Big Band Sound Will Be By Richard Maltby

This year's June Ball, scheduled for Friday, June 3, will have one of the most versatile musicians in the popular dance field furnishing the music in Robison Hall.

Richard Maltby and the 1960's make a bold bid to revive the Golden Era of the Big Band Sound in America. He brings together the tradition of Paul Whiteman, Benny Goodman, Artie Shaw and Glenn Miller and blends these melodic rhythms of the 30's and 40's with the experimentation of the past decade. This is the offering which has captured the feet of dancing America, from college campus to debutante ball.

Richard Maltby, composes, arranges, directs and performs on the trumpet, vibraphone, chimes and his pet instruement, (which is unique) the kookiephone. He has, during a 20-year career in musicana . . . including five years on the road with his own band . . . created a signature for dancing. His "new sound" is based on contrapuntal trumpets . . . a Bach Fuge form of writing trumpets, most easily described, by saying, "all the trumpets playing the same part at different times, together".

The band is composed of four trumpets, five reeds, three rhythm, and one valve trombone. Known as "THE BAND THE DANCERS DEMAND", Maltby entourage has played for more than 150 colleges throughout the United States.

Maltby has been active in the recording field. His most recent albums are: MALTBY SWINGS FOR DANCERS and MALTBY SWINGS FOLK SONGS. (Both on Roulette Records). Other recent albums include THE MUSIC FROM MR. LUCKY (Camden); HELLO YOUNG LOVERS (Columbia); and SWINGIN' DOWN THE LANE (Columbia). His big hit

Elwell, Lucas, Marzano, Rissel Are Inducted Into Cum Laude Society

The Corps attended a special assembly for the second induction of nominees into the Cum Laude Society on April 11. The Band, under the direction of Mr. Dayton O. Newton, provided some snappy marches at the beginning and end of the program. Among the members of the Society who attended were: Capt. R. O. Dodge, Capt. N. F. Reinhard, Mr. V. Romefelt, Mr. Newton, LCDR D. ELMS, LCDR G. Daniel, and Mr. Kresge. Captain Dodge gave a talk on the qualities of manhood. He pointed out that a man is not measured by physical capabilities alone, for many have achieved this aspect, but have failed to become men.

Following his speech Capt. Dodge and Capt. Reinhard presented the four nominees to the Corps for induction into the Society. After being called front and center, each one was presented with a certificate and a gold pin. The four were: Robert Elwell, William Lucas, Richard Marzano and Richard Rissel.

Bob Elwell, from Staten Island, New York, has been accepted to Marquette, Georgia Tech, and Notre Dame. He has yet to hear from Brown and the U. S. Naval Academy. He is presently third in his class. Bill Lucas, from Framingham, Mass., has been accepted at Trinity, Tufts, and Colby, and currently stands fifth in his class. Rick Marzano, a resident of West Hartford, Conn., has been accepted at The Coast Guard Academy, Rensselaer, and Villanova. He is at the number four spot in the senior class standings. Rich Rissel, from Sea Girt, New Jersey, has been accepted by Brown, Trinity, and the University of Pennsylvania, but he has definite plans of attending Trinity. He stands second in his class.

The Cum Laude Society was founded in 1906. Its purpose is to provide, at the secondary school level, the incentive for and the recognition of scholarship which Phi Beta Kappa provides at the college level. While national in scope, the Society has followed a conservative policy in granting charters to schools. To date 200 chapters have been established. The Admiral Farragut Chapel was installed on March 4, 1961. The first induction was held on June 4, 1961 at the commencement exercises. Farragut is one of three military schools with the Cum Laude Society, and the only one in the East.

On Sunday, March 18, the Senior Class elected the following cadets to represent them as Class Officers:

President — Ronald Leiser
Vice-President — Fritz Burkhart

'Shepard' Dedication Set For May 13th

Sunday, May 13th, looms as the biggest event in the Academy's history, as Present and Past Parents, Alumni, and a host of special guests join in saluting Commander Alan B. Shepard, Jr., USN, America's first Astronaut, when he returns for the dedication of the new Cadet activities building named in his honor.

A record crowd is expected here for the day-long program, which includes Parents' Day and the Spring Alumni Reunion in addition to the actual dedication program.

