

HIGH TIME — Graduation is always a time for happiness and the Class of '62 members lost no time in showing their feelings at the close of the commencement exercises in Robison Hall on June 3.

\$200,000 Shepard Hall Dedicated May 13 Mrs. Shepard Represents Astronaut

The new \$200,000 cadet activities building was dedicated on May 13th in honor of the United States' first astronaut, Commander Alan B. Shepard, Jr., U.S.N., a member of the Class of 1941. But the man more than 2000 persons came to see couldn't attend. Commander Shepard was unable to leave his duties in Point Arguello, Calif., where he was capsule communicator for the orbital flight of astronaut Scott Carpenter. Commander Shepard made the first manned, suborbital flight for the United States on May 5, 1961. In his place, his wife, Louise, accepted the dedication. Mrs. Shepard brought a message from her husband that he was "delighted" with the new building named in his honor. "He's here in spirit and will indulge himself in a tour of Shepard Hall and the School the first chance he gets," Mrs. Shepard said. The new Hall is a

14,500-square foot two-level building — the first major piece of construction here since Radford Hall was built in 1944. It contains two lounges — one for First Classmen and one for guests; a canteen; conference rooms; soundproof rooms for use by the glee club and instrumental groups; a game room; a barber shop; and a large multi-purpose room. The building is almost completely air conditioned. After she toured the activities center, Mrs. Shepard declared, "I just am so impressed with that lovely structure." She was accompanied by her parents, Mr. and Mrs. Russell P. Brewer, Kennett Square, Pa., her daughter, Juliana, and a niece, Alice Williams. She said it was at Admiral Farragut that her husband "found the discipline and education" that helped him through the United States Naval Academy later on.

(continued on page 2)

'62 Graduates Told By Associate Director U.S. Foreign Policy Lacks Personal Touch

Dr. Bill Moyers, Associate Director of the Peace Corps, told more than 1000 persons attending the commencement exercises on June 3 that the most serious defect in the United States foreign policy is its lack of personal touch.

"People must teach and work with people," he said, "hence, the need for a 'people-to-people' program such as the Peace Corps is attempting to provide.

Dr. Moyers said there have been and will be mistakes made by individuals working with the Peace Corps, but he said that persons making such mistakes are usually forgiven. He cited the case of the post card written by a member of the Corps working in Nigeria, and disclosed that at the time the United States had 28 teachers on assignment in that country, that there are now 128, and that the Nigerian government had requested a total of 300 by next June.

Continuing, Dr. Moyers said there is a desperate need for trained manpower in many foreign countries today. "There are a few leaders at the top and a large mass of unskilled labor at the bottom, but very little of the kind of middle-level manpower that has made the United States the great country that it is today," he stated. "The Corps gives us an opportunity to learn about foreign countries and their problems, and to give the natives of these countries an opportunity to see what Americans are really like as they live and share their skills with them."

Captain W. Kable Russell, president of the Board of Trustees, presented diplomas to the 61 Cadet members of the graduating class, and Captain Raven O. Dodge, headmaster, with the assistance of LCDR Gabriel Daniel, head of the Science Department, presented awards for academic achievement to members of the four classes of the Corps.

The salutatory was given by Cadet Robert G. Elwell, Staten Island, N. Y., the valedictory by Cadet Richard C. Rissel, Sea Girt, N. J., and the Class gift presented by Cadet Ronald H. Leiser, Malba, N. Y., class president. The gift was a hi-fidelity sound system to be installed in the new Shepard Hall building dedicated on May 13. Rev. Ansley G. Van Dyke, Academy Chaplain, gave the invocation.

Cadets receiving awards were:

ADMIRAL FARRAGUT ACADEMY AWARD (First Class) — a gold medal to the First Classman who has the highest multiple of general proficiency in academic work, naval drills, compliance with regulations, athletics and extra-curricular activities during the First Class year: to Richard C. Rissel '62.

ADMIRAL FARRAGUT ACADEMY AWARD (Underclass) — a silver medal based on the same requirements as listed above: to Bryant B. Crouse '63.

HEADMASTER'S SCHOLARSHIP AWARDS — a medal to the Cadet in each class of the four classes having highest scholarship averages for the year: William McClure '62, Glenn W. Mitchell '63, Edwin F. St. Clair '64, and Thomas G. Travis '65.

FACULTY SCHOLARSHIP AWARDS — a certificate to the Cadet in each of the four classes for outstanding scholarship in English, History, Science, Mathematics, and Languages:

ENGLISH — Richard C. Rissel '62, Glenn W. Mitchell '63, Edwin F. St. Clair '64, and Thomas G. Travis '65.

HISTORY — Henry W. Marsh III '65, Wm. R. Blackburn '64, Stephen W. Benson '63, and Robert G. Elwell '62.

SCIENCE — Robert C. Micklewright '65, St. Clair '64, George T. Ferguson '63, and Wm. McClure '62.

MATHEMATICS — Frank J. Mandia '65, Robert L. Shultz '64, Charles M. Parker '63, and Wm. McClure '62.

LANGUAGES — Mandia '65, St. Clair '64, Mitchell '63, and Charles Jackson '62.

THE CEDRIC LEWIS AWARD FOR EXCELLENCE IN MATHEMATICS — established through the gifts of grateful Alumni to perpetuate the memory of a kindly and masterful teacher, and to foster, in his name, a continuing incentive for excellence in mathematics among the Cadets at Farragut — to William R. McClure.

Final Intercompany Standings

First Company — 2168
Second Company — 1640
Third Company — 2382

THIS IS OFFICIAL — Captain R. O. Dodge, Headmaster, presents official Academy resolution naming the new Cadet activities building the Alan B. Shepard, Jr., Hall to Mrs. Shepard in honor of her famous husband during dedication ceremonies on May 13.

Dedication

(continued from page 1)

After the dedication Mrs. Shepard smiled through hundreds of handshakes and autographs and chatted amiably with scores of strangers. Even Juliana signed a few autographs.

Later, the Corps of Cadets passed in review for Mrs. Shepard. She presented a gold belt buckle on behalf of the Academy's Alumni Association to Cadet David H. Goehrig '64, of Yardley, Pa., who won the annual Manual-of-Arms Contest.

For her husband she received a gold key from Pine Beach Mayor Benjamin H. Mabie; a scroll from A. Paul King, Ocean County Freeholder, and a gold watch from the Alumni Association, presented by Philip Hurt '38, New York, president.

In a special ceremony when she arrived at the campus by car, Mrs. Shepard was "piped aboard" by a detachment of Cadets. She and her family had lunch at the home of Captain and Mrs. W. Kable Russell after meeting members of the Administrative Staff and taking a tour of the campus.

Plans for the construction of the cadet activities center first were made by the Parents' Association in October, 1957. Ground was broken May 14, 1961. Funds were raised by the Parents' and Alumni Associations, along with donations by friends of the Academy.

Captain Raven O. Dodge, headmaster, welcomed those attending the dedication. The invocation was given by a 1937 graduate, the Rev. Robert C. Bonar, rector of St. Luke's Episcopal Church, Sea Cliff, N. Y.

Captain Russell and Cadet Richard C. Rissel, battalion commander, accepted the key to the building from Albert Micklewright, Toms River architect. Joseph D. Ardleigh, Greenwich, Conn., president of the Parents' Association, and Mr. Hurt gave short addresses.

The dedicatory prayer was offered by the Rev. Ansley Gerard Van Dyke, Academy Chaplain. The Rev. Richard J. Herschel, a 1945 graduate and rector of St. Alban's Episcopal Church, Newtown Square, Pa., gave the benediction.

Other guests introduced were Lawrence Simpson of Simpson Construction Co., Toms River, the general contractor

for the building, and Captain F. N. Klein, Jr., commanding officer at Lakehurst Naval Air Station.

