Keep the boys here 'round

Corps, Parents Enjoy Annual Concert Prior To Start Of Christmas Leave

The night of December 16 proved to be quite a successful night for the Music Department and the Dramatics Club. Featured were the Band, Glee Club, and Dance Band, along with the Footlighters and their presentation of the Christmas Story.

After several opening selections from the Band, the Glee Club came on and sang several spirited Christmas pieces. The Dance Band gave a lively view of the holiday season, finishing their performance with drum solos by Cadets David Yoho, George Giles and John Taussig. As usual, these were received with great enthusiasm by the audience.

The Dramatics Club presented a Christmas Story in four scenes. The show was presented in a new manner this year, as each scene was narrated by Cadet Edward Grein while the actors pantomimed in complete silence. Between scenes the Glee Club and the audience combined to sing a few favorite Christmas carols.

The program was completed with the playing of Adeste Fidelis during the Nativity scene. A junior choir, carrying lighted candles, marched up the center aisle and sang with the audience until the song and the Christmas Program were over.

The entire music program was under the direction of Mr. Dayton O. Newton. Messrs. L. Smith and A. Baxter were in charge of the production of the Christmas pageant. A total of 87 Cadets participated in the program.

Selections presented during the concert by the various units, included the following:

The Band — Christmas Greetings March, Prelude and Fugue C Minor, Cathedral Chimes, and Boogie Woogie Band.

The Glee Club—Go Tell It On The Mountain, Carol of the Bells, Ride the Chariot, and Ye Watchers and Ye Holy Ones. The Barbershop Quartet also sang four numbers.

The Dance Band — Christmas Song, White Christmas, Let It Snow, Dixieland Christmas, Harlem Nocturne and Woodchopper's Ball.

Cadet Steven Shelly played a trombone solo, rendering O Holy Night. Mr. Stanley Darby was accompanist on the piano and organ throughout the evening.

New Grading System Adopted Last Fall

A new procedure for reporting grades has been established this year, changing from the numerical per cent system to a five point letter scale. The adoption of the new method of grading came about after a Faculty committee made a study of the various grading systems, beginning last Spring, and recommended that the change be adopted this past fall.

The new five letter grade reporting procedure is identical with the one recommended for use with college preparatory students by a joint committee of the National Association of Secondary School Principals and the American Association of Collegiate Registrars and Admissions Officers.

The letter grade scale with corresponding quality points is as follows: Grade A (4 Quality Points), Grade B (3), Grade C (2), Grade D (1), and Grade F (Failure-0).

A grade of A will represent the top 10% of all grades. Only major academic courses are included in the computation of class rank, which is done by dividing the sum of the number of quality points by the number of grades involved.

The assignment of attitude grades will be continued, using a scale of 1 to 5 with 1 being the highest.

A Cadet must have a quality point average of 2.5 to earn a 48-hour leave, and an average of 2.0 for one of 24 hours.

Cadet Corps Offered Reading Program

This year, for the first time, Farragut has an elective reading program offered by the Reading Laboratory, Inc., an independent, privately owned, organization.

The Reading Lab is run by Mr. Gary Meikerk, who states that the purpose of the program is not necessarily to be considered remedial, but that of being developmental.

The course meets twice a week and will last for 14 weeks. It may be extended if both the Administration and the Reading Lab's testing programs deem it necessary.

The Lab deals with matter not only on the high school level, but also at both business and college levels. Since it was founded in 1949, the R.L.I. has tried to show people how to develop their reading abilities.

At the present time there are approximately 60 Cadets enrolled in the program.

Dr. Guy Dies Dec. 31 After Long Illness

Dr. Frank S. Guy, Director of Admissions for the past 15 years and a member of the School staff since 1942, died on Dec. 31 at the Community Memorial Hospital, Toms River, after a long illness. He was 59.

Prior to the time he became Director of Admissions, he had been head of the History Dept., and had coached varsity baseball and wrestling. During the early years of his employment at Farragut, he had assisted with football, handling line coaching duties.

A native of Phila., Pa., he was a graduate of Little Rock College, Little Rock, Ark., and had earned a Master of Arts degree and a Doctor of Philosophy degree from Catholic University. He taught History, Political Science and Sociology at Little Rock College from 1934 to 1942 prior to joining the Academy faculty. For several years he was a lecturer in U. S. History at the Rutgers University Off-Campus Center at Atlantic City, and he had also taken additional graduate work in the field of education at the U. of Pennsylvania.

Dr. Guy is survived by his wife, Catherine H. Guy, and he was buried at the Riverside Cemetery, Toms River on Jan. 3.

Capt. Russell Attends N. J. Freeholder's Forum

Captain W. K. Russell, president of the Academy Board of Trustees, as well as the Board of Trustees of the Ocean County College, participated at the annual Rutgers Forum for Freeholders in early December. The agenda dealt with county colleges, finances, Federal Aid programs, and long-range state plans.