Parents will join with their sons at the Chapel service in Robison Hall at 0935, followed by the annual meeting of the Parents' Association at 10:30 a.m. in the DuPont Hall auditorium. Commander Shepard is scheduled to arrive at 11:00, at which time he will be piped aboard by a special contingent of Cadets, and ushered into the Farragut Hall Board Room, where he will meet with members of the Academy's Academic Board.

Later, he will be taken on a tour of the campus, followed by a private luncheon at the home of Captain and Mrs. W. K. Russell, in Toms River. Dining out for all Cadets will begin at 11:30 a.m. and continue until 1:30.

The dedication of Shepard Hall will be held outdoors in front of the the new building. The Cadet Band and Glee Club will participate in the program, as well as the presidents of the Parents' Association and the Alumni Association.

A parade will begin at 3:30 p.m., during which the annual Manual-of-Arms Contest, sponsored by the Alumni Association, will be held. Alumni on active duty in the armed forces will serve as judges for this event.

It is expected that representatives from the Borough and the County of Ocean will participate in honoring Commander Shepard at a ceremony that will be part of the parade. Members of the Academy Staff and their wives will have an opportunity to meet Commander Shepard at some time either before or immediately after the parade.

Captain and Mrs. Dodge will hold a small reception for the Shepard party at their home in Beachwood at the conclusion of the parade. Members of the Class of 1941 are being invited to this affair. Visitors will have an opportunity to inspect Shepard Hall as soon as the military formation has been concluded. Dining out for all Cadets will also start at this time.

Advisor Predicts Lack Of '62 Trident Copies

LCDR W. Masciangelo, advisor to the 1962 Trident, announces that there will undoubtedly be a shortage of copies available this year because of the limited number being produced and the unusually large number that have been ordered by Cadets up to this time.

LCDR Masciangelo predicts that the books will be delivered much earlier this year than in the past, and that that this edition will be one of the best published in recent years.

Cadets desiring copies should check with Mrs. Claire Orbesen in the Public Relations Office for details.

Busy Schedule In Store For Corps

Spring is already upon us and June Week is quickly advancing. Events will start off on May 13 with the dedication of Shepard Hall. LCDR Alan Shepard is to attend the dedication. After the dedication Memorial Day comes next on the calender. The entire Corps will be transported by boat and bus to Toms River, in order to participate in the Memorial Day Parade sponsored by the American Legion.

With May over, June Week begins in earnest. After final exams, there is the June Ball on the evening of the 3rd. Word from the Hop Committee says that this year's Ball theme will be "New Orleans." Between June 1 and 3, the members of the Corps will be busy trying to keep up with numerous parades and drills. During this time, final drill will be judged. Also, the Colors will be awarded to the company having placed first in the Company Competition.

Finally will come the event the Seniors have waited for for a long time, graduation morning on June 3.

