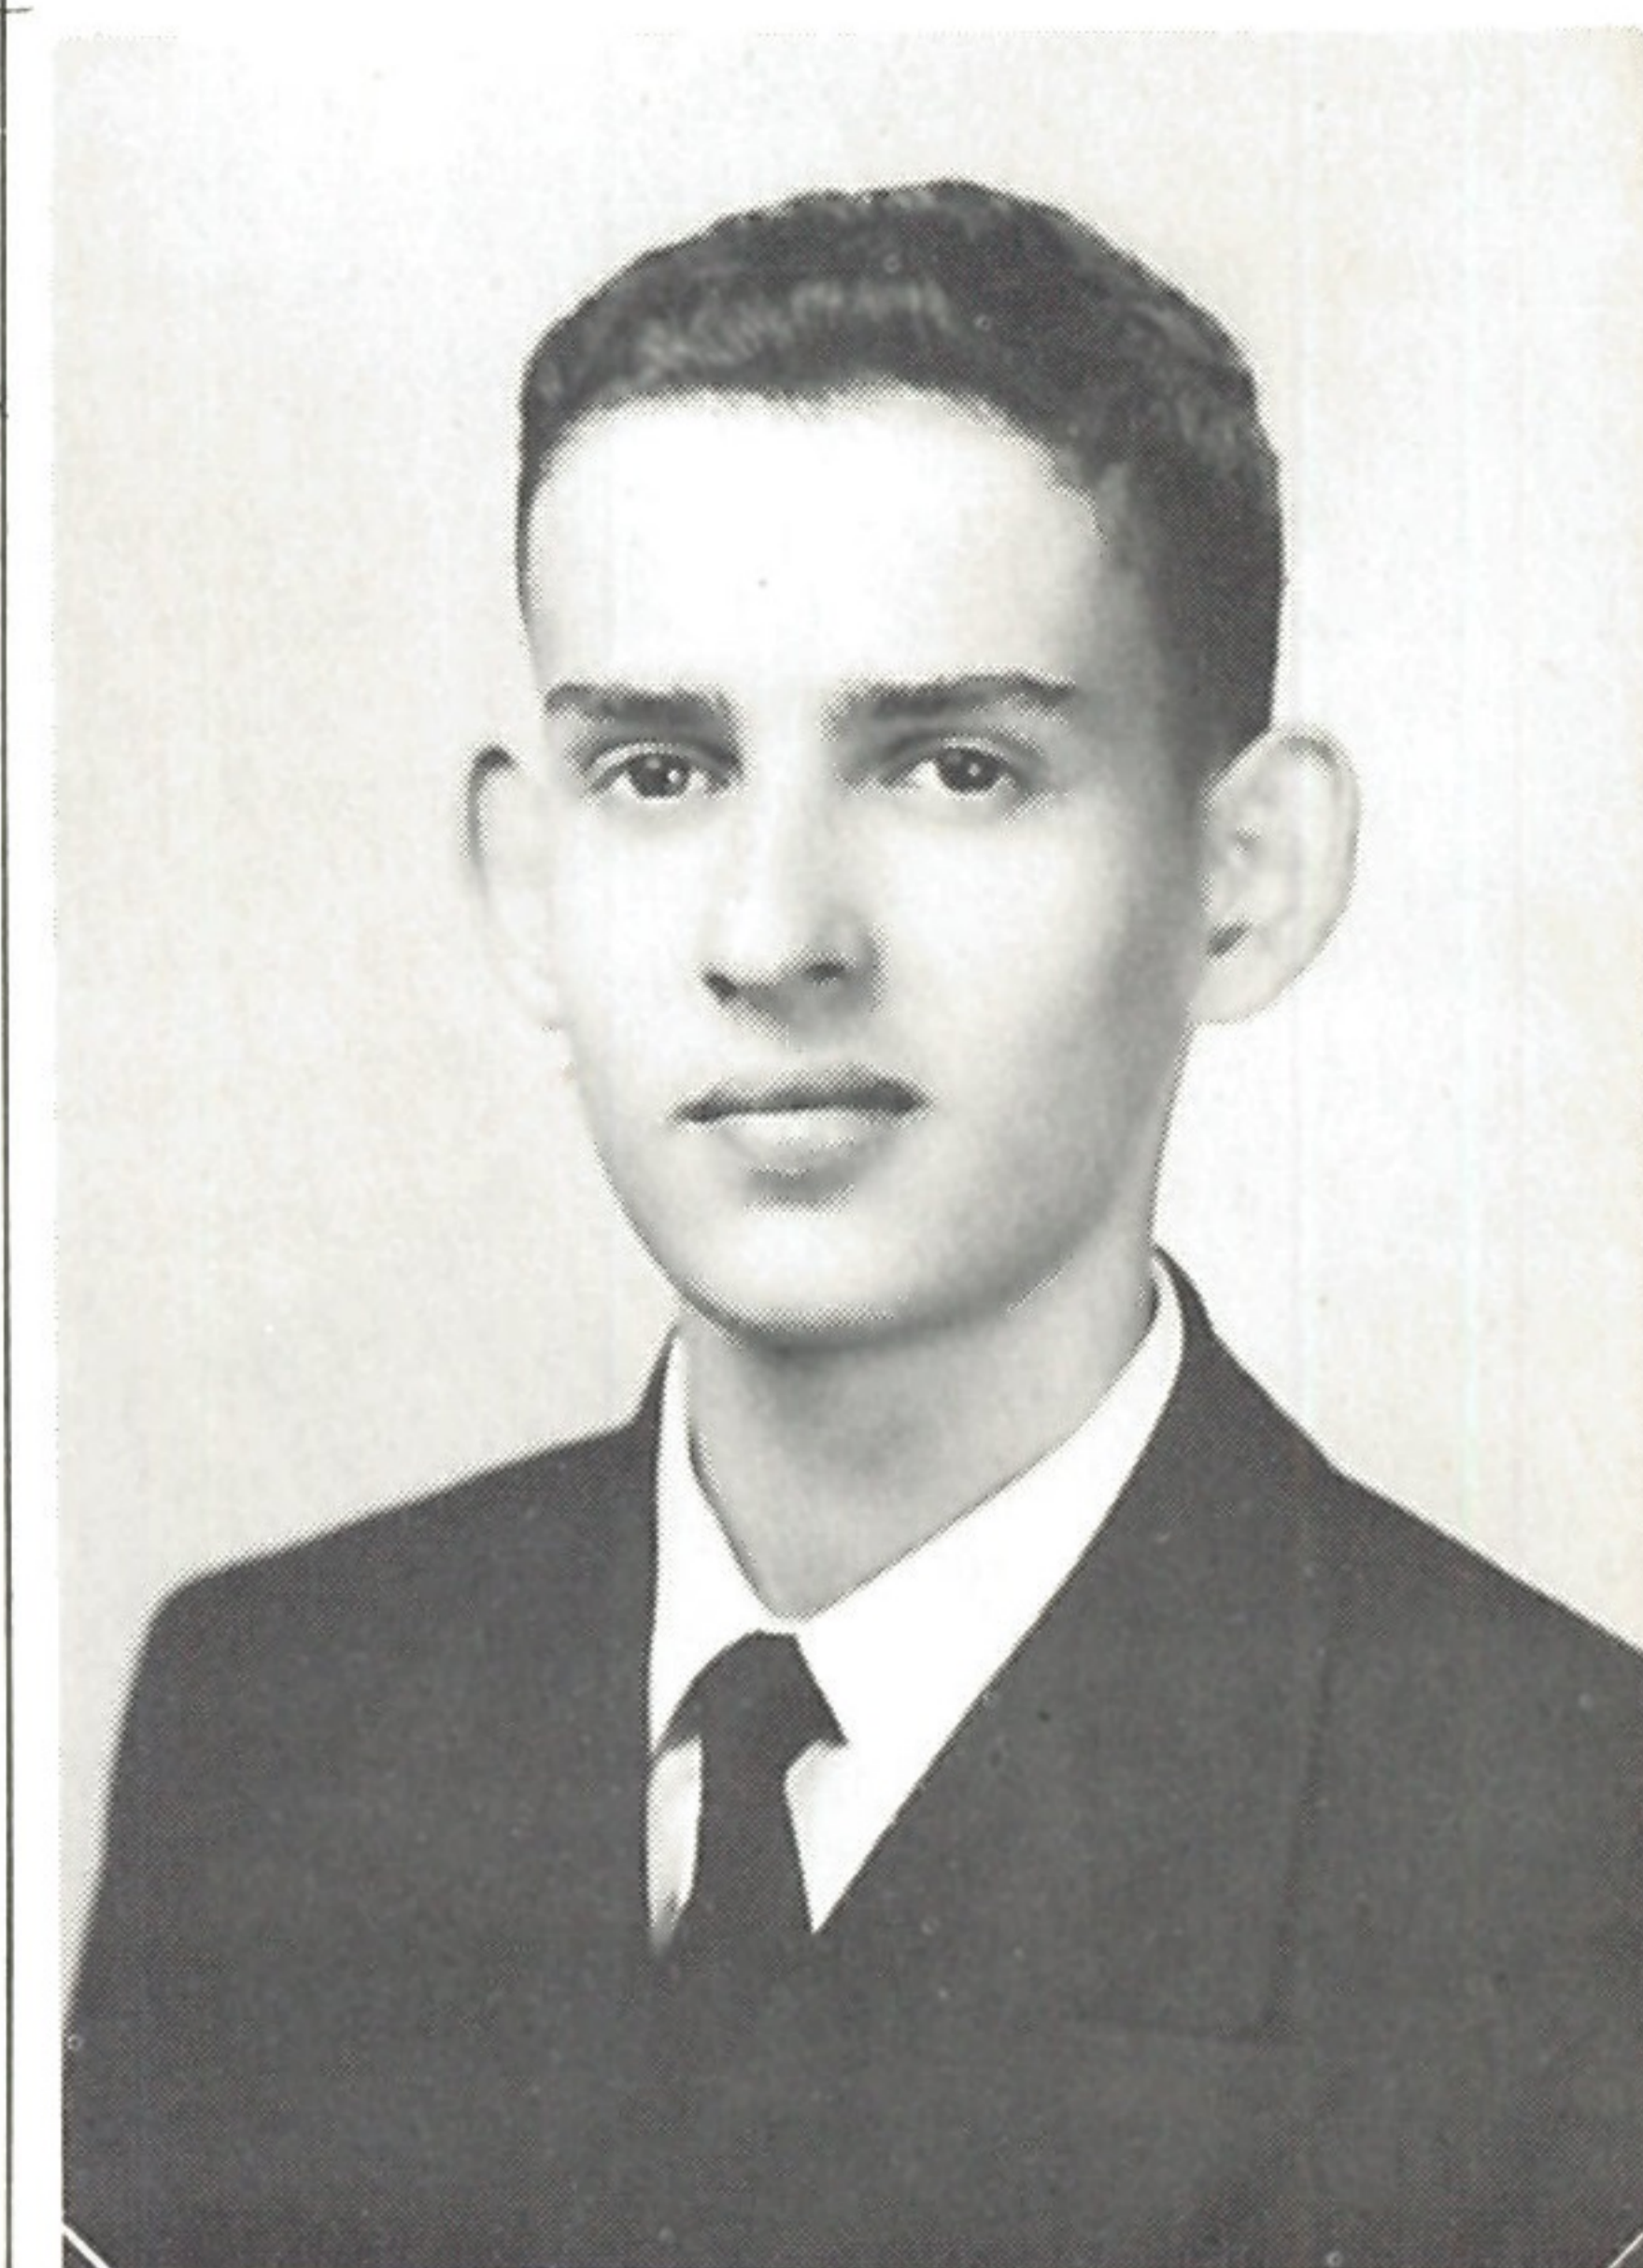

The Art Club, essentially a social group, is divided into two sections, and these sections meet in the Music Building on alternate Wednesday evenings. The group, being affiliated with the Music Appreciation Club, also under Mr. Newton's direction, makes a trip once a year to see either a Broadway play or concert.

The Club's activities in the past have included doing art work for Academy publications, such as the *Capstan* and *Polaris*. Club members have worked on the Hop Committee and have even painted signs when necessary. This year's art exhibit is the second one since the club's founding.

Mr. Newton stated that the aim of the club is to recruit more members for next year. His hope is that someday all art work on the Campus will be the responsibility of the group.

Requirements for joining the group are simple. The applicant must have a desire to draw and possess some previous experience. The latter requirement is because the club is not an instruction course but instead a medium by which prospective artists can develop their talents.

Forman '60 Takes Academic Honors

Highest academic honors for the month of May, last marking period of the 1958-59 school year, were won by Cadet Fabian R. Forman, second classman. Cadet Forman finished his studies for the month with an average of 96.6. For this he was awarded a gold riband with gold star.

Following with second honors was Cadet Steve Beyer, also a second classman, with 93.8 for his efforts. He received a silver riband with silver star.

In the Junior School, Cadet John E. Lux took first place with 92.1, followed by Cadet Freddie Bohorquez with 91.7.

Passing all subjects with an average of 80% or more were the following, listed from the highest to the lowest in each class:

Humphries, Florentine, F. Smith, Howe, Holmes, Siegrist, Vatter, Frankfurt, Bower, E. Caldwell, Lewinger, Wright, Kennedy, Carrillo, Schnitman, Ruzila, Webster, Briggs, Weidman, Kearney, Reimers, Martorell, Bartek, Morrissey, Bradley, Laferty, Van Schoick, Bloom, Kahn, Mach, Saldana, Capetta, and Seal.

SECOND CLASS: P. Caldwell, Jonasson,
(Continued on Page 10)

PRELIMINARY CHAT — CAPT R. O. Dodge, headmaster, discusses commencement program with guest speaker, Carter L. Burgess, president of the American Machine & Foundry Co., prior to final exercises on June 7th.

DANCE PERSONALITIES — From top to bottom, Errol Horne, Jay Mohns, and John Wylie are very much in evidence at the year's top social event, as they escort their "drags" during various parts of the evening.