The judges for the Manual-of-Arms contest were Major Kenny C. Palmer, USMC '40, Willow Grove, Pa. Naval Air Station; Lt. Jesse Randall '52, Red Bank; Lt. Timothy J. Connolly, Phila., Pa.; and Lt. John Wootton, Boonton, New Jersey.

After the dedication and parade, Mrs. Shepard was guest of honor at a reception in the home of Captain and Mrs. Dodge, 452 Compass Ave., Beachwood.

14 Cadets Receive NAVSCI Certificates

Fourteen Cadets were awarded certificates by the Navy Department's Bureau of Personnel at a special morning ceremony and parade on June 2.

The certificates were presented by Vice Admiral Roscoe H. Hillenkoetter, USN, Ret., former Commandant of the Third Naval District, who also reviewed the Corps of Cadets as they passed by in his honor. The certificates were given in recognition of those Cadets completing three years of naval science instruction.

Receiving the awards were: Thomas Black, Gary Brown, Kurt Kiefer, John Lewinger, Cyrus Radford, Henry Young, John Kelley, Fred Bohorquez, Edward Gasperski, Charles Leonard, Wm. Masciangelo, Glenn Mitchell, William Motter, and Victor Saitta.

Beech Gift Names Room For Kansas Air Firm

The large conference room in Shepard Hall will be named the Beech Room, according to an announcement by Captain R. O. Dodge, Headmaster.

Captain Dodge revealed that a gift of \$6,000 has been received from the Beech Aircraft Corp., Wichita, Kansas, to pay for the cost of constructing a room that size.

The room, which can be made into two smaller rooms by the use of a sliding door, will probably be used for publications activities, as well as for meetings of small groups, Captain Dodge said.

Alumni Memorial An Impressive Entrance

The impressive entrance to the new Shepard Hall brought many comments of praise from alumni and parents visiting the new building during the dedication ceremony.

Dedicated to the memory of the twenty-six Farragut graduates who lost their lives in World War II and in Korea, the memorial lobby was built by the Alumni Association at a total cost of \$7600. Of this amount, \$5000 went for the actual construction cost of the area, while the balance was in payment of the black and bronze memorial erected on the east wall.

The room is completely paneled in rich, dark brown walnut, and has a floor of slate gray flagstone. The area immediately in front of the memorial is black flagstone and forms a base for the flower box of greens that sits below it. Overhead are large white panels on the ceiling, each separated by attractive aluminum strips. An area of translucent glass, 6' x 10' and made to match the other panels, has lighting behind it that forms a definite part of the memorial when lighted.

On the north wall to the left of the entrance is a large color photograph of Commander Shepard in his naval uniform, plus three smaller color pictures showing various stages of his actual May 5, 1961 history making flight.

Cadet Units In Armed Forces Day Program

Units of the Corps of Cadets participated in the annual Armed Forces Day program at Lakehurst Naval Air Station on Saturday, May 12.

The Farragut Band, Drill team, and color guard departed for Lakehurst at 8:15 A.M. using the A.F.A. bus and one Navy bus. They arrived at about 9 o'clock and started to perform almost immediately. There were not many spectators at first, due to the early hour; however, it was quite crowded when they left. The Band and Drill Team went through a routine much like the regular parade procedure. They marched on the field to "Sempre Paratis", the band then marched while playing "Military Escort". The Drill team performed with precision after which the National Anthem was played. They marched off the field to "Anchors Aweigh," the band marching on to the huge main hangar. There they played a concert of military marches for one hour.

Elected PA President For Second Term

Joseph D. Ardleigh was elected president of the Farragut Parents' Association for a second term at the annual meeting held on May 13. It was the first time a president was elected to succeed himself since the organization was founded in 1957. The term is for one year.

Other officers elected were: D. Richard Blasi, First Vice President (2nd term); Virginia Parry, Second Vice President; Hollister Moore, Third Vice President; Dorothy Bower, Secretary; Dr. Arthur C. Tutela, Treasurer.

Elected for three year terms as members of the Executive Committee were: James Pendleton, S. Thomas Fogliani, Stephen J. Deitz, and Ernest C. Raynor, Jr.

Members with unexpired terms serving on the Committee are: William Kiefer, Edward Howell, John Goehrig, Dr. Harold Golz, and Gilbert Sykes. Staff members working with the Committee include Captain R. O. Dodge, Headmaster, and LCDR W. R. Masciangelo, Public Relations Officer. LCDR Masciangelo is the Executive Secretary of the Association.

Four Gifts Given To The Academy By M. C. Rissel

The Academy was recently presented with four gifts by Martin C. Rissel, Sea Girt, father of Richard C. Rissel, Class of 1962, who was Battalion Commander during the 1961-62 school year.

The gifts were a beautiful, glass-enclosed model of a square-rigged sailing ship, a battleship-sized American flag, a three-way set that includes a television, radio, and record player, and a handsome refectory type table.

Mr. Rissel is a former officer and member of the Parents' Association Executive Committee.

Sloop Added To Fleet Is Gift From Local Doctor

Another boat was added to the Academy fleet on June 8th when the 21½ foot sloop, "Leisure" was brought to the waterfront to be readied for use this summer.

Complete with two sets of sails and an outboard motor, the boat was donated to Farragut by Dr. Wm. E. Studiford of Bay Head, N. J. It was built twelve years ago by the Johnson Boat Yard of that town.

Shep Says Thanks

June 5, 1962

Dear Fellow Alumni:

I would like to express my appreciation to you for the very thoughtful gift presented at Farragut on May 13, 1962, during the dedication ceremonies at Shepard Hall. Let me assure you that this action only enhances the warm feelings which I have always held for the Academy and for its associates. I hope that our program and that my actions will continue to focus attention on Farragut and that the Academy will continue to benefit from this association.

As some of you know, I was unable to attend the dedication ceremonies, but I look forward to visiting the campus at some future date.

My thanks again for the fine watch which you presented to me and my warmest personal regards to you all.

Sincerely

Alan B. Shepard, Jr.

Commander, U.S.N.

Salutatorian

Robert Gwynne Elwell

In keeping with the Academy's tradition, the salutatorian of the Class of '62 was chosen just preceding the final commencement exercises. This year the honor went to Cadet Robert G. Elwell of Staten Island, New York.

Bob entered Farragut in 1960, and was mustered into the Third Company, returning this year as a third class petty officer. After his three years of Naval Science, he has risen to the BM3 rate, helping to support his First Platoon.

Bob's activities at Farragut include high spots on the Chess and Mathematics Clubs. Others include Cotillion and action on the winning 3-1 basketball squad. At home he spends a great deal of time at the golf course. In the summer he has worked with the New York Stock Exchange as an assistant.

Standing second in his class, he was inducted into the Cum Laude Society along with classmates W. Lucas, R. Marzano, and R. Rissel on April 11. Bob hopes to attend Brown University on an R.O.T.C. honor scholarship. He will major in applied mathematics.

Music Groups Have Fun at Newton Party

Each year, it is the custom for the Music and Art Club to attend Mr. Newton's Party, which is held on Memorial Day.

Following a long morning of marching in the Toms River Memorial Day parade, Cadets at the party started off the afternoon with a refreshing swim in the Toms River. There were numerous activities including baseball, football, ping-pong and just plain relaxing. Refreshments were served at Mr. Newton's home. There was plenty of food, which the cadets took at their leisure while the dance band played. Old memories were brought to mind when everyone gathered around and listened to a tape of the spring concert, old favorites, and jazz records.

A perfect party was brought to an end when Mr. Newton was presented an amplifier by Cadet Fritz Burkhart as a token of appreciation from the Music organizations for his constant devotion to the musical training of the Cadets.