Spring Concert Is Outstanding Success

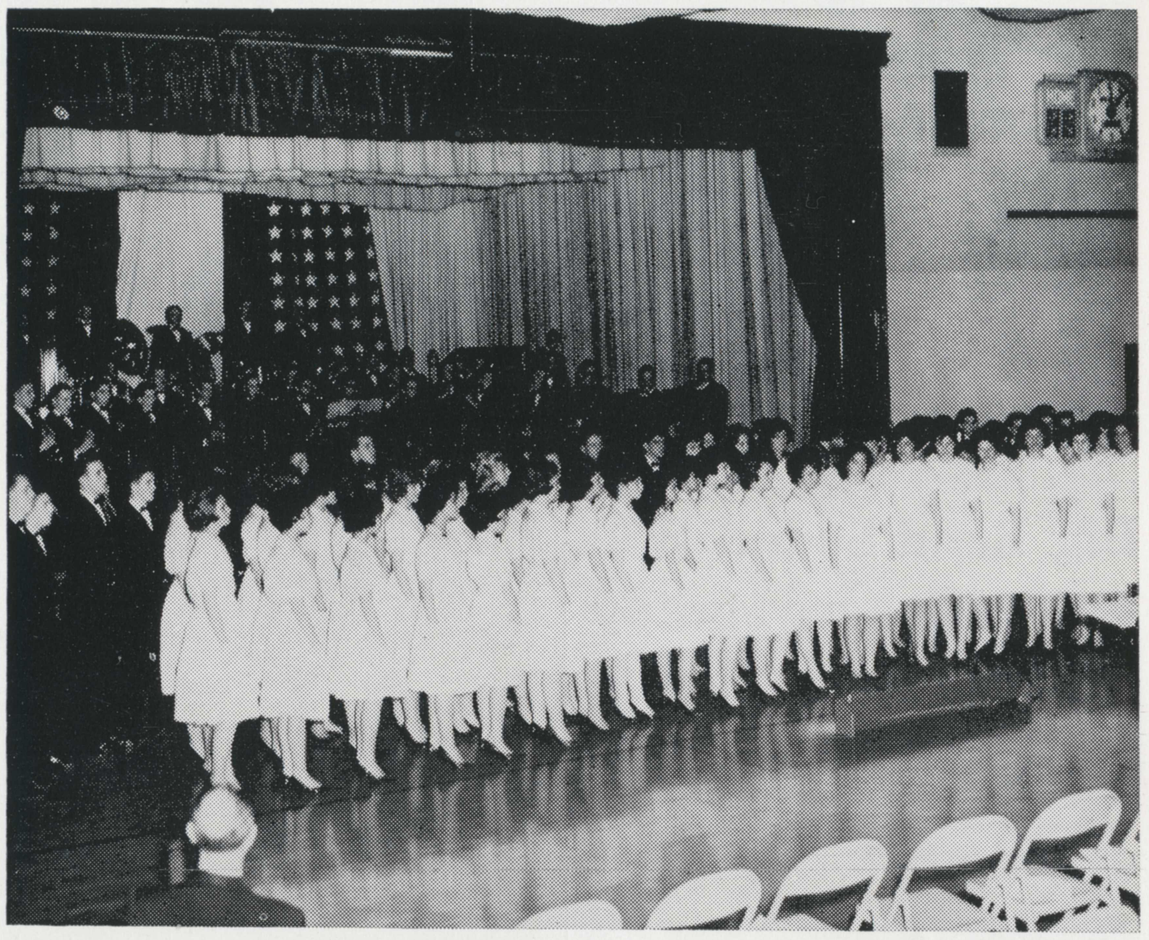
On Thursday, March 22, the Farragut Music department presented its annual Spring Concert. The program consisted of the Concert Band, Glee Club, and Dance Band, directed by Mr. Dayton O. Newton, with a visiting Glee Club from St. Mary's Hall, directed by Mr. Alfred Hartley.

After the National Anthem the Band opened the concert with the overture from Rossini's famous Barber of Seville. Following this was Bye Bye Blues featuring a cornet solo by Cadet Toby Hollander and a drum solo by Cadet John Kelley. Next came a South American rhythm number, When Yuba Plays the Rumba on the Tuba with Cadet Louis Sodel on the tuba. The Latin rhythm was provided by Cadets Richard Britton, Edward Gasperski, John Kelley, John Lewinger, James Pendleton and Robert Williams. Bugler's Holiday, a trombone trio with Cadets Fritz Burkhart, Bruce Logan, and Bill Masciangelo, provided a change of pace. Following this was the Original Dixieland Concerto featuring a small Dixieland band made up of Cadets Burkhart, Hollander, Kelley, Bill Koerner, Roy Mitchell, and Sodel. Then came a surprise performance in the form of a skit put on by Capt. Reinhard, Capt. Crosley, LCDR Masciangelo, Lt. S. Slaby, Lt. L. Speck and Lt. T. Burke. The Band concluded its program with the snappy Colonel Bogey March.

The Glee Club opened with an old favorite, Lili Marlene. Following this was a guitar and vocal solo by Cadet Bob Spence, singing Cool Water. Next was a Scotish air, The Blue Bells of Scotland, accompanied by Cadet Ray Dowd on the cornet. A Barbershop Quartet, made up of Cadets Alan Bolte, Kelley, Spence and Don Sutton, sang Coney Island Babe. Following this was Anywhere I Wander accompanied by Cadets Mike Jones and Jack Shaw on violins. The final number was the spiritual De Glory Road with solos by Cadets Bolte, Kelley, and Sutton, The Glee Club was accompanied by Mr. Stanley Darby on the organ and piano. Following the Glee Club Cadet Sodel played an accordian solo entitled Two Guitars.