The program was conducted jointly by the N. J. Assn. of Chosen Freeholders and the State University's Bureau of Government Research.

3-Way Tie for First Academic Honors

The December 27 list of academic awards, the first using the recently adopted grading system, produced a three-way tie for first honors. Cadets William D. Almy '69, Robert R. Jauernig '67, and Peter J. Shoaf '67 finished in a dead heat for the coveted Gold Riband with Gold Star by posting 4.0 scores for their efforts.

Taking second honors (Silver Riband with Gold Star) were Cadets Robert D. Beard '66 and John R. Phillips '67, each with a score of 3.8.

Other Cadets passing all subjects with a Quality Point average of 2.5 or higher (Blue and Silver Academic Riband with Silver Star) were:

CLASS OF 1966—Grossman, DiPano, Statts, R. McCann, Sandford, R. Hughes, Bechtel, Doherty, Donbroski, Good, Lorenz, Malzone, Rohde, Schobel, Skiba, B. Jones, T. Dudley, Grein, Rinderer, Cammarano, Pforsich, Thavenot, Uribe, Bonopane, Fichtl, Fowler, Gamon, Harman, Kinemond, McConnell, K. Snyder, Sutton, and Williams.

CLASS OF 1967—MacIsaac, Pruzan, L. Rose, Bedford, Fisher, Robinson, Garcias, Rainville, Read, M. Anderson, Boxx, Dilzer, Giles, Lefkowitz, Lalor, Lyons, Harris, Bayless, Sissler, Weisbecker, and Wheaton.

CLASS OF 1968—Helfand, P. Kennedy, Fitzgerald, Yoho, Zekowski, Carroll, Cheetham, Richelieu, Gaumer, Wilder, Cantore, Wolins, Rabida, R. Rose, Buckmar, Farrell, Strong, Grimaldi, Horsey, Pattee, Viele.

CLASS OF — Emmel, Gilman, Sullivan, Gangemi, Sheldon, Kaplan, Sloane.

CLASS OF 1970—Anderson, J. McCann, and Moloney.

Alumnus Donates CAP Section To Library

The establishment of a "Civil Air Patrol Section" in the Academy Library has been announced by LCDR W. R. Masciangelo, Alumni Secretary and Public Relations Officer.

The donor of the section is Dr. Gerard K. Nash, Class of 1944, a member of the staff of the Chenango Valley Osteopathic Hospital, Farrell, Pa.

Books in the proposed section will be non-fiction and will deal with all phases of aviation and space travel. An initial donation of about 24 volumes is being made, and it is anticipated that 10 or more new books will be added annually. A lettered designation of the section will be displayed at the top of the shelves housing the books.

Dr. Nash, who lived in nearby Lakewood, N. J., when he attended Farragut as a Cadet, has been very active in Civil Air Patrol work for a number of years. Several years ago when the Weightlifting Club was first formed at the Academy, he donated a new set of weights to that organization.

Inter-Co. Standings

(As of December 28, 1965)

1st Company — 613

2nd Company — 628

3rd Company — 976

MAKING IT OFFICIAL—Walter B. Hutchinson '35, Alumni Association president, signs official resolution establishing the Faculty Educational Assistance Fund. Waiting his turn to sign is Headmaster Raven O. Dodge. Resolution spells out procedure for the operation of the Fund by both the Academy and the Association.

Williams '66 Heads New Capstan Staff

A total of 62 Cadets are serving on this year's Capstan Staff, with Jay Williams, a First Classman, appointed Editor-in-Chief.

Williams is assisted by the following key editors: Frank Harman (Managing Editor), Ed Grein (News Editor), and Bob Sugermeyer (Photo Editor).

Tom Gamon is in charge of the production staff, assisted by J. Burbank, V. Di Pano, J. Rainville, M. Whitehill, F. Borchert, J. Gaumer, G. Risi, and R. Schatman. Cartoons are handled by G. Sheesley, J. Kaiiv, and P. Walmsley.

Jeff Rainville is in charge of circulation, with D. Calve, T. Nordlinger, R. Rohde, C. Snyder, S. Gangemi, A. Rivas, and M. Sloane assisting.

Reporters include A. Doby, J. Ginter, S. Sandahl, P. Skiba, C. Stout, J. Taussig, C. Thavenot, W. Lorenz, F. Fox, C. Illiades, J. Kaiiv, J. Lefkowitz, J. Lyons, G. Nichols, P. Pruzan, J. Wheaton, S. Chasler, V. Farrell, R. Rose, J. Sattel, E. Smith, F. Emmel, S. Grimaldi, C. M. Sullivan, T. Zorojew, and R. Hughes.

Staff photographers are T. Dudley, W. Doherty, F. Guhse, G. Kinemond, V. Garcias, P. Green, D. Dominguez, L. Cope, and D. Morales.

Presidency to Malzone; Under Classes Elect Also

A few weeks ago, the members of each class went to the polls to vote for class officers. When the returns were counted, each class found itself with an able group of leaders.