Valedictorian

Richard Carl Rissel

At the honor spot in the Class of '62, is Cadet Richard C. Rissel of Sea Girt, New Jersey. During his four years at Farragut he has proved himself an outstanding athlete, student, and leader.

Rich's career has seen him participating in three military ranks, each with notable success. After joining the Third Company in 1958, he became its guidon in his second year, and last year stood as the Battalion Chief Petty Officer. This year he returned as the Battalion Commander.

A natural athlete, Rich has participated in three varsity sports during each of his four years. He led the football team this year as co-captain and highlighted the quarterback spot. He runs the 880 and throws the javelin on the track squad. As captain of the basketball squad, he made the All-County second team as the highest scorer of the Middie courtmen, averaging 21 points per game (35 points against Peddie at the N.J.I.S.S.A. tournament).

Rissel has always been high on the honor roll, and at the No. 3 spot in his class, he is a member of the Cum Laude Society. Rich will attend Trinity College next year, majoring in Liberal arts.

His extra-curricular activities include the Trident, Capstan, President of the Monogram Club, plus Hop Committee work.

Seal Of USS ROBISON Sent As Gift To School

The crew of the U.S.S. ROBISON (DDG-12), named in honor of the Academy's first superintendent, Admiral S. S. Robison, USN, recently sent the school a plaque of the ship as a gift.

The bronze seal is mounted on a wood shield and bears a brass plate of the commissioning date, December 9, 1961.

The ROBISON is the first ship of the Navy to bear this name. It carries a wide range of destructive armament, more than ships twice her size in World War II. Its primary mission will be to protect task force units from any enemy, in the air or lurking in the depths of the sea.

Captain Paul C. Crosley, USN, Ret., head of the Naval Science Dept., and Cadet Ensign Cyrus S. Radford '63, attended the commissioning exercises of the ship in Boston last December.

Salute to a Charming Lady

Mrs. Louise Shepard, substituting at the dedication exercises on May 13 for her absent husband, Commander Alan B. Shepard, displayed unusual charm and poise in carrying out all of the many requirements of the day that were demanded of her.

From the time she was "piped aboard" by a detachment of Cadets, met members of the Academy's Administrative Staff, toured the campus, lunched at the home of Captain and Mrs. W. K. Russell, participated in the dedication exercises, reviewed the Corps of Cadets at the parade, presented and received awards, and attended a reception in her honor given by the Headmaster, Mrs. Shepard took everything in stride with a spirit of pride and a feeling of humbleness that she could represent her husband at a time like that.

Hats off to a gracious, lovely, and charming lady!

Let's Have More

Extra-curricular activities that make strong demands on an individual's time do not necessarily produce results that are always commendable. The dramatics productions at Farragut during the past three years, however, do reflect a masterful touch of direction and knowledge by the faculty advisor, Dr. Lee B. Roach. Like the excellent showings made by the Music Department groups over the years, Farragut's efforts in thespian affairs have attained unusually high standards of the amateur theatre. Let's have more productions like "A Sound of Hunting" in the future.

Care of the New Building

Shepard Hall is the result of years of saving and scraping for funds. It was built for us, the Cadets. It contains a First Class Room, a lounge, a band room and band facilities, hobby rooms and a brand new Canteen. These are facilities never before offered to a Farragut Cadet. Let's take care of Shepard Hall. It's ours.

JUNE WEEK TRADITION — Battalion Staff and unit commanding officers review the final parade of the year with their sponsors on Saturday, June 2.

BEST DRILLED — Mrs. Alan B. Shepard presents Alumni Association gold belt buckle to Cadet David H. Goehrig '64 after winning title of "Best Drilled Cadet" in the annual Manual-of-Arms contest sponsored by the Association on May 13.

Goehrig Wins Annual Alumni Drill Contest

Sunday, May 13th, saw many events held at Farragut, including the Annual Manual-of-Arms competition for the Corps of Cadets. Thirty previously picked cadets were formed into one platoon and Batt. Commander R. Rissel gave them the manual and other basic maneuvers. Four graduates of Farragut, Major K. Palmer '40, Marine Corps, Lt. J. Randall '54, Marine Corps, Lt. J. Wootton, U. S. Army, and Lt. T. Connolly '55, U. S. Army, were the judges. They quickly whittled the thirty down to three: Cadets E. Benson, D. Sutton, and J. Goehrig. Cadet Benson made his mistake on an inspection arms command and for a few tense minutes Cadets Sutton and Goehrig battled it out. Each Cadet moved his piece with exact precision but finally Cadet Sutton delayed momentarily on a command and was eliminated, leaving the field to Cadet Goehrig of the Third Company. Mrs. A. B. Shepard presented the winner with the award, which was sponsored by the Alumni Association.

"Quotable Quotes"

"Learn to finish any job you start. You have learned this lesson and I hope you will continue to do so in life. Too many persons today do not finish the jobs they start."

☆☆☆

"We are grateful for the basis of moral strength which we have acquired and the lessons of honesty that we have received. At Farragut we have been taught to take orders and maintain discipline, but we have also been taught to think for ourselves and to act on our own ideas. We have been taught to take responsibilities and yet in our own responsibilities we have been taught to work cooperatively with others in achieving common goals. We have been taught the meaning of responsibility in striving toward a real maturity as worthwhile contributing citizens."

War Drama, "A Sound of Hunting," Viewed By Enthusiastic Audience On May 12

Saturday, May 12, the Dramatics Club, under the direction of Dr. Lee B. Roach, presented to the Corps of Cadets and guests the war story, "A Sound of Hunting", by Harry Brown. The characters were portrayed well, as was shown by the elated applause of the audience upon completion.

It was a three act play with the setting in a house on the outskirts of Cassino, Italy, January, 1944. A squad of eight G.I.'s was occupying the house. The plot started when one of the G.I.'s, PFC Small, became separated from his patrol and was pinned down by a new German machine-gun nest. The situation became complicated when the squad learned that they were moving out that night. All this was complicated further when a war correspondent, Fred Finley, came to write about the squad in action. The play dramatized how the members of the squad reacted to the over-all situation.

The cast included: PFC. John Small, portrayed by John Lewinger; Frederick Finley, depicted by Charles Jackson; Capt. John Trelway, company commander of the squad, acted by Frederick Burkhart; Lt. Allen Crane, platoon commander of the squad, portrayed by Ronald H. Leiser; Sgt. Thomas Carter, an old friend of Capt. Trelway, acted by Thomas Hayes; S/Sgt. Joe Mooney, the squad's leader, depicted by Gary Daniels; PFC Charles Coke, trigger-happy, hothead squad member, acted by Raymond A. N. Bradley; PVT Dino Collucci, squad member who finally did something about Small's position, portrayed by J. Glynn King; T/S Frank Daggert, the Captain's aide, depicted by Douglas Brown; PFC. Saul Shapiro, squad member that was always hungry, acted by Victor Saitta; PFC. Karl Muller, the only squad member who got mail, portrayed by Bryant Crouse; PFC. Morris Ferguson, squad member, acted by David McElvein.

After the play, Alvin S. Gerber, president of the Dramatics Club, presented a typewriter to Dr. Roach, in behalf of the club, for his diligent service in the past season. "Doc" expressed his gratitude for the typewriter and for the excellent performance of the club members during the past year. Doc has been director of the club for three years.

JUNE GRAD — Ted Lundberg '58 was graduated from Lafayette College on June 8 with an A.B. degree in government.

Maltby Plays Ball In Southern Setting

The June Ball, the big social event of the year at the Academy, was held Friday night, June 1, in Robison Hall. All the Cadets and guests were met by a reception line including Captain and Mrs. Russell, Captain and Mrs. Dodge, Captain and Mrs. Reinhard, Commander and Mrs. Guy, and Battalion Commander Rissel and his date, Miss Karen Pearce.