The Dance Band opened with Artie Shaw's Concerto for Clarinet, performed by Cadet Henry Young accompanied by Cadet Jameison on drums. Breaks were taken by Cadets Hollander and Clint McLemore. Next came a tribute to Tommy Dorsey with all the famous Dorsey solos being played by Cadet Burkhart. First came Dorsey's themesong, Sentimental Over You, followed by Opus One with Saxphones Cadets John Kardashian, Koerner, McClure, W., Mitchell and Harold Vogel. Following this came Marie with vocal solo by Cadet Spence, guitar solo by Cadet Tom Black, and trombones Cadets Burkhart, Art Degen, Logan and Masciangelo. Next came Song of India with a cornet solo by Cadet Dowd. The final number for the Dance Band was Boogie Woogie with solos by Cadets Black, Britton, Jamieson, A., Kelley, McLemore, Mitchell and Sodel.

Following the Dance Band came the St.Mary's Hall Glee Club which sang seven numbers. The first was O Sing Your Song, followed by The Bells of St. Mary's. Next came the Halls of Ivy and Dona Nobis Pacem, directed by Sandra Harbourt. Following these came Getting to Know You, Over the Rainbow and Carolina in the Morning featuring the Senior Octones.



FINALE — Choir from St. Mary's Hall, Burlington, N. J., joins Cadet Glee Club and Band in finale of songs from South Pacific. Event was part of the annual Spring Concert produced by the Music Department.

The finale, with all the groups combined, came in South Pacific. Accompanied by the Band, the Farragut Glee Club sang Some Enchanted Evening, while the St. Mary's Glee Club sang A Wonderful Guy and Bali Hai. Both Clubs joined in singing the last song There is Nothing Like A Dame.

The Stage Crew was made up of Cadets Richard Clark, Pete Konanez, Young, Andrew Laguerula and John Old with the help of Mr. John Light.

"Spring" Is Theme Of Informal Hop April 7

On the evening of April 7th, the Spring Informal hop was held in Robison Hall.

The theme of the dance was, naturally enough, Spring. Under the direction of Alvin Gerber, the Hop Committee was once more able to decorate Robison Hall effectively, as they have for all the previous dances. The centerpiece was a fountain ringed by grass and flowers. The ceiling was covered with parachutes which had multicolor lights above them. Around the dance floor, the Hop Committee placed flowers and trees normally found during the Spring season.

Attending the dance were Capt. and Mrs. Reinhard, CDR and Mrs. Guy, LT and Mrs. Slaby, Mr. and Mrs. Kresge, and Mr. and Mrs. Romefelt. There were approximately 100 couples.

Music was furnished by Ray Hughes and his orchestra.

Decorations Colorful For Valentine Dance

On Saturday night, February 3rd, the Valentine Dance was held in Robison Hall.

The hall was decorated in real Valentine's Day style. Three big hearts were on each of three walls, and a big heart of aluminum foil served as a center piece. An innovation was the use of the stage as a refreshment center and sitting place. The band was in the middle of the gym. Crepe paper was used extensively to cover the ceiling, and indirect lighting and soft music made a most romantic atmosphere. Punch and cookies were served during one of the intermissions.

Spring Cooperative Tests Given To Corps

During the three day period starting with April 8 and ending on the 10th, most of the Cadets took the annual Spring Cooperative Tests. These tests are generally the same as the exams given in October.

The Spring tests ranged from the languages to mathematics, and included the Kuder test designed to find a student's occupational abilities and interests.

The Spring tests are taken in order to evaluate the student's achievement in certain subjects. This differs from the Fall tests which are meant to indicate aptitude. The scores are all retained in the Headmaster's office to be used as references.

15th Alumni Fund Report

(As of April 24, 1962)

Since the report of February 14, 1962, the 15th Fund has added 154 more contributors for a record number of 402, the largest number ever registered by an Alumni Fund campaign. The Dollar total increased from $3746 to $5392, but the average gift received dropped from $15.10 to $13.41. Percentagewise, Alumni participation showed a whopping increase of 6%, jumping from 11.1 to an even 18%. Last year's final participation record at the end of the 14th Fund drive was 15.89%.

With a goal of $7500 to reach by June 30, a total of $2108 is still needed in order to meet the eight objectives of this year's program. A minimum participation record of 25% has been set by the Committee, which means that the 15th Fund is within 7% of attaining this new record.

THIRD CO. LEADS

The Inter-Company Point Competition for April shows the Third Company again in the lead. The First Company is second, and the Second Company brings up the rear. The totals to date are:

First	1357
Second	1010
Third	1561

For accumulating the highest number of points in the Competition, the Third Company is entitled to the Honor Company Liberty privilege for the remainder of the year. The final announcement for the Honor Company of 1962 will be made during June Week.