**Newtons Hold Party For
Combined Music Clubs**

As the school year drew to a close, the Music Department, under the leadership of Mr. Dayton O. Newton, began to wind up its musical activities for the year. As a conclusion to the year's musical events, the Glee Club sang at the Baccalaureate Service for the graduating class on Saturday, June 6.

In celebration of the end of another year of success for the Music Department, Mr. and Mrs. Newton gave a party for all those Cadets who participated in the Glee Club, Junior Choir, the Band, or Dance Band. It was held on Saturday, May 30, following the Annual Memorial Day Parade. The party consisted of an afternoon of swimming and relaxation at the beach, with the Cadets eating dinner at the Newton house. The after-dinner period was filled with conversation and singing.

Alumniscope

Gaining a reputation for himself in the field of diagnostic nuclear medicine for osteopathic physicians, is Gerard Karron Nash, a member of the Class of 1944.

Gerard directed three professional courses in this field during the early part of this year.

After graduating from Farragut in '44, Gerard enlisted in the Naval Reserve. He was assigned to active duty with the Hospital Corps for one year and to the Dental Corps for another year. After the two years of active duty he was discharged but remained in the inactive reserves.

He then entered Rutgers University for three years of pre-osteopathic study, and on graduation in 1949, he took his B.A. degree and headed for the professional osteopathic school in Des Moines, Iowa. This was the Des Moines Still College of Osteopathy and Surgery.

After four years of the usual medical school subjects, plus additional courses in Osteopathic Medicine, he was granted a degree as a Doctor of Osteopathy.

Gerard then went to Amarillo, Texas, to the Amarillo Osteopathic Hospital for his internship. Following this, he spent six months in general practice at Borger, Texas.

In February, 1955, he started three years of residency training in Diagnostic Radiology at Bay View Hospital in Bay Village, Ohio.

In September, 1956, he received federal recognition as a 2nd Lt. in the Medical Service Corps of the Ohio National Guard. He was assigned to the Medical Company, 145th Infantry Regiment, where his duties are medical assistant and training officer.

In March of 1957 he was married to the former Miss Hedwig Hens of Union, N. J., and in December, 1958, an addition came into the Nash household in the form of Karlton Hens. Gerard completed his residency in February, 1958.

INTRODUCTIONS — CAPT and Mrs. W. K. Russell are introduced to Miss Brenda Hilken, Pleasant Plains, N. J., by her escort to the June Ball, Cadet Angelo Silecchia of Amityville, N. Y.