Many New Orleans scenes with pink and white decorations changed the gym into a happy Southern dance hall. A fountain of water, with a pink base, made an attractive center piece.

Richard Maltby and his band provided excellent musical entertainment, playing a wide variety of music, from waltz to jitterbug.

The canteen on the ground floor furnished a spot for everyone to refresh and cool themselves from the heat of the gym.

Corps Enjoys Pianist At Evening Program

On Saturday, April 14, a special program was presented to the Corps featuring a male pianist, Mel Ecrin. From the moment he started until he finished, the audience's full attention was centered on his performance. Mel played everything from Beethoven to modern jazz and rock-and-roll, all with such skill that every piece was thoroughly enjoyed by the Corps.

Throughout the performance he carried on a running monologue, making puns and cracking jokes about everything musical. He also sang and did impersonations of modern day singers, as well as a few famous pianists. The evening ended with rafter-ringing applause by both Cadets and faculty.

Memorial Day Parade Led By Cadet Corps

On Wednesday, May 30, the Corps of Cadets paid homage to the Nation's war dead by participating in the annual Memorial Day Parade in Toms River. At 0800 the Corps embarked for Toms River; the First Company going by whale boat, the traditional ride for the Honor company, while the other companies went by bus and truck.

The Corps formed at the Mathis Plaza, South Toms River Memorial Park, from which they joined the parade, and proceeded up Main Street to the Toms River Cemetery. The Band, in keeping with the spirit of the day, struck up "Onward Christian Soldiers," as the Parade slowed to a very solemn pace. In the cemetery services were held in honor of the Nation's war dead, and a twenty-one gun salute was fired by a Marine firing squad while taps was sounded by Cadets Hollander and Dowd.

From the cemetery the parade proceeded to the Town Hall, where more ceremonies were held. Hon. Frank Matthews gave a speech on the importance of patriotism. The festivities at this point were dampened by a brief period of rain, but the ceremonies continued. Again the Marines fired a volley salute, and taps was sounded.

After the program, the Corps broke with the rest of the parade units and returned to the School.

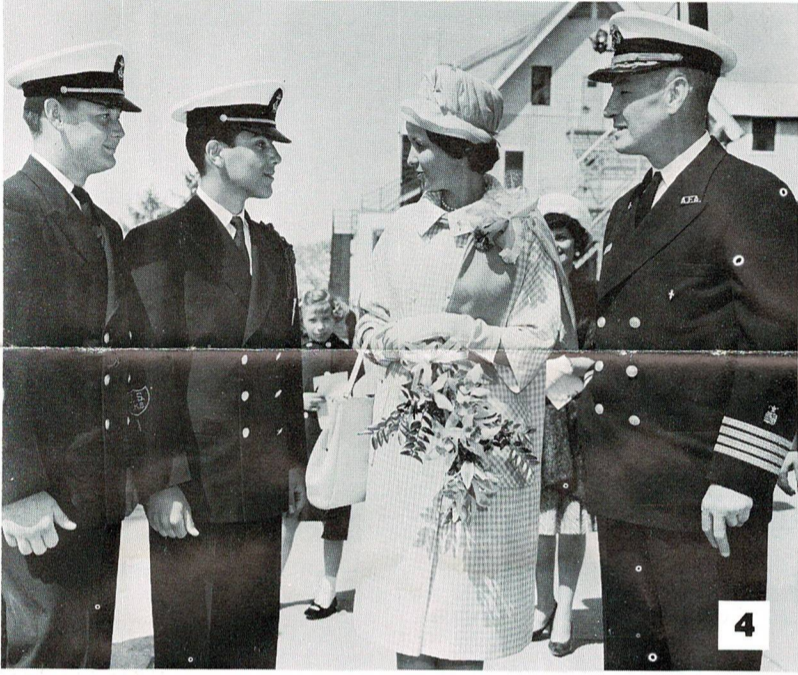

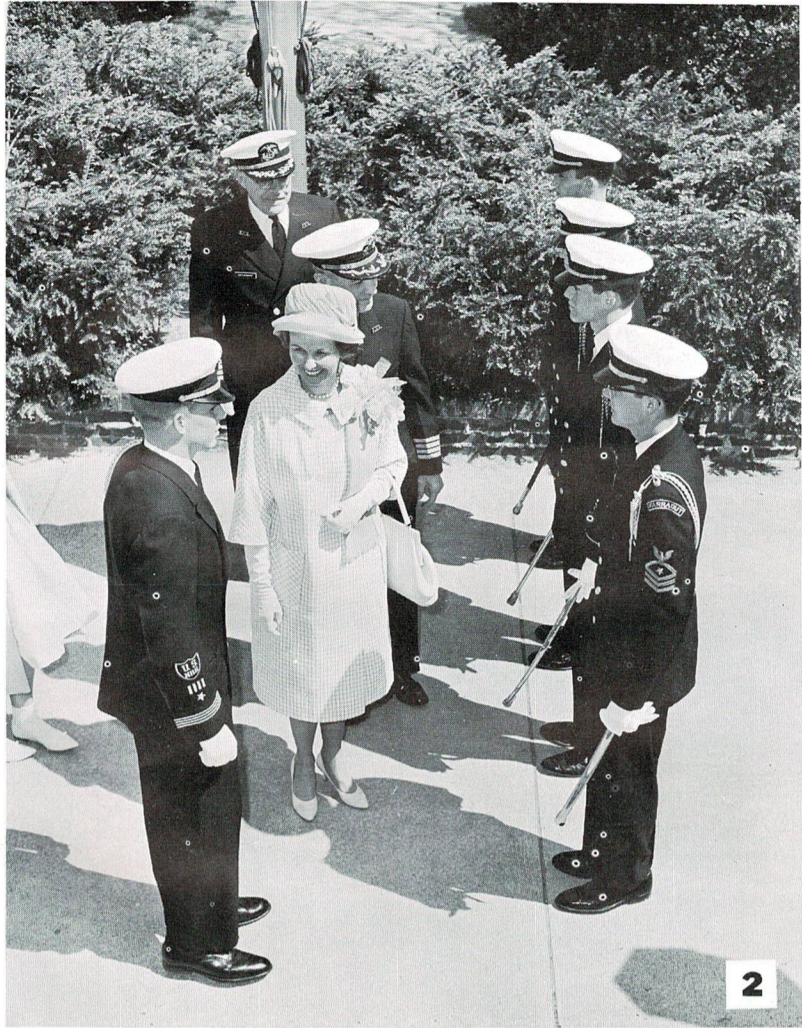

MAY I PRESENT? — Cadets and their ladies meet Academy officials and their wives during the "reception line" at the June Ball.