3-1 Takes Co. Court Title; 1-1 Finishes 2nd

This year's Inter-Company Basketball Championship was awarded to the Third Company, First Platoon, for their record season of nine wins and only one loss.

The team consisted of Bob Padgett playing center, Alan Rabinowitz and Rick Marzano at the guard positions, and Eric Freit and Bob Elwell as forwards.

Team Captain, Al Rabinowitz, claims that the team's success may be contributed to good control of the backboards, using a safe zone defense, and relying on outside jump shots for their offensive work.

Runner-up team was the First Company, First Platoon. Captain Doug Brown says that the First Company team plans to gain revenge by taking the Inter-Company Softball Championship.

12 Cadets Attend County Day Affair

On March 21 Ocean County held its annual Boy-Girl State program. This is a meeting of selected students from various high schools in Ocean County for the purpose of furthering the students' knowledge of working county government.

The students from Farragut were: McLemore, Jesudowich, McSherry, Howley, Andelman, Weldon, Massaglia, McClure L. Wilson, Koerner, Wedemann and Burkhart. These Cadets were divided into smaller groups and directed to various departments of the County government. Some of these were: County Prosecutor's Office, Dep't of Roads, Sheriff's Office, County Engineer's Office, and Health Department.

After spending approximately two hours at the respective departments, the delegates were given a luncheon at the Riverview Hotel. At the luncheon certificates were presented to the individual students.

Sports Twirl

By Earl Knight '62

Ask any Cadet where the canteen is located and you will receive precise directions. Then ask if he knows where the Hall of Fame is and you will probably get a very baffled look. For those of you cadets, parents, alumni, and friends who did not realize the existence of such a room, you need only visit the Director of Athletics' office in Robison Hall. Here are many tributes to Farragut Alumni who have done outstanding jobs in sports.

Hidden from the average visitor are trophies and photographs. One of them was taken and used by the Saturday Evening Post.

These are boys we should be proud of. Why not show them off? If there is available room in the new Shepard Hall, let us put our outstanding alumni on display in the manner they deserve.

Slabymen Win Five Of Last Eight Games

Coach Stan Slaby's Courtmen produced a 5-3 record in their last eight games of the regular season to finish with nine wins and five losses for their total effort. The Middies played in only one contest in the N. J. Independent Schools Tournament, dropping the game to Peddie.

A.F.A. 59 — Hill 43

Farragut got off to a slow start and was behind at the end of the first quarter 6-2. But A. F. A. came back, led by Rich Rissel, to lead at the half 31-23. Farragut kept its lead in the 2nd half to win 59-43. Rissel ended up with 27 points and Carl Jacobson was second highest with 11.

A.F.A. 62 — V.F.M.A. 44

Farragut had 17 points at the end of the 1st quarter with everyone scoring, while Valley Forge had 6. Farragut kept its supremacy throughout the game, controlling both backboards. Jacobson led both teams in scoring with 23 points.

A.FA. 50 — Stevens 52

In one of the hardest fought games of the season, A. F. A. lost 52-50 to Stevens, with a second left on the clock. At the end of the half, A. F. A. was down 30-25, but after the half, rallied to a 40-39 lead at the end of the third quarter. In the fourth quarter, with 5 seconds to go, the score was tied 50-50. Stevens stole the ball and scored, giving AFA a heart-breaking loss.

A.F.A. 45 — Blair 41

After a long journey to Blair Academy, A. F. A. pulled out a win in the final minutes of the game. The Middies were behind most of the game, but with a strong determination for victory, Farragut came through to win. After the game, the team was treated to dinner by Mr. and Mrs. Jacobson at their home in Chester.

A.F.A. 58 — St. Benedict's 74

The Middies traveled to Newark to play St. Benedict's. Farragut got off to a very slow start, and by the end of the first half was trailing 36-18. During the intermission Coach Slaby got the Middies spirit up, and they were a changed team during the second half. Rich Weldon and Adin Brown started rebounding and Rissel and Bob Spence began their shots. They outscored Benedict's the second half, but it was not enough, as Benedict's won 74-58. Rissel and Spence were high scorers with 22 and 15 points respectively.