The Senior Class chose Cadets Lou Malzone (President), Dominick B. Calve (Vice-President), Roger M. Hughes (Secretary), and Herb J. Stern (Historian), for its officers.

In the Second Class, Cadets Richard Fisher (President), Ed De Seta (Vice-President), and Bob Matthies (Sec-Treas.), were elected.

The Third Class voted Cadets Fred Zekowski (President), Joseph Cantore (Vice-President), Alan Jones (Secretary), and Gerald Risi (Treasurer) into office.

The Fourth Class elected Cadets Norman Duke (President), Arthur Fanghella (Vice-President), James Schalk (Secretary), and Victor Marek (Treasurer).

'66 Trident Staff Is Named: Work Begun

Cadet Jeffrey Grossman has been selected to head the 1966 Trident Staff, and from early indications visible to members of the Cadet Corps, this year's edition of the Cadet Annual promises to surpass that of previous years.

Assisting Grossman are J. Williams (Asst. Editor), V. Di Pano (Managing), S. Shelly (Asst. Managing), T. Dudley (Photo), J. Ginter (Sports), G. Kinemond (Business), F. Adamo (Asst. Business), H. Stern (Advertising), A. Livoti (Asst. Advertising), L. Bechtel (Promotion), and A. Doby (Circulation).

F. Harman, F. Guhse, B. Jones, and E. Koskella comprise the Editorial Staff, C. Dawson, H. Lichenstein, B. Wilson, and B. Pforsich work on the Advertising Staff, and M. Stevens handles sports assignments for that particular department.

D. Calve and W. Sandford will do promotion work, and R. Rohde and R. Winslow will give an assist with circulation.

To date individual portraits have been taken of all members of the Corps, as well as members of the Faculty and Staff, and the Advertising Department has been hard at work obtaining ads from the local merchants of this area. Herb Stern, Ad manager, has appealed to his classmates for as much help as possible in securing advertising. LCDR W. Masciangelo, Advisor, has appeared before the First Class to point out to the members that only through their assistance can more be done to produce a better book.

The First Class has already completed individual biographical forms for each senior, and the material that will be put into the Class Will is in the process of being compiled.

Shepard Hall Is Scene Of Fall Informal Hop

An orange and black decor was the predominant color setting for the informal dance held for the Corps on Oct. 30, in the all-purpose room of Shepard Hall. It was sponsored by the Cadet Cotillion Club.

The informal hop area was decorated by the Hop Committee, under the supervision of Mr. Stanley Darby, and three hours of taped, popular music was played for those attending.

Alumni Day Is Pleasant, Successful Event As Grads Return to Academy

Another successful fall Alumni Homecoming Day was held on November 6, with a large number of Alumni and their guests in attendance throughout the day-long schedule of events. LCDR W. Masciangelo, Alumni Secretary and a member of the Class of 1937, expressed satisfaction with the weather, the turnout of grads, and the manner in which the schedule was followed.

Registration began in Farragut Hall at 10:00 a. m., with Joseph D. Shepherd '41 in charge of this operation. He was assisted by Mrs. Elizabeth Edgecomb of the Public Relations Office. Alumni returning registered, were given name tags, additional information about the schedule, luncheon cards, and generally welcomed by the reception committee.

Annual Meeting

The annual meeting of the Association took place at 11:30 in the DuPont Hall Auditorium, and it was presided over by Walter B. Hutchinson '35, president of the national association. The Rev. Robert C. Bonar '37, rector of St. Luke's Church, Sea Cliff, N. Y., gave the invocation and benediction and led those in attendance in a silent memorial prayer for all deceased Alumni. (There was a total of 73 on record at the time).

Cadet George Kinemond, Battalion Commander, welcomed the graduates to Homecoming and expressed the hope that they would enjoy their visit to the Academy.

The president's report for the 1964-65 year was presented. Mr. Hutchinson's record of his first year in office stressed the importance of the progress that had been made and the steps forward that had been taken. He cited the service of the Alumni Office, the net worth of the Association in terms of assets, the 10 objectives of this year's 18th Alumni Fund, and the many other items carried out by the organization.

Mr. Hutchinson said, "To date we have already given the Headmaster \$250 on account of the Headmaster's Discretionary Fund, we have purchased four microscopes for the Biology classroom-laboratory at a cost of \$500, we have transferred \$1000 to the Alumni Student Aid Fund, we have paid \$1200 to have the new press box built, and we paid \$1275 for the new sound system that has been installed in the press box. In addition, we gave the winner of the Cedric Lewis Math Award a slide rule last June at Commencement, four gold and silver belt buckles, properly engraved, to the winners of the four Alumni Awards for military proficiency, plus paid for a full page ad in the 1965 Trident."

The president stressed the need to raise another \$2500 for the Student Aid Fund, an additional sum of \$250 for the Headmaster's Fund, and \$875 for the Faculty Educational Assistance Fund. He cited that this new Fund to help faculty members is one of the most important things done by the Alumni Association since the Student Aid Fund was first started in 1951.