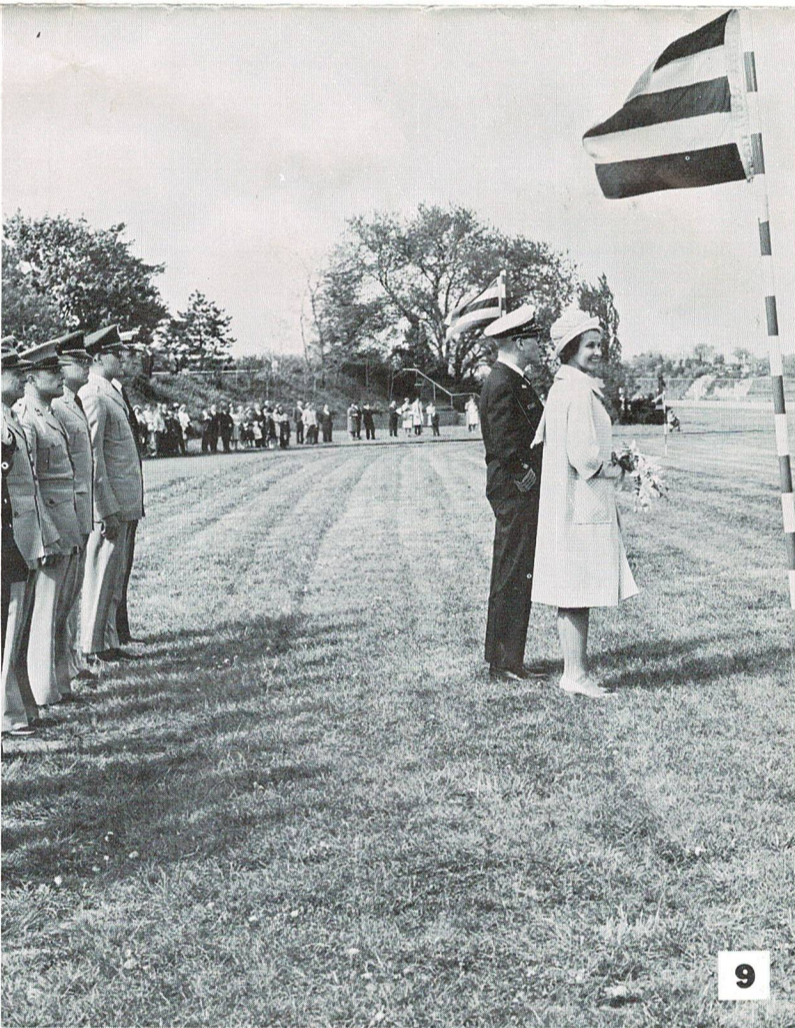

BIG BAND SOUND — Richard Maltby and his orchestra provided some of the nicest music ever heard at a June Ball, according to comments heard at the affair.

TIME FOR PAUSE — Cadets Ronald Leiser (right) and John Mugford and their drags stop to chat with LT and Mrs. Tom Burke during an intermission.

DEDICATION DAY AT AFA

- 1 WELCOME** — Cadet detachment "pipes aboard" Mrs. Alan B. Shepard at 11.00 A.M. May 13, for day-long program leading to the dedication of Cadet Activities Building.
- 2 MEETS** — Cadet LCDR Richard C. Rissel '62 introduces guest to members of his staff prior to meeting Academy's Administrative Officers in Farragut Hall.
- 3 OFFICIAL NAME**—Captain R. O. Dodge, Headmaster, points to name of new building during hour-long tour of the campus. Mrs. Shepard's parents, Mr. and Mrs. Russell Brewer, daughter Juliana, and niece Alice, accompanied her during visit.
- 4 EAGER LISTENERS**—Mrs. Shepard pauses for a chat with Cadets Gary Hancock '65 and Robert Licciardello '63, during her morning tour of the Academy grounds and facilities.
- 5 ON BEHALF OF**—Mrs. Shepard expresses her husband's gratitude for the honor of having the new Cadet Activities Building named after him. She said Farragut training had helped her astronaut husband through the U. S. Naval Academy later on.
- 6 DEDICATION CEREMONY** — Crowd of over 2000 witnessed the impressive dedication program. Among those present, in addition to the Corps, were past and present parents, alumni, and friends.
- 7 THE KEY**—Mayor Benjamin H. Mabie presents to Mrs. Shepard gold key to the Borough of Pine Beach, which he asked her to give to her husband.
- 8 IN APPRECIATION**—Alumni president Philip Hurt '38 gives Mrs. Shepard a gold watch on behalf of the Academy's Alumni Association. Watch was awarded to Commander Shepard because of the great honor he has brought to his Alma Mater through his space achievements.
- 9 PASS IN REVIEW**—Mrs. Shepard steps forward to take review of the passing Corps of Cadets in parade scheduled for her honor. Alumni judges of the Association's manual-of-arms contest, Kenny Palmer '40, Jesse Randall '52, John Wootton '52, and Tim Connolly '55 are shown behind her.

Faculty Trims Class of '62 Diamond Team

During optional period of the last Tuesday in the school year, an exciting softball game was played in which the A.F.A. Seniors received a sound beating in their annual game against the Faculty. Piloted by Coach Stan Slaby, the faculty team was able to win out over their aggressive adversaries by a score of 12-6.

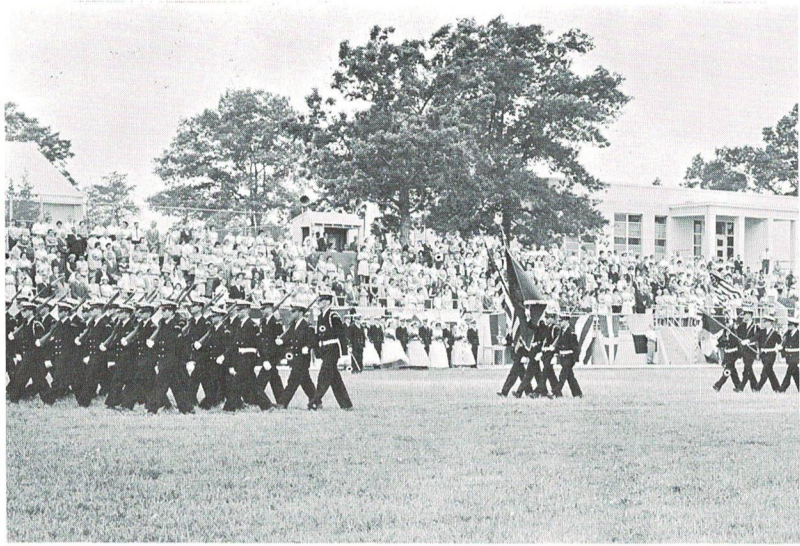

The seniors were not left behind in the beginning of the game, however. It started off with a 3-0 score at the end of the first inning in favor of the Class of '62. Coach Slaby soon changed this, though, when he made a three base hit which also brought in three runs for his team. Bill Masciangelo, the Seniors' captain, started off by hitting two home runs the first two times he came to bat. Both teams kept the competition spirit high throughout the game, so everyone involved enjoyed the afternoon.

HONOR AWARD — LCDR Wm. Masciangelo, Alumni Secretary, presents the Association's Honor Company Trophy to Cadet Ronald Leiser '62 commanding officer of the Third Company, winner of the "colors" this year.

WELL DONE — Vice Admiral Roscoe H. Hillenkoetter, USN, Ret., presents Navy Dept. certificate to Cadet LT Tom Black '62 for having completed three years of Naval Science.

FINALE — Units of the 1961-62 Corps of Cadets pass in review at final parade of the school year. Third Company won "colors" for their efforts.

Jupp '39, Ogden '45 Deaths Are Reported

The unfortunate, and tragic, deaths of two members of the Alumni Association were reported recently to the Alumni Office.

Stanley D. Jupp '39 was killed on February 21st of this year in an accident at the Todd Shipyard Corporation, New Orleans, La., where he was Ships Superintendent. He had been associated with the Navy and Merchant Marine from 1941, serving in various positions with both of these services. A member of the Elks and the Marine Club of New Orleans, Stan leaves his wife, Mamie and three sons, Stanley III, Rodger, and Terence.

While at Farragut he was a 2nd class petty officer, a member of the Second Company, track team manager, and played Jr. Varsity football.

Alfred G. Ogden '45

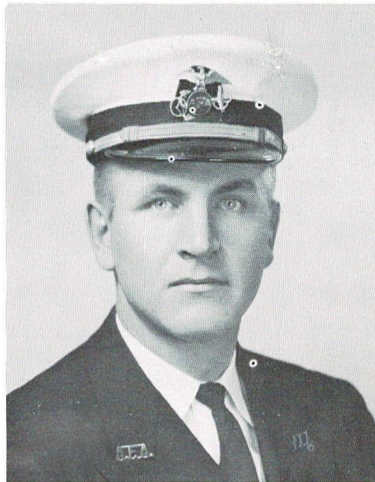

Alfred G. Ogden '45 died suddenly of a heart attack on January 28, 1962, at the age of 34. He was a graduate of Cornell University, Class of 1950, a chemical engineer, and was working for the Hercules Powder Co. as a sales engineer at the time of his death.