A.F.A. 38 — Pingry 37

Before a home audience, A. F. A. beat Pingry in a very close game. Everyone on the Middie squad scored at least once. In the fourth quarter, A. F. A.'s attack stalled, but they still managed to win 38-37 on Brown's last foul shot. Jacobson was high man with 12 points.

A.F.A. 58 — Delbarton 37

Farragut's basketball squad traveled to Delbarton and handed the Green Wave a crushing defeat. A. F. A. started slowly and led by a mere two points at the end of the first half. In the second half the team put on one of their finest performances and scored 43 points, completely demolishing Delbarton's attack. Rissel and Spence led the way with 27 and 12 points respectively. Farragut's defense was also superb, and the Green Wave ended up with 37 points, to A. F. A.'s 58.

A.F.A. 61 — Peddie 81

Farragut lost its second game of the series with Peddie on the Middies' home court. At the end of the first period, A. F. A. was down 21-15, but fought to within 3 points of Peddie in the second period, 34-31. In the third, Peddie swept to a 52-44 lead even though A. F. A. had a well-balanced attack. The third quarter gave Peddie a lift, and they went on to win the game with 26 points. Rissel was high scorer for Farragut with 24 points. He was followed by Spence with 12 and Weldon with 11.

State Tournament

A.F.A. 57 — Peddie 68

Farragut traveled to Lawrenceville to play its first game in the state tournament. The Middies were again to play Peddie, a team that had previously beaten AFA twice in the regular season.

Peddie rallied in the first half to give them a demanding 42-22 lead. The AFA team, as usual, came out the second half a very determined squad. The Middies would not give up and, with Rissel and Spence leading the way, came within 8 points of overtaking the Hightstown team. But the Farragut team could not get any closer, and finally lost by 11 points, 68-57. This ended Farragut's hopes in the tournament.

An amazing performance was put up in this final game by team Captain Rissel. He scored 16 points in the fourth quarter and ended up with a total of 35 points for the game.

.500 Record Set By Varsity Grapplers

Mr. Ted Stinner's wrestling squad ended its 1962 season with five wins and five losses.

With a 2-2 record already under their belt, the Middie grapplers visited Blair Academy on January 27 to take home another win with a 22-17 score.

Their next match was at Newark where they faced a tough St. Benedict's team. The Middies put up a good fight but lost to the experienced Gray Bees 11-30.

The next match was wrestled at home where it seems our grapplers do a better job. In front of a home audience, Farragut out-wrestled Delbarton School 26-19.

Traveling to the Pingry mats next, the Middies lost the toughest meet of the season. Losing in the lighter weight classes. Farragut came back to take two pins in the last matches. But this was not enough and our grapplers lost 23-24.

Another defeat was felt on February 17, when Hun visited the cadets for what was to be their last match of the season. Bringing with them the Savage brothers, Farragut lost the heavy classes which were usually theirs. The Middies were out-wrestled by Hun 14-26.

The Pennington grapplers could not make the February 21 match, thus forfeiting it to Farragut.

The State Championship matches were the next object of the Blue Matmen. Sending their finest wrestlers, four Cadets returned with honors. Frank Losey, John Smith and Bill Ritter came away from the championships with silver medals, while Chris Conklin won a bronze medal. The team placed fourth in the N. J. Independent Schools Athletic Association Tournament.

Rissel Honored For 1962 Court Prowess

Rich Rissel, star basketball senior and captain of this year's squad, earned three awards for his efforts this season by being selected on the Newark News All-State Private School team, the New Jersey Courier's All-Ocean County second team, and the Bordentown M. I. All-Opponent team.

Rissel averaged 21 points per game and turned in a 35-point game against Peddie in the N. J. I. S. tournament.

Rodmen Fire Well Against Six Foes

On January 27, the team fired against New York Military Academy at New York. The Middies just squeaked through to win the match 911-910. The top five on the A. F. A. team were Burkhart, Larned, Leiser, Moore, W., and Radford.

The next match was scheduled to be a tri-match with Fort Monmouth, Fort Dix, and Farragut; however, Fort Dix never arrived. The 400 course was fired and the top four team members from each team were used in determining the aggregate scores. The totals were 1477 for Fort Monmouth and 1460 for Farragut. The high men for Farragut were Burkhart, Leiser, Moore, W., and Larned.