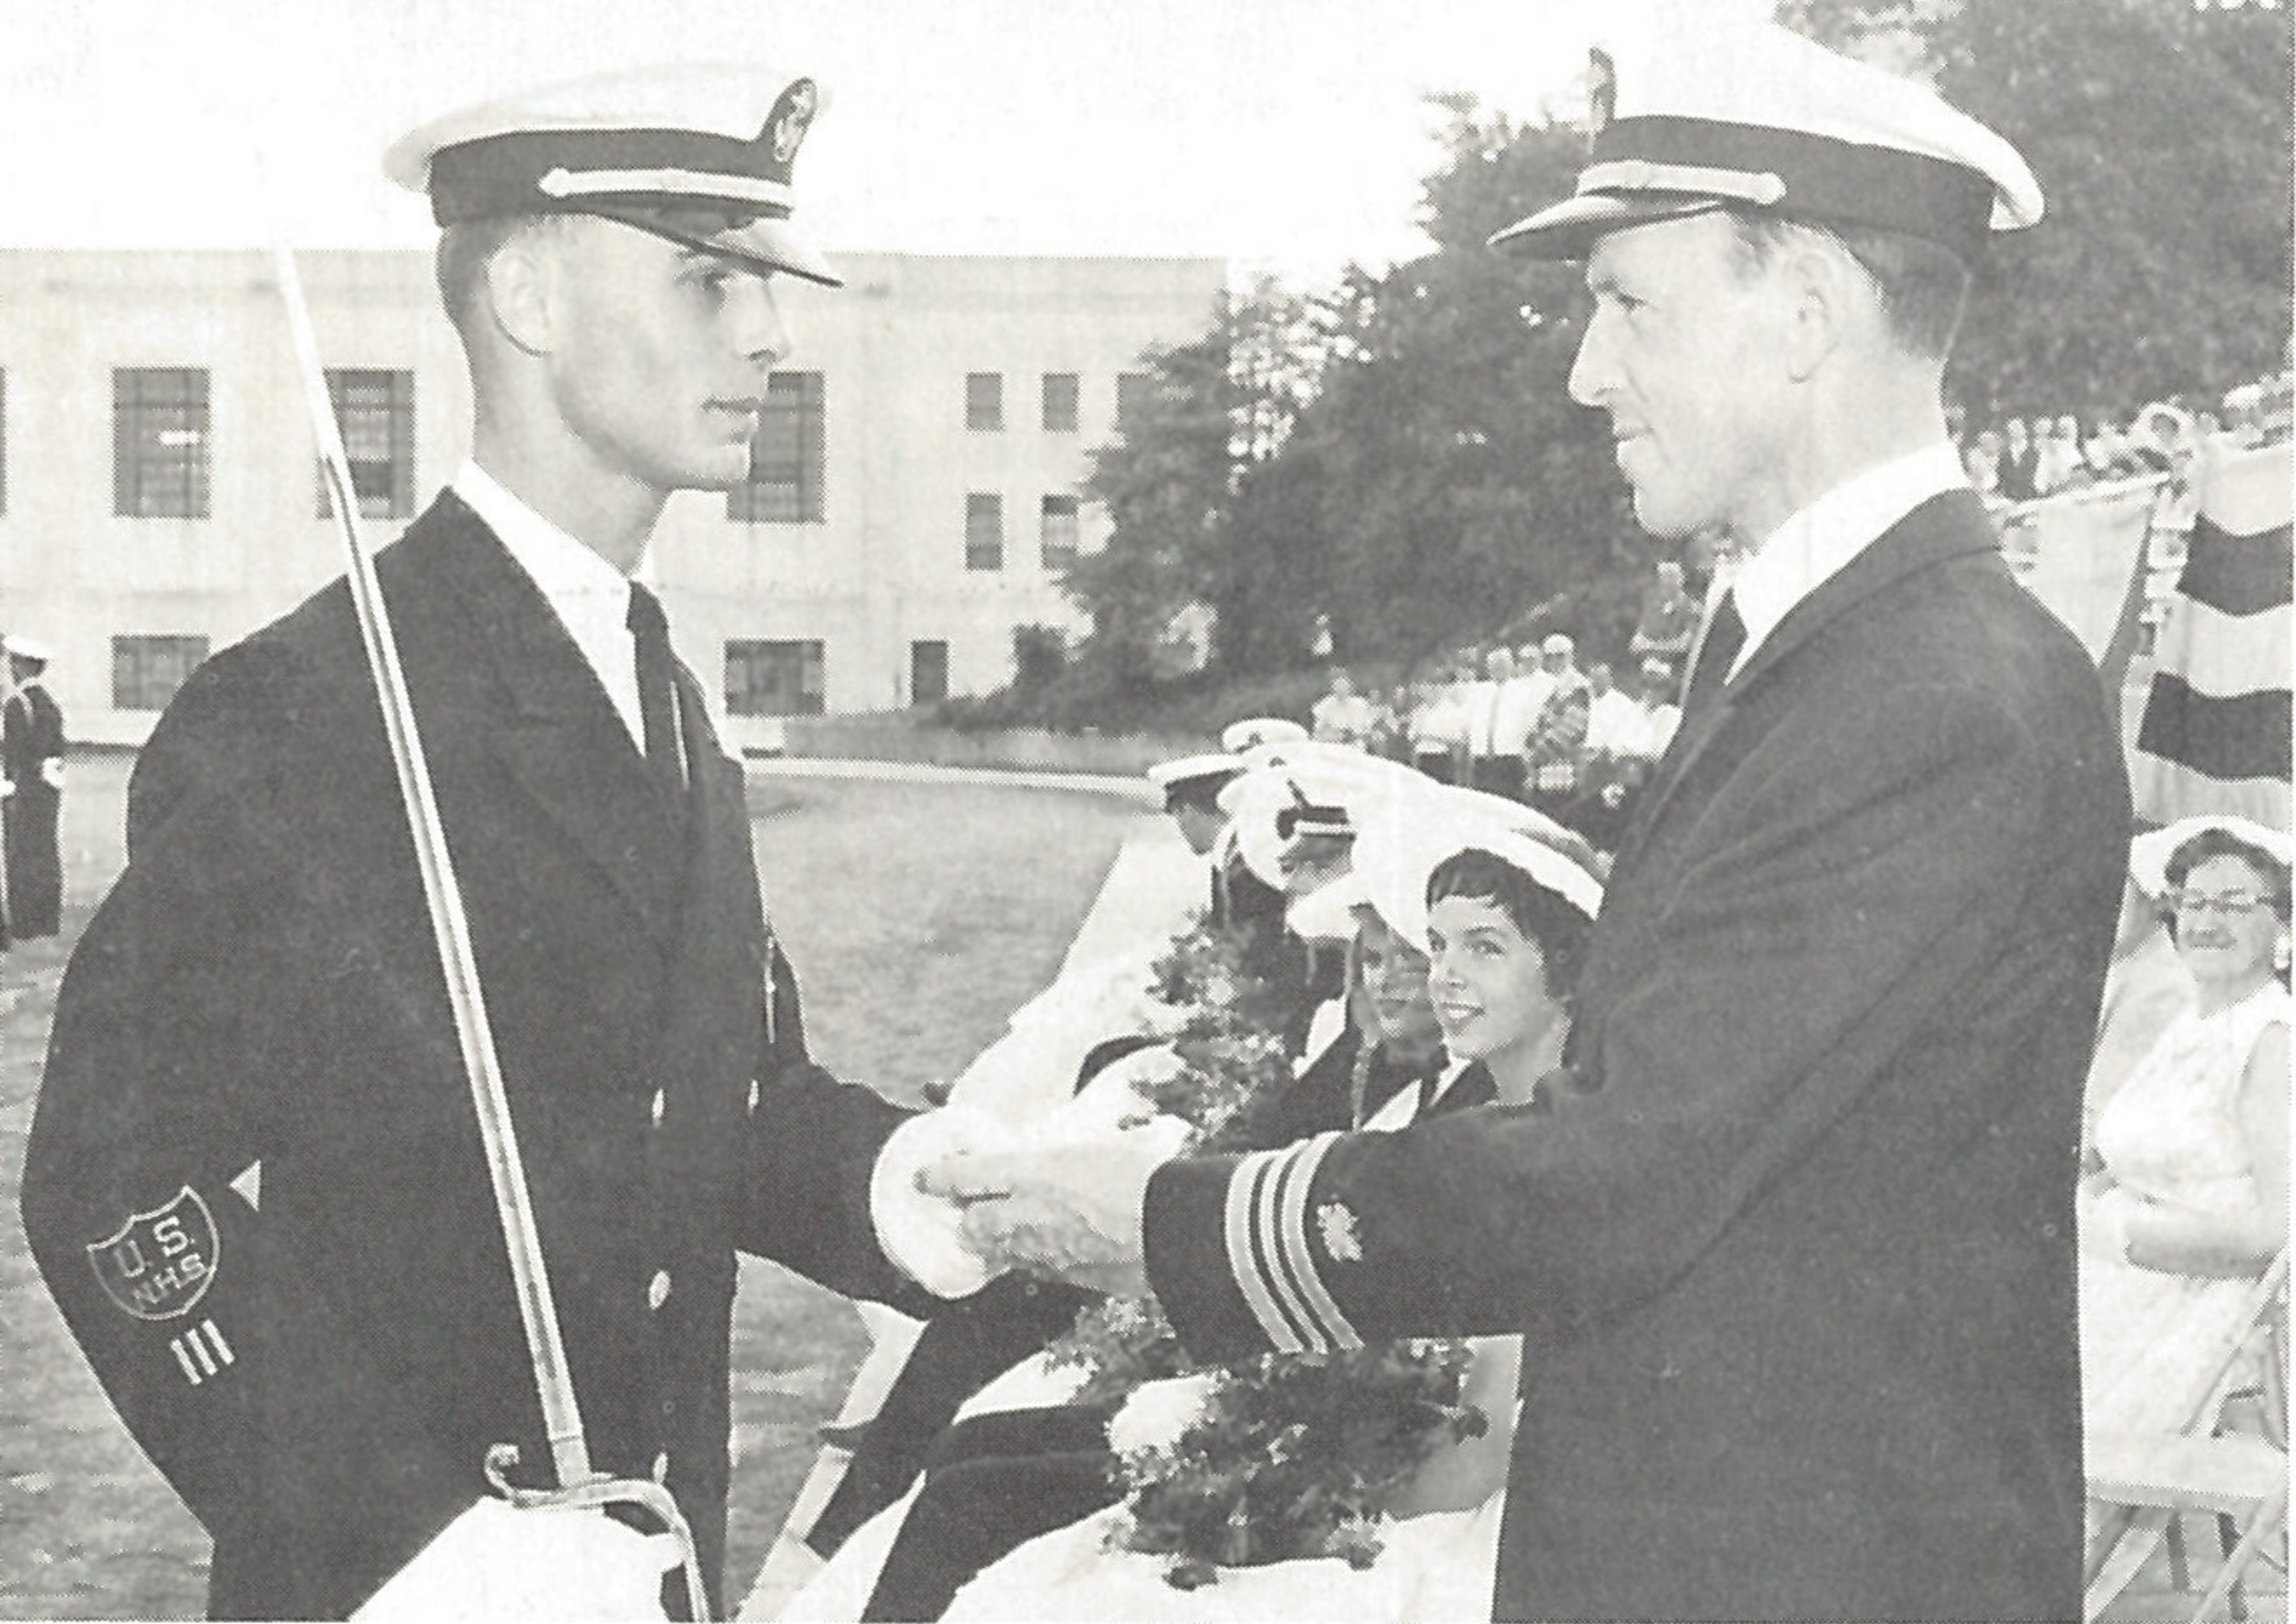

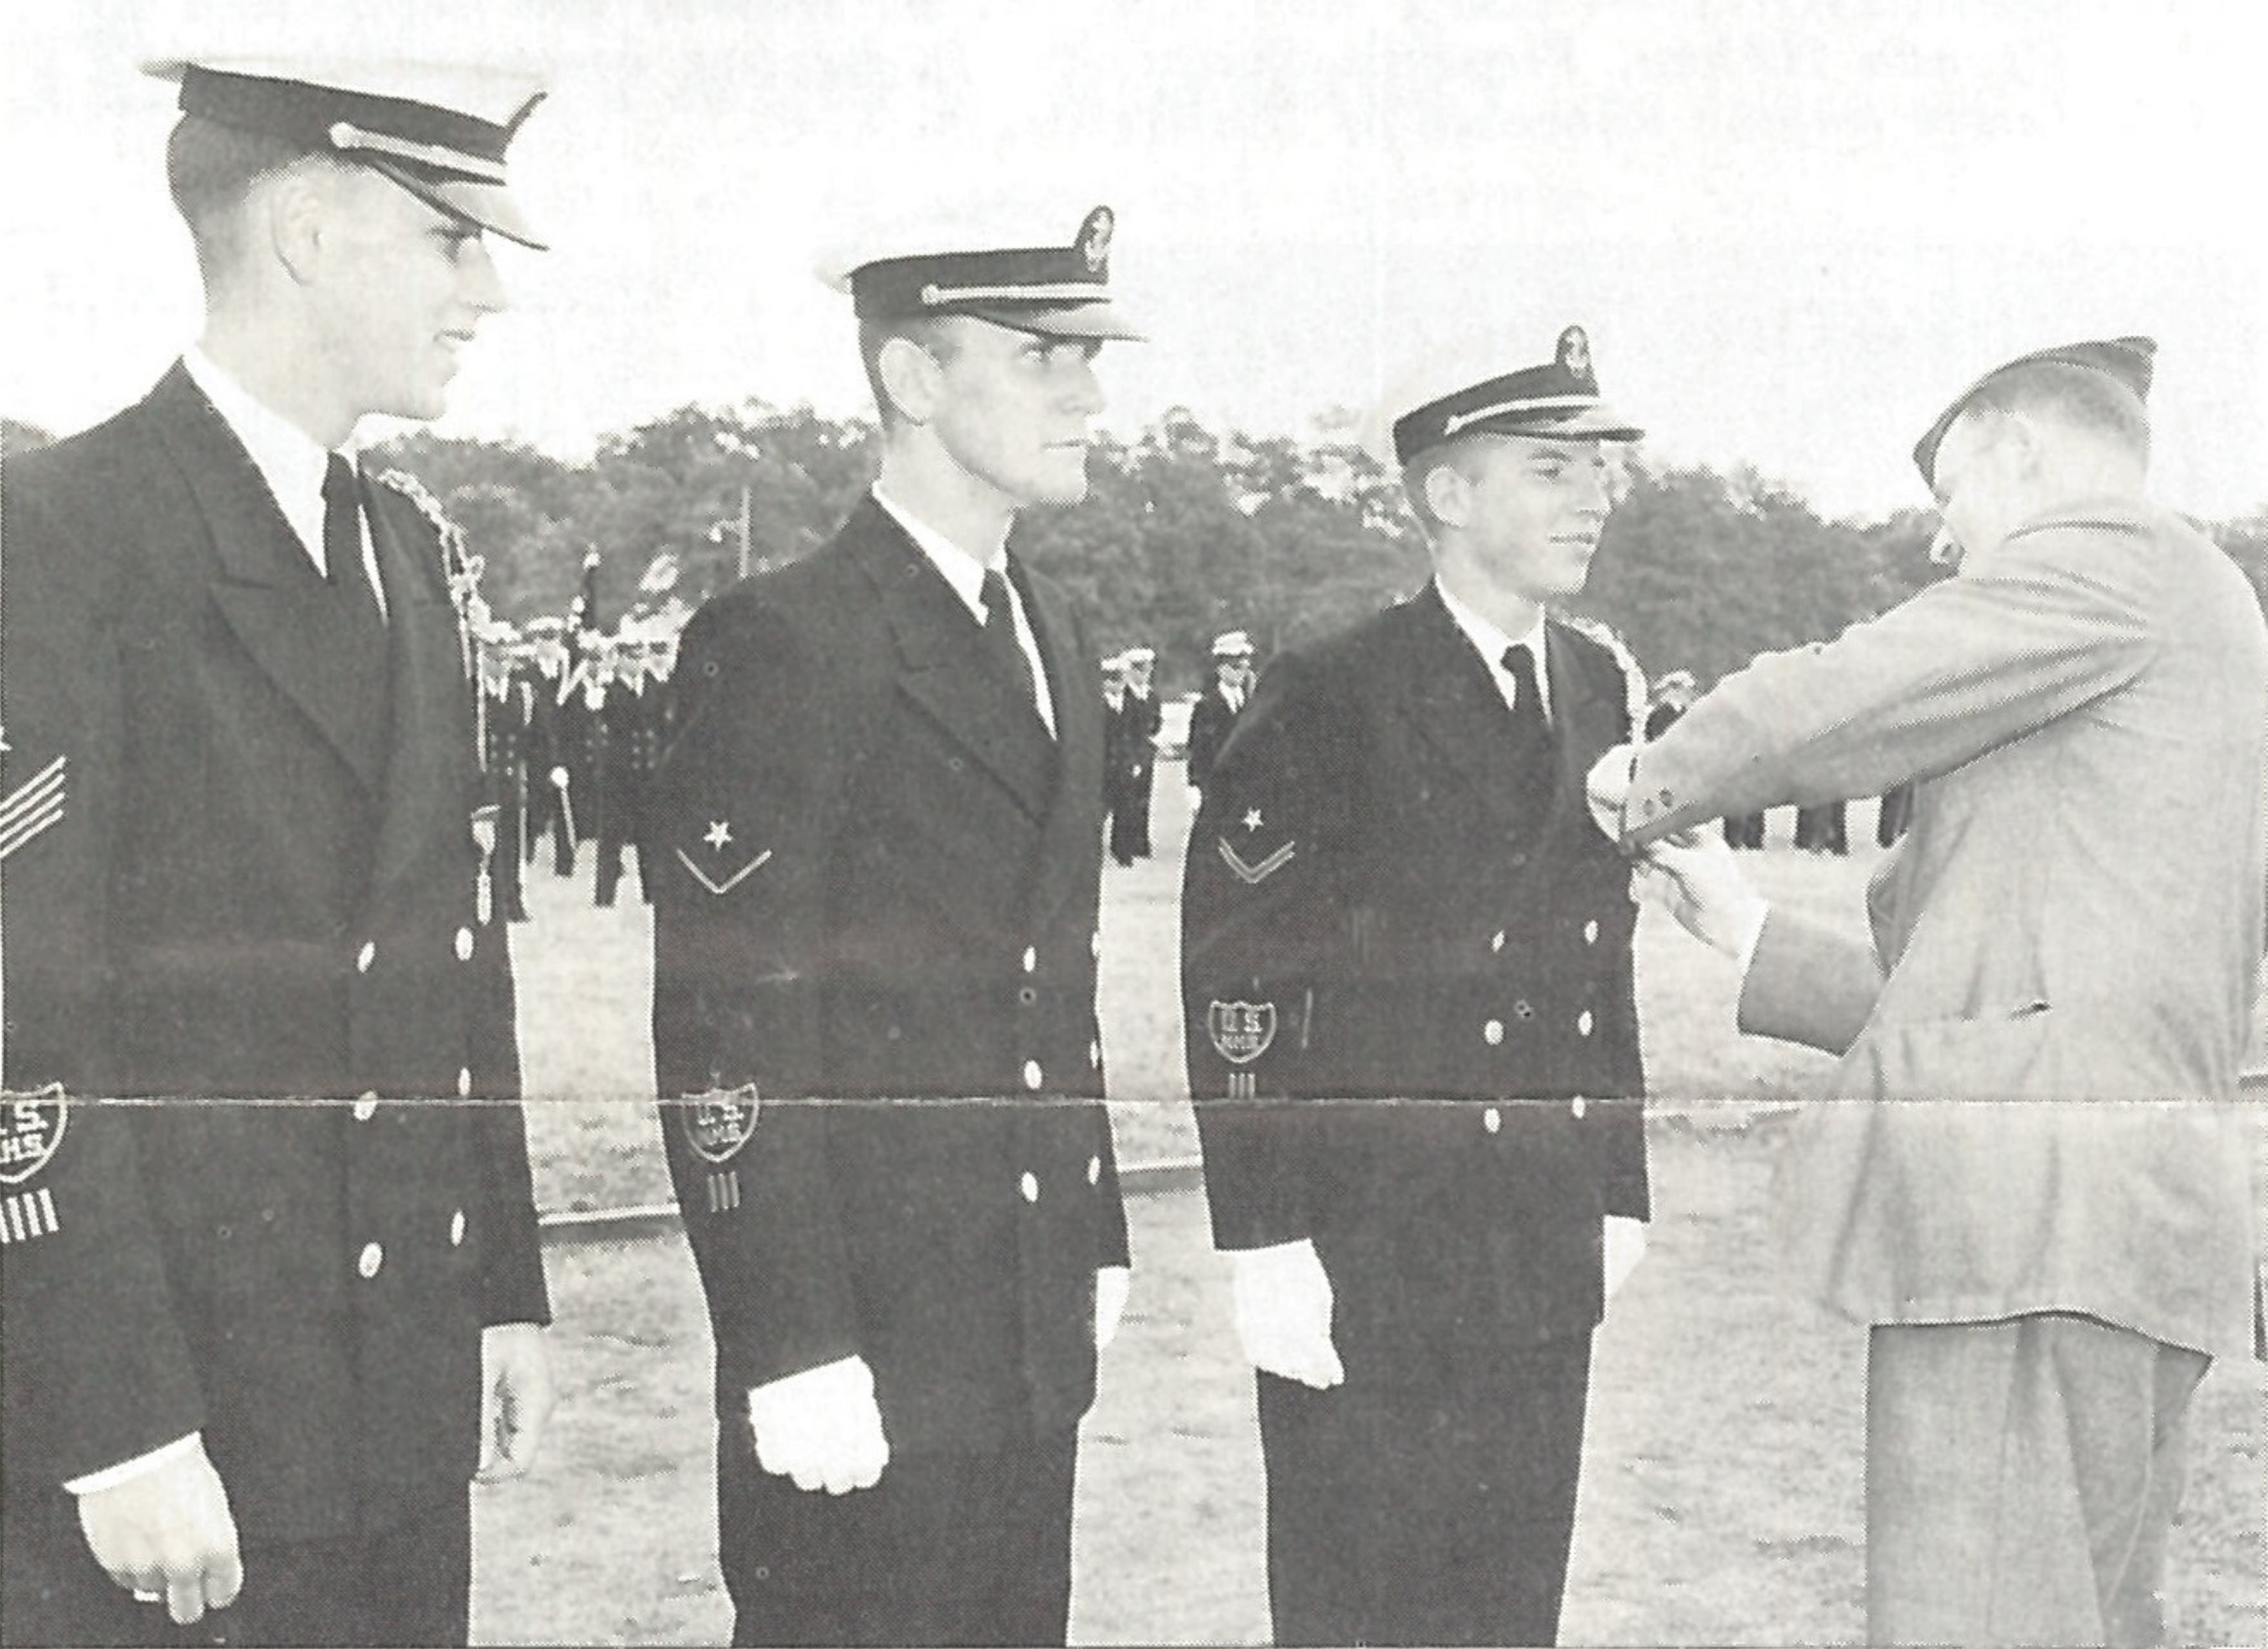

WELCOME — CAPT and Mrs. Dodge greet Mr. and Mrs. J. Kenneth Bradley at the reception of Parents and Relatives of the Class of 1959 members, held in Farragut Hall on Saturday, June 6th.

TOP MILITARY AWARD — CAPT W. K. Russell, president of the Board of Trustees, congratulates Battalion Commander, Cadet Jim Bradley '59, for a job well done. CAPT Russell presents the battalion commander with a sword in honor of his mother each year.

NAUTICAL NUPTIALS — Dick Huebner '55 and his recent bride, Elizabeth Anne McGreevey of Spring Lake, N. J., are shown at their wedding in June, soon after his graduation as an ensign from the U. S. Naval Academy.