"AJP was a member of Phi Sigma Kappa, American Chemical Society and the American Institute of Chemical Engineers. He was married to the former Patricia Gabriel and he had two children, Aillinn 7, and Ralph 5.

At Farragut he was an ensign of the Third Company and an Honor Naval School designate. He participated in varsity rifle, Capstan, Honor Council, Science Club, and in Inter-company football, wrestling, and softball.

FACULTY SPOTLIGHT

Lt. Thomas Burke has been at Farragut four years, taking part in many of the Academy's activities. Before coming to the Academy, Lt. Burke served in the First Marine Division in Korea, attended the University of Colorado, and held an ROTC commission as Second Lieutenant.

This last year he has taught Modern History, Problems of American Democracy, and Geo-Politics, and he is chairman of the Third Class advisor group. Spending much time in the advisor program, Cadet Officer direction and instruction, as a member of the Naval Science Staff, and Drill Master, his main interest is in the guidance of boys. Mr. Burke is an advocate of the "Esprit de Corps", and giving anyone qualified a chance at leadership, making it possible for every Cadet to prove himself.

In the Farragut tradition, Jocelyn, a baby girl, was born to Lt. and Mrs. Burke during June Week last year. Next fall, Lt. Burke will begin work on his Master of Education degree at Trenton State College.

TOP SWORD — Captain W. K. Russell presents navy sword to Cadet Battalion Commander Richard C. Rissel. Sword is in memory of Captain Russell's mother, Mrs. Thomas H. Russell, and is given annually to the retiring battalion commander.

Romefelts Entertained Track Team At Home

Coach Vernie Romefelt and his wife on Sunday, May 20, invited the track team to their home in Pine Beach for a barbeque.

After arriving for the cook-out the team was put to work preparing the food, which consisted of hamburgers, soda pop, salad, and ice cream. Cadets Dan Winer and Art Belefonte were appointed chefs and proceeded to cook a fine meal.

The afternoon was highlighted when the team presented Coach Romefelt with two new stop watches and a promise for a better season next year.

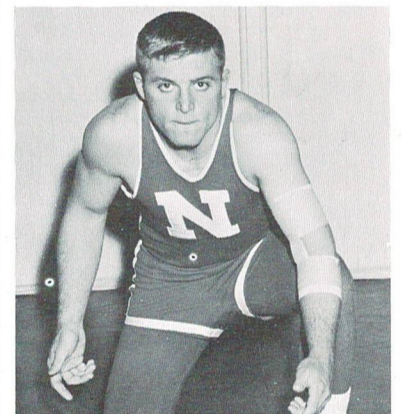

JUNE WEEK from page 1

June Week's calendar of events began on May 29 with a special awards program that evening. (See list of awards on following pages). On Friday, final sailing races were held in the afternoon, followed by the June Ball that evening. Richard Maltby and his orchestra provided the music for the affair.

The final Inter-company infantry drill competition was held on Saturday morning with judges represented by the Marine Detachment from Lakehurst Naval Air Station. The First Company took the final drill, although it lost out to the Third Company in its race in year-long color competition.

THE CHOPPING BLOCK

- Jabberwocky — *Blonk*
- Trees — *Ledewitz*
- Hiawatha — *A certain history teacher who doesn't appreciate pencil pushing.*

PITCHING STRENGTH — The Middies pitching staff this year figured heavily in the winning season produced by the varsity nine. From left to right are Carl Jacobson '62, Gino Bianowicz '62, Tom Fogliani '64 and Gerry Robinson '63.

Diamond Team Posts 6-3 Record To End Season; Beats BMI In Thriller

The Farragut baseball team ended this year's diamond season with a 6-3 record. One game, with George School, was cancelled because of rain and was not rescheduled.

Peddie

Starting the season against Peddie, the Middies scored twice in the third inning when Spence and Jacobson were doubled home by Hayes. The remaining two runs came in the 5th inning on a double by Gilray which scored Jacobson and Brown. By defeating the Peddie team, Farragut avenged losses to Peddie in basketball and football.

Delbarton

The Farragut team traveled to Delbarton and dealt the Green Wave a 4-3 defeat. All of the Farragut runs were scored in the first inning. Robinson scored on a double by Hayes. Jacobson then rocked a pitch deep into center field for a home run. The last run was scored by Pizzi who advanced to third on a wild pitch and came home on a wild throw to third. Good pitching by Fogliani and Jacobson held the opposition to three runs.

Valley Forge M. A.

With two victories under their belt the Middies next made the long trip to Wayne, Penna. only to lose by one run. The Army team scored a run in the 1st and sixth innings while the Farragut team was held scoreless until the 9th inning when Brown stole home. Strong pitching was provided by Jacobson but with only three Middie hits they were not enough to pull the game out of the fire.

St. Benedict's

Again a lack of hitting, as evidenced by only 5 Farragut hits, and a number of errors, contributed to the worst loss of the season. The lone run for the Middies came on a single by Gilray and a double by Spence. St. Benedict's 15, AFA 1.

Central Regional

The Middies bounced back to victory in what was the only extra inning game of the season. In the first inning Jacobson tripled home the first run and in the fourth inning Robinson scored

third on an infield error. Bob Gilray doubled in the fifth inning with bases loaded and in turn was doubled home by Brown for a four-run inning. With the score tied, Ferguson stole third and then scored on a wild throw to third, to win 7-6.

Hun

The Middies traveled to Princeton and lost a disappointing game to Hun, mainly due to a number of errors. Jacobson pitched a good game and also drove in two runs with a long triple to center field. Hun 7, Farragut 3.

Pennington

Playing at Pennington, the Farragut team tallied its highest score of the season, scoring six of their 16 runs in the third inning on hits by Meyer, Greenspan, Bianowicz, Fogliani and Robinson. Other hits for the game included singles by Moore, W., Marzano, McSherry, Fogliani and Jacobson; doubles by Morelli and Gilray, and a two run homer by Spence. Farragut 16, Pennington 6.

Bordentown M. I.

On Wednesday, May 23, Farragut played host to Bordentown Military Institute. The Army team bitterly went down in defeat, losing to the Middies for the first time in ten years in a game which provided the most prominent and stimulating victory of the season. Carl Jacobson won the game with a tremendous one-hit ball game. Three Farragut runs were scored in the second inning on a double by Marzano after Pizzi, Brown, and Hayes had singled. Another run was added in the fourth on hits by Bianowicz and Marzano, and one more in the fifth on hits by Spence and Jacobson. In the sixth inning Hayes brought in two more runs with a double. The last run was scored on walks in the seventh. Middies 7, Soldiers 3.

Pingry

The Middies ended the season with a 5-4 victory over Pingry. One run was scored in the first when Robinson doubled and came home on a wild throw. With two on, Marzano singled, bringing home two runs in the fourth. In the sixth inning Brown connected with a line drive home run to left center field, accounting for the last two runs of the season.

Spirit, Initiative, But No Experience

This year's track team had a great deal of spirit and initiative with which to work. However, due to inexperience and poor facilities, the squad could not do as well as desired. Even though this was true there were still many excellent performances at the meets that showed great promises in the years to come.

The first meet against George School on April 14th showed signs that the team needed more work. Even so it came up with a good display of action: Hughes took a 2nd place in the high hurdles, Orton took a 2nd in the 100 yard dash, Bolton and Applegate took a 1st and 2nd respectively in the high jump, and Ardleigh took a 2nd in the pole vault. After coming off the field the score was 87 to 23. The team was cheered up by attending supper and a dance afterward at George School.