The Alumni Secretary presented the annual statement prepared by the Academy auditors, showing total assets on Sept. 30 in the amount of \$25,804.77. He pointed out, however, that \$16,262.10 of this total is currently in the Student Aid Fund, \$535.33 in the Cedric Lewis Memorial Fund, and the balance in cash and bonds to help meet the costs of operating the Association and meeting the goal of \$12,500 necessary to fulfill this year's ten objectives.

Headmaster Speaks

Captain Raven Dodge expressed sincere satisfaction at seeing those present for the reunion. He pointed out that the Alumni, in general, are young, and so is Farragut, so "step forward and form a solid base for the progress of the School in the future."

"Any private school in business today must have Alumni support if it is to survive at all," Captain Dodge continued. "If you look at the schools that have survived over the years," he said, "you'll find that these schools have had this support. Competition is greater each year, both from public schools and independent schools with large endowments. Competition for teachers is extremely keen, youngsters aren't fighting to get into uniforms, and costs continue to increase each year."

The Headmaster spoke of the matter of enrollments, too, illustrating how the School receives approximately 2,000 inquiries each year, half of them are not good, the others are in competition with other schools, and those who want to come to Farragut are, in many instances, not qualified for acceptance. We must be careful in our selection of the right candidates so that they can go on to college, he pointed out.

Captain Dodge again pointed out the youth of the Alumni and of the School, but he said if Alumni can steer good boys toward Farragut they will be of great help in perpetuating the Academy. He said he was telling the Alumni this because he felt that they were doing a good job, as far as college work was concerned. He said of the 274 members of the four graduating classes prior to 1965, he had reports on 235 of them from colleges, showing 9 on probation, 3 dropped, 4 withdrawing, and 219 in good standing.

Rest of Program

A luncheon was served in the Farragut Hall reception room at 12:30, at which time President and Mrs. Hutchinson distributed a variety of mementos of the Homecoming Day program. At 1:30 members of the Classes of 1935, 1940, 1945, 1950, 1955, and 1960 had their pictures taken in front of Shepard Hall, followed by the Alumni Parade beginning at 2:00 p.m.

During the parade President Hutchinson presented the Long Distance Award to Arthur E. Gilligan '39, from Fort Worth, Texas, and a key to the new Press Box to Captain Dodge to symbolize the transfer of the box and sound system to the Academy as a gift from the Alumni Association.

After the football game with New York M.A., Alumni and guests enjoyed the Post Game Huddle at the Ye Olde Cedar Inn, Toms River, followed by dining and dancing until 9:30 p.m. During the dining period gifts were given to lucky ticket holders, and additional souvenirs were presented by President Hutchinson.

1966 Spring Leave Dates Announced

For those persons planning ahead, the Spring Leave dates are from 12:00 noon, Friday, April 1, until 9:00 P.M., Monday, April 11.

Cadets and parents are cautioned to make travel plans well in advance to avoid unnecessary delays incurred during his vacation period.

Peter Ruzila '59 Is Viet Nam Casualty

Farragut's first known Viet Nam war casualty is Peter Ruzila, Jr., Class of 1959. The Paramus, N. J., 24-year old son of Mr. and Mrs. P. Ruzila, Sr., was killed on Oct. 31 when the 2½-ton truck he was driving struck a land mine. He was a Pfc with the 1st Infantry Division.

Pete, who had been in Viet Nam two weeks, was scheduled to be discharged in three months. He was listed as killed in action by the Defense Dept. in Washington, on Nov. 3.

Funeral services were held for the deceased on Nov. 13, with full military honors, at George Washington Memorial Park, Paramus.

Before entering the Army in Jan., 1964, he had graduated from Bryant College in 1962, where he had majored in business administration. At Farragut he held a rating of P.O. 1/c in the First Company, and a seamanship rating of B.M. 3/C. He was a Varsity Track manager, and was active in the Cotillion, Music Appreciation, Russian History, Art, and Booster Clubs. In addition, he was a member of the Capstan Staff.

When his father was asked what Pete left behind, the senior Ruzila told newsmen that he would always remember his son's pride in having graduated from Admiral Farragut Academy—the same school Astronaut Alan Shepard attended.

A resolution expressing sympathy to the survivors of the deceased was adopted by the Alumni Association at its annual meeting on Nov. 6, and a copy of same was forwarded to the family.

Scuba Expert Tells of Underwater Exploits

Jean Kauanui, an experienced skin and scuba diver, presented a thrilling description and explanation of scuba diving and the underwater wonders of marine life in a special program on Nov. 20.

Mrs. Kauanui is one of the few women deep-sea divers, and is also one of the foremost naturalists and a recognized authority on deep-sea life. In addition, she is also recognized as one of the top underwater photographers in the country.

The basis of her lecture told of her strange adventures far beneath the ocean's surface. She told of the strange and fascinating marine life, holding new interest as she wove her magic spell to carry her audience with her through each dramatic experience.