FINAL AWARDS — (Top) Cadet William E. Applegate, second classman, receives Navy Department's certificate for completing three years of study in Naval Science. Presenting the award to him is Rear Admiral Frederick L. Hetter, SC, USN, commanding officer of the Naval Supply Depot, Bayonne, N. J. Admiral Hetter represented the Bureau of Naval Personnel in making the presentations. (Middle) Marcus Russell of the American Legion George P. Vanderveer Post 129, Toms River, presents rifle awards to the top three rodmen. From left to right they are Ron Krantz, Seaton Shroeder, and Bill Kennedy. (Bottom) LCDR Wm. Masciangelo, Public Relations Officer and Alumni Secretary, presents the Alumni Association's Petty Officer Award to Cadet Ernie Hegi.

Faculty Spotlight

Andrew M. Strang, Jr., claims to be "slightly over Jack Benny's age" and has enjoyed life since "World War II". He graduated from the Old Northeast High School in Philadelphia, where he played basketball, baseball, and doubles on the tennis team.

In the early depression days ('33), Mr. Strang entered the University of Alabama in the pre-medical course. Participating, at one time or another, in all the varsity sports, he finally got his picture with one of them—the varsity tennis team. He was unable to pursue his "med" career, and our science teacher took a B.A. in the Arts and Sciences School, 1937. Mr. Strang served in the Navy during World War II.

Mr. Strang played semi-pro baseball, basketball, and ran a tennis clinic; he has coached many boys' teams from ages 10 to 19 in all the sports, and he hopes to continue to assist Coach Slaby at AFA. He is currently working on his Master's degree in Education at Temple, and eventually he hopes to get his doctorate in Science.

Mr. Strang has two Pet Peeves: Big-headed athletes, and intellectual and social snobs.