Two weeks later on April 28th, the squad headed for Peddie. The team went into the meet with high spirits because of two weeks of steady practice but this soon disappeared. The Middies failed to capture any firsts. Seconds were taken by Rissel in the javelin, Tritsch in the vault, and Bolton split a 4 way tie for second place in the high jump. The score of the meet was 105 to 13.

On May 3rd the team appeared at George School again, attending the invitational meet being held there.

On May 5th the Middie trackmen set out for Bordentown to meet B.M.I. on the field. Schaffer took a 2nd in the 440 yard dash, Rissel took a 2nd in the 880, Burkhardt took a 2nd in the mile, Hughes took a 2nd in the high hurdles, and Ardleigh and Esrig collaborated in a three way tie for first in the pole vault. The score was 80 to 50.

At the Delbarton meet on May 12th the "Thinclads" made their best appearance with the score standing 75 to 55. Padgett took a 1st in the discus, Rissel took 1st in the 880, Bolton won the high jump, Hughes gained a second in the javelin (a switch because there were not any hurdles). Winer placed 2nd in the shot put, Schaffer earned 2nd in the 100 yard dash, Orton placed 2nd in the 220 yard dash, and Crouse ended the day with a second in the broad jump and a third in the discus.

The last meet of the season, held on May 15th against Pingry, crowned all hopes gained from the Delbarton meet. Rissel took a 2nd in the 880 and Ardleigh and Tritsch held on with a 4-way tie for first in the pole vault. The final score was 100½ to 14½.

Both Coaches Romefelt and Stinner are counting on underclassmen to push the teams potential for a more successful season next year.

'62 Grid Team To Meet Same Opponents As In '61

The 1962 varsity football schedule will be an exact duplicate of the '61 season when the "Big Blue" squad meets Peddie (Oct. 6), Blair Academy (Oct. 13), Delbarton School (Oct. 20), Pingry School (Oct. 27), New York M. A. (Nov. 3), and Valley Forge M. A. (Nov. 10).

Alumni Homecoming Day has been tentatively set for Saturday, October 20th.

Sports Twirl

by BRYANT CROUSE

What kind of a year has it been for A.F.A. sports and what are the promises for next year? In general, the School has had a very good year. The football team posted a 2-3-1 season, and considering our small enrollment compared to the enrollment of other schools we play, the team did exceptionally well. Another promising note applies to the thought that the majority of the team will be back next year.

Our winter sports were the most rewarding. The wrestling team, which had only 3 seniors, posted a 5-5 season. In addition, six of the returning grapplers will attend the Lehigh University Wrestling Clinic for one week in August. The Middie basketball team did an outstanding job as it closed the season with a 9-5 record. Next year promises as well if not a better season with many returning lettermen.

For the spring sports the baseball team turned in a 6-3 season. Although the track team did not fare well, it showed great spirit and drive. The team is losing only 5 seniors from a 40-man squad.

A closing comment on the year's athletics would certainly attest to a fine job done by the boys and the coaches.

Weightlifting Club Formed By Cadets

Late in April a new club, the Admiral Farragut Weightlifting Club, was formed by Cadets Bill Masciangelo and Bryant Crouse. Members were chosen according to character, scholastic ability, and athletic proficiency. Within two weeks \$150 was collected from the enthusiastic members. The following Sunday the Club members met and cleaned out the old Dramatics Club workroom in Clark Hall, to serve as the weight room.

Friday night, May 11, a representative of the York Barbell Club, Dave Mayor gave a lecture on the proper method of weight training. Mr. Mayor was a member of the 1936 Olympic Weightlifting Team, one time possessor of the world's longest arms, and a professional wrestler in 1940 and 1941. After the lecture the Club bought equipment through Mr. Mayor, ordering a pressing bench, a squat rack, two 210 pound weight sets, and an extra 6 foot bar.

In addition, an air conditioner has been donated for the weight room by a Club member's interested father. Furthermore, a \$100 donation from another parent has been promised. With this the club is planning to buy an isometric rack which involves a new method of limited movement exercise.

The purpose of the Club is to instill a desire for physical fitness within the Corps. The Club recognizes that weight training is an especially effective method of improving at a chosen sport.

Sounds at AFA

"Oh, thay"
 "Don't mean a thing"
 "Take it"
 "Mr. X is cheating, Sir"
 "Take a lap, Goofy"
 "Hey, Boy"
 "Reefers off"
 "Bzzz"
 "Onomatopoeia"
 "Get out of my Library"
 "What dat mean"
 "Write to the President if you want your yo-yo back."

SMILES — It's all smiles as Monogram Club speaker (left) Jack Armstrong shakes hands with Athletic Director Stan Slaby. Looking on are two Club members, Al Applegate and Bill Masciangelo.

Monogram Club Hears Columbia Frosh Coach

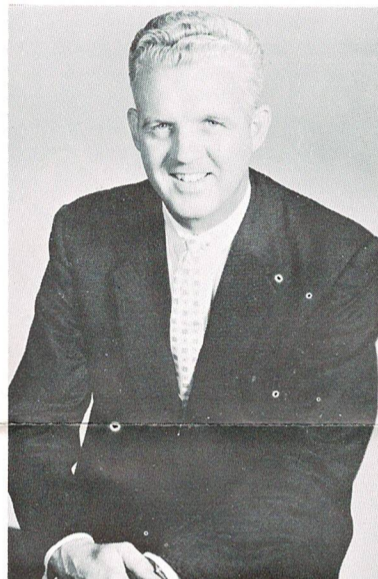

On Friday evening May 25, the Monogram Club held its annual dinner at Citta's Old Time Tavern, Toms River. The guest speaker for the evening was Jack Armstrong, freshman football coach at Columbia University.

Before the dinner began members had an opportunity to meet and talk with Mr. Armstrong. After the dinner, which consisted of a choice of delicious steak or lobster, Mr. Armstrong delivered a speech on the importance of paying the price. In his speech he said that in order to achieve any goal in life one must be willing to pay the price.

As a token of its appreciation, the Monogram Club presented Mr. Armstrong with a set of plates depicting different Farragut views and buildings. Other guests at the dinner were Captains Dodge, Reinhard, and Crosley, LCDR Masciangelo, Lt. L. Speck and SGT. E. Speck.

THESPIAN—Appearing as "Earthquake McGoon" in the Dartmouth College production of *L'il Abner* during the Winter Carnival in February, was John Stonebanks Mohns '59. At Dartmouth John is a member of the Gamma Delta Chi fraternity and is active in the college radio station, WDCR. He is also affiliated with the Glee Club, the Geological Society, the Skating Club, and the Dartmouth crew. He is a physics major.

WE'RE PROUD — James J. Ward, Jr., '39 was honored by the Ft. Lauderdale Fla., Chamber of Commerce for his efficient administration of Plantation (where he is Mayor), improvements, recreational facilities, and for retiring the debt on city hall seven years ahead of schedule without any real estate taxes imposed on the city. Some years ago he was selected by the New York City Chamber of Commerce as the "young insurance man of the year." He is in the insurance adjusting business.

LITERARY DUO — Two alumni who have had articles published in the U.S. Naval Institute Proceedings are (top) CDR George Cornelius, USN ('38) and CAPT Wm. E. Simons, USAF '45). CDR Cornelius' article, "New Weapons with NATO Nameplates," appeared in February, 1962 while Captain Simons' article, "The Service Academies and Higher Education" was published in October, 1961.

Guest Editorial

Dollars And Sense

"In the good old days", when it was possible to buy several pieces of candy for a penny, it was fun to watch the small children, clutching their precious pennies in their grimy little hands, as they looked over the stock of candy to see where they could get the most for their money. They learned early that they should get their money's worth.