CHRISTMAS CHEER—(From l to r) Top: One of three scenes of the Christmas Pageant that was part of the annual Christmas Concert on Dec. 16 in Robison Hall, and the junior choir sings *Adeste Fideles*. Middle: The Dance Band swings during its segment of the Concert, while special Barbershop Quartet entertained with three numbers. Bottom: The Glee Club starts its presentation with *Eternal Father*, and Mr. Newton leads Concert Band in stirring Christmas Greetings March.

Non-Teaching Members Added to School Staff

Four new members were added to the Academy's non-teaching staff this fall in the Medical Dept., Academic Office, and Finance and Supply Office.

Chief Benedict Salesi is the new member of the Sick Bay staff. A former member of the Navy's Dental Corps, Chief Salesi retired last June after a 20 year tour of duty. Just before retiring he worked in a clinic in North Africa, where he gave medical aid to the predominantly Arab population. Chief Salesi now lives in Pine Beach with his wife and three children. In

his spare time he enjoys golf, fishing and camping.

Mrs. Olga Mylchreest is a new member of the Finance and Supply Office staff. Born in Welland, Canada, she now lives in Beachwood with her husband and two children. Before coming to Farragut, Mrs. Mylchreest worked in several places. Her most recent job was as an interviewer for the Dept. of Special Censuses. In her spare time, Mrs. Mylchreest enjoys sewing, gardening and cooking.

The other addition to the Finance and Supply Office is Mr. Hugh Williams. Born in Jersey City, N. J., he now lives in South Toms River with his wife.

Before taking his new job, Mr. Williams worked for the Board of Education in Bayonne. In his spare time he enjoys football and woodworking. His principal duties include the Academy mail and the Cadet Store.

In the Headmaster's Office Mrs. Virginia Bohner holds forth as an assistant to Mrs. E. Vellucci. Born in Washington, D. C., educated in East Orange, N. J. before moving to Summit, Mrs. Bohner was secretary to the President of the American Stock Exchange of New York before being married. Her hobbies are cooking, sewing, and a game of bridge. She lives in Pine Beach.

Dr. Frank Shaw Guy

"His life was full, and his zest for it was one of his notable characteristics."

The news story on page one of this edition of the Capstan is a *conventional* report of a man who was a member of the Academy Staff for 23 years. It details the facts about his tour of duty at Farragut the way news stories are supposed to be written. While the facts are essentially correct, they do not, however, paint the kind of picture that should portray the man that Frank Shaw Guy was.

A big void has occurred with his passing, for few educational institutions are as fortunate as Farragut to have had a man of his ability, his training, his interest, and his intellect on their staffs. A dynamic, strong, personable and keen personality helped to make his presence felt in almost every facet of Farragut life. Over the years he was a teacher, a coach, a department head, a member of the Academic Board, and finally, an administrative officer who represented the Academy so ably as Director of Admissions.

Perhaps the most impelling thing about him was his keen desire to teach and to discuss matters pertaining to government, history, and social problems. For no matter how many different activities he engaged in — baseball, wrestling, football, the Honor Society, and even seamanship — he was first and foremost a teacher of young men, and this is what gave him the greatest satisfaction in life.

While he was proud of his educational background and his extremely literate ability, he always prided himself in the fact that he was able to play and coach sports. He always remembered with deep satisfaction the years that he spent with the football, baseball, and wrestling teams that he coached, and the young men with whom he worked.

Perhaps the Farragut Cadets of more recent years will never fully appreciate this giant of a man among Farragut men, but the Alumni from the forties and fifties will, we are certain, always remember the important role "Doc" played in the progress and development of the Academy, as well as in their own lives.

We Are Grateful

Hats off to the Farragut Parents' and Alumni Associations for all they have done for the Academy during the past year.

These two organizations have provided many new and important facilities and programs that should make a marked difference to the Cadets of today and of the future.

The Alumni Association has, in the past twelve months, spent more than \$5000 to maintain the Alumni Office, added \$4000 to its Student Aid Fund, bought \$120 worth of new books for the Alumni Library Shelf, purchased a set of encyclopedia for the Cadet Corps at \$250, paid for three new booths in the Foreign Languages Lab at a cost of \$1395, bought a special Math-Science typewriter for \$120 and a set of American and School flags for \$250, donated \$200 to the new professional library in the Faculty Lounge, gave \$750 to the Headmaster's Discretionary Fund, spent \$40 for four Cadet Awards in Military Proficiency, and paid \$75 for an ad in the 1965 Trident. Also, the Association had built and equipped a new press box and sound system for \$2500, and purchased four microscopes for the Biology Laboratory for \$500.

The Parents' Association has, in addition to raising the

Parents Enjoy Dance For Academy Benefit

Approximately 140 parents and their guests attended the annual Parents' Association Christmas dance on Dec. 11 to help make the benefit affair a social and financial success. Held the same evening as the Cadet formal dance, the Parents danced to the music of Jim Welch and his orchestra at the local Pine Beach Fire Co. Hall, while the Cadets and their drags cavorted in Robison Hall.