Pingry Beaten On Track; 4th In State

Pingry

The Middies traveled to Pingry for a rain-soaked meet and returned victorious with a 69-39 victory tucked under their belts. Bill Platt came in first in the 100-yard dash in 10.5 seconds, and Fred Lafferty took second in 10.7. The order was the same in the 220, with Bill first in 23.6 and Fred Lafferty scant yards behind. In the 440, Wardie Briggs took second in 51.5 and Mike Fisher was close behind in 52. Ken Fahrbach took first in the 880, while Ken Woltz was third. In the last running event, the mile, Jess Sprandel was second in 4.46, and Bud Wilkinson trailed in third just 2.3 seconds later.

After the running events, Nat Awer threw the javelin 150' to take first, followed by Harry Humphries only 6" behind. Harry also took second in the discus, followed by John Van Schoick in third place. Skip Marsden won the high jump at 5'6" despite his broken wrist and Ken Mohrman took third in the pole vault.

Columbia-Hofstra

The Middies played two college Freshman teams from Columbia and Hofstra, respectively, and came out with a second place, beating Hofstra. Bill Platt took first once again in both the 100 and 220, while Fred Lafferty took second and fourth. Ken Fahrbach was first in the 880, leaving both Columbia and Hofstra far behind. In the low hurdles, Erroll Horne came in second, while Randy Kressler came in fourth in highs. Skip Marsden jumped 5'10" to win the high jump, followed by Mardie Briggs in fourth place with 5'6".

In the weights, Harry Humphries took third in the discus and second in the shot. He also came in first in the javelin, followed by Nat Ewer and Jay Mohns, in third and fourth positions.

The State's

For the New Jersey State Championship Meet, the Middies traveled to Peddie. In this meet, Bill Platt gained the distinction of being the fastest man in the state, running the 100-yard dash in 10.5 seconds. He also took the 220 in 23.5, followed by Fred Lafferty, who came in with a fourth place to add a few points to the Cindermen's score.

In the high jump, Skip Marsden came in second at 5'6", and Harry Humphries took fourth in the shot with 45' to complete the scoring. The Middies failed to score in the other events, but the fine ability of those who made it brought the final tally up to fourth in the State out of the eight competing schools.

A. M. Strang, Jr.

Sports Twirl

by Charles B. Kearney

Sports became of prime importance for the '58-'59 season. It was a year marked with success and victory, and overall, as one of the greatest in history of Farragut. The achievements were outstanding as the numerous awards testify.

Football

Co-Captains: Joe Lucarelli and Harry Humphries.

A two week football camp started before the official opening of the winter school. Under the leadership of coaches Stanley Slaby and Lew Speck, the team worked hard in preparation for the season's opener. Against top ranked competition, the Middies battled to a 3-3 record. The highlight of the year was witnessed as the Farragut eleven faced Pingry School on Alumni Homecoming Day. The Blues emerged victorious with a 27-0 score.

The strongest Farragut attack was displayed against Pennington School on November 7, when the Middies rolled to a 46-6 win. The remaining Farragut win was at the expense of Blair Academy 24-0.

When the season terminated, Joe Lucarelli received All-State honors as the outstanding center. This is the third year that the 180 lb. Middie has risen to this position.

Basketball

Captain: Dave Robinson.

One of the most successful teams was the Middie squad during this past season. Finishing with a 12-3 record, they comprised a ten game winning streak against their Prep school foes.

The blonde, 6'5" center, Dave Robinson, was the recipient of highest honors, and now, can boast of holding Farragut's record for the most points in a season. The 343 points lead to his nomination to the first string All-State, All-Shore and All-Ocean County teams.

Also named to the third string All-State honors, was Harry Humphries. The trademarked, left handed jump shot he perfected was the main reason he averaged 13.5 points per game.

Piloting the Junior Varsity squad was Coach Andrew Strang who possessed some fine talent that will be needed to replace many of the graduating seniors.

Wrestling

Tri-Captains: Jim Bower, Dave Reimers and Dave Cook.

A fine coaching job was turned in by Mr. Theodore Stinner. With an amazing knowledge of wrestling technique, coach Stinner supervised the efforts of the Middie grapplers. A record of 5-5 was the outcome of his teachings, and awardwise greater achievements were present.

Dave Cook was awarded State Championship for the 127 lb class. In addition, he received honors as the outstanding wrestler in the annual State Tournament on February 25 and March 4.

Dave Reimers, 167 lb., and Jim Bower, 147 lb., also won State Crowns. Third place honors were received by Al Naef, Leo Bohorquez and Dick Feliciano.

Rifle

Co-Captains: Bill Kennedy and Ron Krantz.

While the wrestling team was enjoying victory, the rifle squad was seeking equal glory. With Cadets Bill Kennedy, Sam Schroeder, Ron Krantz and Bill Johnston rolling up good scores, the Middie marksmen were closing in on their own State championships. When they faced tough competition in the New Jersey State Mil-

tary Tournament, they were successful with a 1385-1315 score. The trophy they possess has yet to leave the Farragut campus.

Baseball

Co-Captains: Joe Lucarelli and Dave Cook.

A mild disappointment would be an appropriate description of the Blues' baseball squad. Finishing with a 2-6 record, they nevertheless possessed strong potential.

Joe Lucarelli made All-State honors, as well as first string All-Prep, playing at third base. He batted at a .370 clip for the regular season, and he led the squad in that department.

Coaches Andrew Strang and Stanley O. Slaby worked together to produce the A.F.A. team, and they view next year with a gleam in their eyes.

It was noticed that numerous individuals, who otherwise might have helped Coach Slaby, were lost because of academics, physical or personal reasons.

Tennis

The singles title was this year won by Jim Vatter of the Second Company. He beat J. Mohns 6-1, W. Kelley 9-7, P. Sherrill 6-0 and J. Kocis 6-0, 6-2.

The doubles title was won by the team of Bill Kelley and Dave Jones of the First and Third companies respectively.

The climax to this year's sports events was the faculty vs. Senior Class softball game. The outcome, unfortunately, happened to fall in favor of the faculty. With shaky pitching, but outstanding fielding, the final score read 10-0. The winning pitcher was Coach Slaby. (A bit of inside information: Coach wouldn't let one Cadet play because he was afraid he might have been the losing pitcher.)

Grid Schedule Set; 7 Games Are Listed

The varsity football team will play a seven game schedule next fall, with two new schools added to the roster of contests.

The Middies open with Blair Academy on Oct. 3, at home, and will follow on successive Saturdays with Peddie (Away), Oct. 10, Pingry School (Away), Oct. 17, Germantown Academy (Home), Oct. 24, Lawrenceville School (Away), Oct. 31, New York Military Academy (Home), Nov. 7, and Perkiomen School (Away), Nov. 14.

New York M. A. and Perkiomen School replace Penn Charter School and Pennington on the schedule this year.

The New York M. A. game has been set for the Fall Alumni Homecoming Day reunion. The "Soldiers" were the original opponents of Farragut in the former Little Army-Navy game.

Stan Slaby will be starting his eighth season as head coach.

Words to the Wise

"Now, boys, this is simple and fundamental."

"When in doubt, read the directions, Jojo."

"You lose, Mr. Schwartzman."

"He-e-ey, Boy, whatcha doin'?"

"You won't get into college!"