Now, when we deal more in dollars than in cents, we seem to have lost the value of sense as well as cents. (And now I'm talking about a goodly percentage of our own corps of cadets.)

Your parents are making a big investment in dollars to insure that you get a good education. They have sent you to a school which has an excellent reputation in the scholastic field. ARE YOU GETTING THEIR MONEY'S WORTH? Are you putting your best efforts in learning? Are you getting all A's? Are you staying off the "ED" list? Are you involved in school activities?

A great many comments from various cadets can be heard to the effect that the corps doesn't have the "snap" it should have . . . that the morale is low . . . that the officers are picking on the cadets . . . that the teachers are unfair . . . that nothing is going right. A certain amount of griping and complaining is natural. This you will find in all societies, and is generally considered as a healthy sign. However, when griping becomes chronic it resembles a disease, and spreads. A disease must be cured. So let's take a look at the patient objectively and determine how best to cure it.

First, let's look at who is doing the griping. It seems that there are three categories of them . . . the chronic griper, the sympathetic griper . . . and the one who has a real complaint. The worst of these, of course, is the chronic griper. Nothing ever satisfies him, except the trouble he stirs up. Usually he is failing in his studies; he is sloppy in appearance; breaking rules and regulations is a game with him, unless he gets caught, and then he says that he is being picked on. To sum it up, he has no self pride, so how can he be expected to have pride in the corps of cadets. He has no respect for others or to their rights. FUN is his god. Responsibility is his enemy. Poor soul, he can never expect to have true happiness. Until he wakes up to his senses he can never be cured. Is this a description of YOU?

The sympathetic griper is really a pathetic case. He has no real reason to gripe, but he does it to be "one of the boys." He's a follower and hasn't yet learned to stand on his own feet. He listens to rumors and takes them for gospel. Unfortunately, he helps to spread the disease. All of us should help this individual to "find" himself. We can do this by helping to develop his self-respect and individuality. Build him up as an individual. Appeal to his intelligence. Make him feel that he is an important part of the corps.

The cadet with a real complaint usually has the intelligence to solve the problem by going to the source. He is not the one that spreads his troubles all over the campus. And when his problem is solved he has a feeling of self-respect and self-satisfaction.

All of us, at times, have the desire to be non-conformists, although we have little to gain by it. We are bound by certain conventions, rules, regulations, laws, standards, and opinions in every strata of society. By conforming to these restrictive measures, we are able to maintain our proper relationship to one another. We are able to maintain mutual respect.

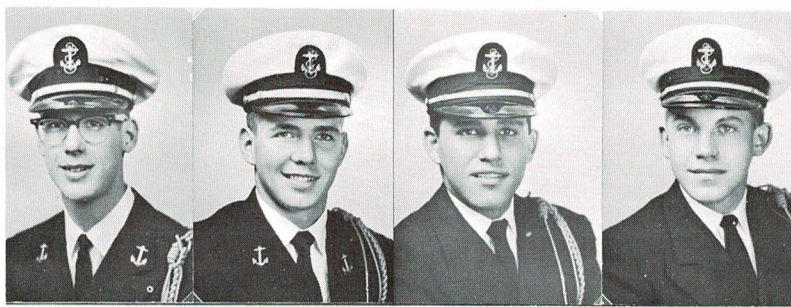

You owe it to yourself, to your parents and to the other cadets to see that you get your parents' money's worth while at A. F. A. You can do this by applying yourself to your studies; by abiding by the rules of the "game"; by respecting the rights of other cadets; by cooperation; and by eagerly entering into the spirit of the corps.

If you think that the corps is in bad shape . . . look first at yourself to see if you have done your share toward maintaining its high standards. Shape up! Analyze your own participation toward the betterment of the corps before criticizing the efforts of others.

KWITCHERBELLIKIN!!!! It makes sense!

STEWART M. L. POLLARD
S/Sgt., U. S. Army

SENIOR CELEBS

Burkhart

Hayes

Marzano

Wilson

Richard Marzano

Rick entered Farragut in 1960 and returned this year as a First Class Petty Officer of the Third Company. He was born in McKeesport, Pennsylvania, and he now resides in West Hartford, Conn.

Excelling in math, he will attend Tufts on a four-year N.R.O.T.C. scholarship, after which, he will spend four years in the Navy and later plans to branch off into electrical engineering.

His activities include varsity football and baseball (co-captain), junior varsity wrestling, inter-company sports, Trident Staff, Math Club, Chess Club, Music and Glee Club, Cotillion Club, Monogram Club, Music and Art Club, Hop Committee, and he is also a member of the Cum Laude Society.

Among his pet peeves are: lazy and unfriendly people. His favorites include: parents, females, little white Tempests and the "Twist".

His words to the underclassmen, exemplified by his own activities, are: "If you keep active and are ambitious, you are sure to achieve your goal in life."

Thomas Francis Hayes III

Tommy was born in New York City on August 24, 1943, and now resides in Bronxville, New York. He has also lived in Madison, Wisconsin, and Manasquan, New Jersey, where he still spends his summers.

Tom joined the Corps in September of '60 as a Junior. He returned this year as a Senior to be the Second Company's Executive Officer. While at Farragut, Tom has been a varsity letterman in football and baseball, and has been in the Monogram Club, the Dramatics Club, the Chapel Club, Hop Committee, Capstan, and the Trident.

Some of Tom's favorites are: Mr. Speck, his roommate's staying up late to study, and '48 Caddies. His pet peeves are: lack of system, rotation, and disrespectful Freshmen.

Tommy has been accepted at the University of Pennsylvania and Villanova, but he hopes to go to West Point to train to be an Air Force officer.

Frederic Burkhardt

Fritz was born, and presently lives in Cleveland Hts., Ohio. He entered Farragut in September of 1958, and since then he has advanced to the rank of Band Company Commander. His first year he became a recognized Cadet about one month before the majority of the new boys.

Looking at his past, he has been on the Varsity track squad and the Varsity Rifle squad, for three years. This year he was Co-Captain of the Rifle team. Other activities include: The Monogram Club, Editor-in-Chief of the Trident, Managing Editor of the Capstan and of course, the Band, and Dance Band. Fritz also took part in the Dramatics Club's presentation of "A sound of

Hunting", this year. Along with all this, he maintains an 80 average scholastically and has received the Band Award (underclass) for two years straight and the Admiral Farragut Academy Award.

During the summer, Fritz works as a laboratory assistant in the Huron Road Hospital in Cleveland. His favorites are "D.W.", swimming, and playing the trombone. Among his pet peeves are smoke bombs and unshined shoes.

Fritz's advice to underclassmen is "Work hard now and your college career will be that much easier!"

In the future, Fritz plans to major in pre-med at the University of Pittsburgh.

Ernest Wilson

Ernie was born in Youngstown, Ohio, on February 28, 1943. He was mustered into the Second Company in September of 1960. Last year, he worked in the Naval Science Office as a Yeoman. Ernie returned this year as a Yeoman 2nd Class.

His list of extracurricular activities include inter-company football, Dramatics Club, Music and Art Club, and Hop Committee. He is also the President of the Chapel Club.

Ernie's favorites are Ann, and the Naval Science Office. His pet peeve is The Purity, Oxford, Ohio.

During the summer, Ernie works as an orderly in a Hospital. He plans to become a Doctor of Psychiatry.

Upon graduation, Ernie plans to attend the University of Miami, in Oxford, Ohio, where he intends to major in pre-medicine. His advice to underclassmen is, "Always listen to your elders".

HAPPY TWOSOME — Shown before their departure for a trip to Europe last summer are John and Nanci Weiler ('44). John is with the City National Banks, Beverly Hills, Cal.