The gaily decorated Fire Hall provided a perfect setting for the dancers, and the appearance of Santa Claus at 10:00 p.m. was greeted with glee as he set about encouraging those in attendance to take chances on the more than seventy prizes that had been donated for the special raffle. Tables of eight were placed around the entire room, each of them decorated with red candles, greens, and a strip of gold cloth running down the center. Christmas lights were strung along the four walls, and Christmas balls hung in abundance from the ceiling. At approximately 11:15 p.m., a sumptuous buffet was served by the Ye Olde Cedar Inn.

Mrs. Helen Matthies and Mrs. Elsie Malzone served as Chairman and Assistant Chairman respectively, while LCDR W. Masciangelo, Executive Secretary of the Association, handled all details for the event from his office in Farragut Hall. A final report of the outcome of the dance has not yet been announced, but LCDR Masciangelo said he expected the Association to clear at least \$1500 from the dance, all of which will be applied to its goal of \$12,200 for the current year.

Serving on the Dance Committee in addition to Mr. and Mrs. Matthies and Mr. and Mrs. Malzone, were: Mr. & Mrs. R. Carter, Mr. and Mrs. W. Canonico, Mrs. N. Risi, Mr. & Mrs. J. L. Williams, Mr. & Mrs. W. T. Parsons, Mr. & Mrs. J. Koczura, Mr. & Mrs. C. Olah, Mr. & Mrs. P. Pankewycz, Mr. & Mrs. W. Rednor, Mr. & Mrs. G. Good, Mr. & Mrs. S. Board, Mr. & Mrs. L. Colson, Mr. & Mrs. V. Fanghella, Mr. & Mrs. V. J. Marek, Mr. and Mrs. C. Moore, Mrs. M. Miles, Mr. & Mrs. P. J. Salmon, and Mr. and Mrs. E. Schalk.

Also Mr. & Mrs. H. Sheldon, Dr. & Mrs. R. Talucci, Mr. & Mrs. R. Weed, Dr. & Mrs. Zorojew, Mr. & Mrs. T. Spania, Mr. & Mrs. J. Harris, Mr. & Mrs. H. Walmsley, Mr. & Mrs. H. Busch, Mr. & Mrs. W. Shelly, Mr. and Mrs. A. Weisleder, Mr. & Mrs. S. Jones, Mr. & Mrs. R. Evans.

Captain O. Cornell Dies In Jacksonville, Florida

Captain Oliver Cornell, a member of the Waterfront Department when the Academy was first founded, died in Jacksonville Beach, Fla., where he was living at the time of his death.

The news was furnished by his son, Albert, who lives in nearby Beachwood.

Captain Cornell, better known as "Cap," played an important part in the early development of the waterfront and the Academy's fleet of boats.

Lecture On Nigeria Proves Very Popular

Mr. and Mrs. Tony Hunt, relatives of AFA math teacher Mr. Robert Hunt, gave a lecture last Nov. 19 on the problems and achievements of Nigeria, where they recently served in the Peace Corps. The program, which met with enthusiastic response, was held in the DuPont Hall Auditorium.

The program was very interestingly arranged. Mr. Hunt explained first that the two main aspects of Nigeria are its unbelievable progress and its constant primitiveness. They then split the topics between them, newlywed Mrs. Hunt taking the progressive modern aspect, while Mr. Hunt concerned himself with the backwardness of the country. Mrs. Hunt brought to attention such things as the modern schools and cities being built around the large cities. She also alluded to the advancement made in medicine as proven when her husband, Mr. Hunt, was quickly cured of Malaria. Mr. Hunt talked more about the people and their ways of doing things. The Corps also enjoyed listening to his experiences with his Honda motorbike on the poor roads.

Toward the end of the program the Corps could easily see what Mr. Hunt was talking about through viewing the slides he brought. To support Mrs. Hunt's modernistic approach, their modern house and the church in which they were married were shown. Mr. Hunt showed poor houses and transportation to support his side of the lecture.

After this there was a short session of questions and answers and a hearty round of applause for the team from Nigeria.

Mr. and Mrs. Robert Hunt entertained the visitors at a reception at their home for members of the faculty and staff.

PEACE CORPS REPS — Cadet Crandall W. Dimock chats with Mr. and Mrs. Tony Hunt after their lecture about their experiences in Nigeria for two years as members of the Peace Corps. Mr. Bob Hunt, brother and member of the Academy's Math Dept., is shown on left.

1965-66 Projects Adopted by Parents

The Farragut Parents' Association has adopted a very challenging program for the 1965-66 year, pledging to meet a five-point list of important objectives that are of benefit to the School and the Cadet Corps.

The Ways and Means Committee presented the objectives and suggested methods of raising the funds to meet them at the fall meeting of the Association on October 24. George Giles, chairman of the Committee, called for approval by the parents in attendance, and received an overwhelming voice of agreement to proceed with the program.