"What are you doing, doing doing?"

"What do we surmise?"

"Eh?"

CLUB SPEAKER — Dick Harter, U. of Pennsylvania freshman basketball coach, smiles happily at the thought of Dave Robinson attending his university next year. Robinson, who captained this year's court squad, has been accepted at the Pennsylvania institution. Looking on are athletes, Joe Lucarelli and Harry Humphries. Scene was at the Monogram Club's annual dinner at Peterson's Restaurant, Lakewood, on May 29th.

Memorable "Game" Between Seniors and Faculty Ends in 10-0 Win For Teachers

On June 1, the Faculty, under Coach Slaby, met the Seniors on the Upper Athletic Field for a softball game. The game didn't turn out as expected as the Coach's team romped to an easy victory, 10-0.

The first inning started with Mr. Burke, the catcher for the faculty, hitting a long fly, which was caught by the center fielder, Jim Bradley. Coach Slaby singled and was followed by a Chief from the school's Naval Reserve Unit, who hit a double to bring Coach home. James Drummond struck out, but another Naval Reserve Chief got on base on an error for another run. Mr. Montgomery was up next, and he drew a base on balls. Mr. Keegan, of the Junior School, flied out to Jim Bower to end the inning. Jim Vatter, pitcher for the First Classman, flied out to Mr. Keegan in left field. Dave Brandley, catcher, grounded to Coach Slaby, who tagged him out. Harry Humphries belted one to Mr. Montgomery at third, who threw it over the first baseman's head. The inning ended when second baseman John Hylie hit a grounder to short, where it hit Humphries and put him out.

Coach Stinner, playing short field, singled to open the second inning. Coach Strang also singled to put men on first and second. Mr. Nordstrom flied out to John Burns but an overthrow let in two runs. Mr. Burke popped out to short fielder Dave Reimers, but Coach Slaby doubled. An error let Chief on, and he went all the way to third, scoring Coach. Mr. Drummond singled, bringing home the Chief. The other Naval Reserve Chief flied out to Wardy Briggs who had come on to pitch in the middle of that inning. In the bottom of the same inning, Jim Bower got on base on an error by the Chief at first. John Burns struck out, but Mike Fisher, the left fielder, got a single. Dave Reimers struck out, and Jim Bradley hit a pop fly to Coach Slaby to end the inning.

In the fourth inning, some changes were made by the Seniors. Fred Lafferty went to left field, Dick Feliciano went to short field, Paul Campbell went to center, and Tony Smith went to short.

There was no scoring until the sixth inning when Mr. Keegan hit a triple. Coach Slaby, coaching third, stepped over the base line in an illegal move, immediately putting the runner out. Coach Stinner hit a home run. Coach Strang

grounded to second and Mr. Nordstrom got to first on an error, but was put out when he stepped off the bag. Wardy Briggs led off for the Seniors and hit one right between Coach Slaby's legs, who couldn't bend over far enough. Jim Vatter walked, but Dave Brandley flied out. Harry Humphries flied out to Mr. Stinner and, in the attempt to get Briggs at second, Mr. Drummond missed the ball and Vatter advanced, but Briggs did not move and was tagged out.

In the last inning, Mr. Drummond grounded out, and Chief hit a home run. Tony Smith made good a play on Mr. Montgomery's grounder. Mr. Stinner hit his second home run of the game after Mr. Keegan hit a single. Coach Strang struck out to end the inning. The Seniors came to bat for the last time, and Jim Bradley led off with a single. John Van Schoick struck out, and Wardie Briggs forced Bradley at second. Jim Vatter hit to Mr. Montgomery, who made a magnificent throw into right field. Dave Brandley ended the game with a long fly to left.

The game was witnessed by many of the Cadets and wives of Faculty members. Although the spectators enjoyed mixed sentiments as to the result, all agreed that it was a good show.

Monogram Club Holds Annual Sports Dinner

On May 29, the annual Monogram Club Dinner was held at Peterson's Restaurant in Lakewood. The dinner was arranged by the club officers: Joe Lucarelli, Nick Morris, Fred Lafferty, and Jim Bower, who had been elected to their respective positions of President, Vice-president, Secretary, and Treasurer, at the beginning of the year.

The Monogram Club left the Academy for Lakewood at 1830 and were conveyed by bus to the restaurant. There, the members of the club had their choice of dining on either lobster or steak. After this, the Cadets were given talks by the Coaches of Englewood High and the University of Pennsylvania. Both talks stressed sportsmanship and were eagerly listened to by the club members. After the speeches, the Lettermen boarded the bus for the return trip.

SENIOR CELEBS

Bill Platt

Bill was born on February 20, 1941, in Washington, D. C., and now lives in Chevy Chase, Maryland. He entered Farragut in 1956, and now, in his third year, has attained the rank of 1/P.O. in the Third Company. Bill plans to attend the University of North Carolina at Chapel Hill, to major in business administration.

While at Farragut, Bill has participated in both Varsity Rifle and Varsity Track. Bill is especially proud of his record-breaking run of the 100-yard dash in ten seconds flat at George School. He has also been on the Capstan staff.

His favorites are track, girls, Corvettes and Shock Theater.

He has three Pet Peeves: Looking around in ranks, cats, and Mr. Sheesley's electric fan.

Milt Lewinger

Milt was born in Brooklyn, New York, on June 12, 1941, and now resides in Lakewood, New Jersey. He came to Farragut in September, 1957, and is now in his second year. He has participated in Varsity Baseball and Junior Varsity Basketball. He is also a member of both Capstan and Trident staffs, and is in the Spanish and Math Clubs. Milt plans to attend the Massachusetts Institute of Technology to study civil engineering.

Milt's advice to underclassmen: "Work hard in order to be successful."

His favorites are mail, baseball, and especially Mom.

Bill Kennedy

Bill came to Farragut in September, 1956. This is his third year here, and he has reached the rank of 2/P.O. in the

First Company. Upon graduation, he plans to attend the Naval Academy at Annapolis, and he hopes to make the Navy his career.

Bill was born September 2, 1941, in San Antonio, Texas. Because his father is in the Air Force, Bill has lived all over the world, but at present makes his home in Italy.

Bill has been co-captain of the rifle team and is the New Jersey State Military Rifle Champion. He is also photography editor of the Capstan and a member of the Trident photo-art staff.

His pet peeves are Seaton Schroeder IV's 180's, and phone calls charged to the Naval Reserve.

His favorites are the girls of Napoli and Swiss "cheese".

His advice to underclassmen: "Work and produce rather than shirk and reduce."

Yves Saldona

Yves was born on February 8, 1941, in Lisbon, Portugal. He now lives in Hato Rey, Puerto Rico. He entered Farragut in September of 1956. Now in his third year at Farragut, Yves has attained the rate of Hospital Corpsman 2nd Class in the Third Company. Upon graduation from Farragut, he intends to go to either Bryant or Tulane. In college, he plans to major in business administration. While at Farragut, Yves has been prominent in Inter-company sports and Spanish Club. He has been awarded a Special Order Commendation for service to the school.

His pet peeves are formations in general and laundry formations in particular, and Chief Lassick's Naval Science III.

His favorites are sports cars and girls, especially Maria.