At the next tri-match all three teams were able to meet, and New York Military Academy was able to turn the tables on the Middie Riflemen. The scores were 910 for New York, 909 for Farragut, and 834 for Bordentown. The high five shooters for A. F. A. were Burkhart, Larned, Green, Jesudowich, and Moore, W.

On February 17, the Middie Riflemen went to New York to fire against Xavier High School. The sailors lost the match 925-911. The top Farragut men were Burkhart, Leiser, Moore, W., Larned, and Woodstock.

On February 24, out for a win, the Riflemen hit a brick wall when they fired against Valley Forge Military Academy at Valley Forge. The scores were 1406 for the Soldiers and 1338 for the Sailors. The top five were Burkhart, Leiser, Moore, W., Larned, and Ackroyd.

The final match of the season was held on March 17th, at Fort Dix. This match consisted of six chosen members of the Farragut team who were selected previous to their departure from the school. Each member's score was used in the final tabulation no matter what it was. The totals were2155 for Farragut and 1543 for Fort Dix.

The members of the Farragut team were Burkhart, Leiser, Moore, W., Radford, Woodstock and Larned.

MALTBY. . . . from page 1

single of the year, recorded on Roulette, was THE THEME FROM RAT RACE.

After traveling with local bands for a few years, Dick began serious study in advanced harmony and orchestration under Leo Sowerby . . . during this period he explored the classics and symphonic fields. In 1940 he settled down to a serious career as an arranger, joined station WBBM in Chicago as a staff arranger. Here he worked in many diversified areas, from the large symphonic orchestrations, to choral work for the Great Lakes Naval Training Choir. During his stay at WBBM, Benny Goodman recorded Dick's original composition "Six Flats Unfurnished", which was one of Goodman's greatest hits. In the semiclassic field, Benny Goodman performed Dick's "Fantasy on the Man I Love", at all of his symphonic concerts with great success. In the same vein, Paul Whiteman recorded Dick's arrangement of the "Cuban Overture", with equal success. "The Cuban Overture" being only one of the many hundreds of compositions Dick arranged for the Whiteman library.

New York beckoned, and in 1945, television, along with radio, opened new fields for Dick's arrangements. At this time, his arrangements for recording dates for big bands and popular singers, Artie Shaw, Norman Cloutier, Alexander Smallens, Ethel Merman, Peggy Lee, Vic Damone, Gordon MacRae and Giselle McKenzie, to mention a few, were in great demand.

RCA Victor formed label X, and requested Dick to record with them. "St. Louis Blues Mambo" was the tune that was recorded, and the turning point in the Maltby career. The immediate success of the recording, led to the formation of the Richard Maltby Band. The Cafe Rouge in New York was the spot for the joyous debut in 1955.

Richard Maltby is the well rounded, versatile musician, composer and arranger that is just as much at home with an assignment to write a light airy, yet provocative jingle tune, as he is with a request to create a symphonic overture, or an arrangement for a one hundred voice glee club. His understanding and perception are unique, and like most men of his calibre, (he looks like a college professor or a banker) he is happiest when standing before the band, watching and feeling the crowds enjoy themselves.

Alvin Sym Gerber

Al was born Dec. 28, 1944, in New York City, and has lived the past fourteen years in Sailsbury, Maryland. He joined the Thundering Third in 1958 as a freshman. This past summer Al completed an extensive tour of the Middle East, observing the customs and manners of many nations.

"The Rab's" favorites at Farragut are Seminole Indians and Florence B., but he just can't seem to get along with Steve. After graduation, he plans to attend Laffayette College and Study industrial engineering. He advises underclassmen: "Remember, Life is not a bowl of cherries, so get the best out of everything!"

Peter John Wedemann

Pete was born on October 5, 1943 in New York City, and has lived most of his life in Ridgewood, New Jersey. In 1958 Pete came to Farragut and joined the First Company, returning his third year as a 3rd class petty officer, and this year as First Company Executive Officer.

He was Battalion Adjutant this year, and also served as a gunner's mate third class and a first class line petty officer.

Al's favorites are "Nancy" and "Wild One" (whatever connection there may be), but he holds a strong dislike for fat redheads. Outside the classroom Al is Head of the Hop Committee, President of the Dramatics Club, and a member of the Trident Staff. After graduation he plans to attend business school and then become a stock broker.

Al advises underclassmen that "A school is what you make it," a motto he lives by.