Objectives for this year, which the Association's Executive Committee hopes will be reached, call for a total of \$12,200 to be raised between the start of the current school year until June. The five objectives include:

(1) *Completion of the Upper Athletic Field project.* This was begun in September from funds appropriated by the Association last year. \$6,000 was spent to grade, bring in top soil, seed, fertilize, and build softball and varsity diamonds. Gravel taken from this area to make room for the topsoil was transferred to the field behind the former Music Building, where this, too, was graded, seeded, and fertilized as an additional play area for Cadets. To complete the Baseball Field project, the Association plans to build permanent bleachers, install a drinking fountain, and plant shade trees around the entire area. It is estimated that this will cost at least \$3500.

(2) *The Science Fund.* The Association hopes to raise a minimum of \$4000 to be used in the development of better facilities and equipment for the Science Dept. Already, \$2000 has been spent to improve the facilities of the Biology area, plus another \$2000 has been spent for equipment.

(3) *The Music Fund.* The need for equipment and instruments for one of the School's most important departments has been recognized, and it is the hope of the Association that at least \$1,000 can be given this year for that purpose.

(4) *Inter-Com System For Entire Plant.* One of the most urgent needs for a more efficient operation of the school plant and the members of the Cadet Corps is a system of communication that can reach all hands with speed and clarity. Members of the Staff, as well as Cadets, can be reached via voice communication, additional safety measures can be taken through such a system, and better control of the movement of the School's personnel can be administered. Planned in five different phases of installation that would cost a total of \$3700 for the equipment alone, this project's ultimate acquisition might have to be done over a period of several years if sufficient funds are not raised this year.

(5) *Headmaster's Discretionary Fund.* Following the practice of the Alumni Association, the Parents have included an amount of \$1,000 which it hopes to give the Headmaster this year. The funds are given to him to be used in whatever way he chooses to use them, the only stipulation being that they are used for the expressed benefit of the Cadet Corps. The Alumni have had such a fund for the past six years.

Methods to raise the necessary money for these projects is expected to come from membership fees, the Christmas Dance, the 1966 Cadillac raffle, the Parents' June Dance, and Judge and Mrs. A. Livoti's party and dance.

Annual Parents' Day Observed On Oct. 24

October 24 proved to be an interesting day for most members of the Corps. The arrival of Parents' Day was a break in the routine which gave all Cadets a respite from the regular schedule of activities. For many of the students, it was the first time they had seen their families since the beginning of the school year.

The day started off with the chapel service held in Robison Hall. With both

the Corps of Cadets and parents looking on, the Chapel Club officers were installed and the new members of the Cum Laude Society were inducted.

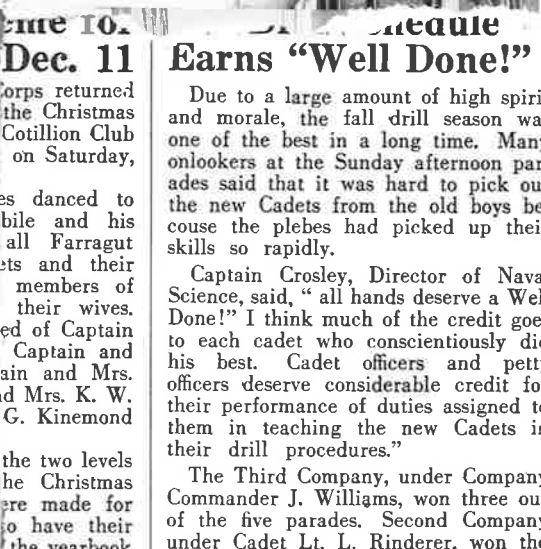

After chapel there was a meeting of the Parents' Association at which the Cadet Battalion Commander George Kinemond, gave the parents a welcoming address. Later on, Captain Dodge met with parents of First Classmen and discussed with them all of the aspects of college entrance. Judge A. M. Livoti, president of the Parents' Association, presided at the morning meeting.

At 11:30 Cadet quarters and other

facilities were open for inspection by the visitors. All cadets were permitted to dine out with parents at 12:30.

Early in the afternoon parents met with their sons' advisors. It was at this time that parents received their sons' first report cards. After these meetings, the parents attended a retreat parade and viewed their sons out on the drill field.

Following the parade, Cadets dined out with their families. Approximately 500 to 600 persons attended the day-long program.

PARENTS' DAY 1965—(From l to r) Top: Captain Dodge addresses parents of First Classmen in special program about college admissions, and Corps, with the Band leading the way, passes in review before large crowd of visitors for the Oct. 24 event. Middle: LCDR David Elms demonstrates to interested parents the intricacies of the Foreign Languages Lab equip-

Christmas Cotillion Club Earns "Well Done!"

Due to a large amount of high spirit and morale, the fall drill season was one of the best in a long time. Many onlookers at the Sunday afternoon parades said that it was hard to pick out the new Cadets from the old boys because the plebes had picked up their skills so rapidly.

Captain Crosley, Director of Naval Science, said, "all hands deserve a Well Done!" I think much of the credit goes to each cadet who conscientiously did his best. Cadet officers and petty officers deserve considerable credit for their performance of duties assigned to them in teaching the new Cadets in their drill procedures."

The Third Company, under Company Commander J. Williams, won three out of the five parades. Second Company under Cadet Lt. L. Rinderer, won the remaining two. The First, led by Company Commander L. Malzone, placed high in the standings each Sunday. The Band, led by LTJG S. Shelly, set a new record for itself in earning four out of five honorable mentions.

Band Plays for Local Veterans Day Program

The Academy Band participated in the first annual combined Veterans Day program sponsored by the Dover Township, Toms River, on Nov. 11.

The program was held outdoors in front of the Township Hall, Washington St., and the Band played prior to its start, as well as the National Anthem during the ceremony. Cadet Robert Sugermeyer rendered taps on the trumpet.

The invitation to attend was extended by Franklin V. Fischer, Dover Township Committeeman and former Head of the Academy's Music Dept. Mr. Fischer was also responsible for getting the various organizations to hold one combined program instead of the individual ceremonies held in the past.

Eighth Graders Added To Academic Program

When the Corps of Cadets returned to school this year, it was found that an addition had been made to the ranks. For the first time in several years, an eighth grade is present on the Farragut Campus, however, the newcomers have been integrated with the other classes instead of being separated as a junior school.

Each of the ten cadets is under the charge of the class advisor, Lt. Alfred A. Lesser.

The class receives instruction in mathematics and science from Lt. Lesser while taking English from Mr. V. Romefelt and U. S. History from Mr. J. Wilson. They receive the same Physical Education program as the older boys, but do not participate in any Naval Science Classes.

Although they are small, the eighth graders can easily be found participating in activities throughout the campus.

Full Testing Program Available for Cadets

If testing makes a successful student, the members of the Corps are bound to do well in their preparation for the future.

Beginning with the Fall Cooperative Test program on October 12, 13, and 14 for all hands, Second Classmen took the PSAT on Oct. 23, the ACT test was given on Nov. 13, College Board tests on Dec. 4, and

AWARDS TIME—Shown on the left is Alumnus Hutchinson '35 presenting to Captain R. O. Dodge a ceremonial key to the new press box and sound system donated to the Academy on Nov. 6. On the right, Mr. Gilligan '39 congratulates Arthur E. Gilligan '39 for winning the trophy for attending Homecoming Day. Mr. Gilligan is from

Donald Lynch Promoted to Lieutenant Junior Grade

Donald Lynch, a member of the Academy Staff since 1961, was promoted from the rate of Chief Storekeeper to the rank of Lieutenant Junior Grade at the start of the current school year.

A former Master Sergeant in the U.S. Marine Corps, LTJG Lynch's primary duties are confined to the Finance and Supply Office. In addition to working closely with Captain W. K. Russell, he helps in the planning of menus, the ordering of foodstuffs, the issuance of allowances, and the operation of the Cadet Store.

REUNION CLASSES—Posing for the photographer during Alumni Homecoming Day schedule were representatives of the special reunion classes. First row (l to r.)—Kenny Palmer '40, Walt Hutchinson '35, Al Wagner '40, Frank "Skip" Paul '40. Second Row—Henry Mandato '55, Roger Allen '45, Ralph Lee Smith '45, George Ruos '45. Third Row—Nate Israel '50, Bill Anders '50, Knee Whiting '50, Dave Nash '55. Last row—George Nichols '60, Pete Mauer '60, Bill Crouse '60, and Pete McChesney '60.

AWARDED—LT Alfred Lesser, a teacher at Farragut since 1961, presented an honorary membership certificate into the Cum Laude Society to Captain R. O. Dodge, Headmaster, during installation of the excellent members' Day, Oct. 24. Cadets who received In-Course membership certificates were (l to r.) A. J. Donbroski, J. B. Grossman, J. F. Statts, and J. F. Statts. All are First Classmen.

Seminar Expands to Admit 2nd Classmen

The Seminar of 1965-66 has been expanded to include both the Senior and Junior Classes and the selection of its members is no longer based on grades. The Seminar is comprised of students who have demonstrated an interest in and an ability to discuss contemporary issues.

During the course of the year the Seminar will concentrate on discussing contemporary ethical, political, scientific and religious issues. This will give both faculty members and students an opportunity to learn of each other's views on a wide variety of subjects. The basis for the discussions will be books read by the Seminar members during their spare time. Faculty advisors Mr. David Kresge, Mr. Cameron Fisher, and Mr. Larry Smith will serve to keep the discussions along the lines of the specific topic chosen to be discussed. The advisors will take only a minor part in the discussions, leaving the major part to the students.

The Seminar has conducted its first meeting during which the members voted on a name for the group. Names such as Nostick and Philosophs were rejected in favor of the Seminar. At the meeting it was also announced that the initial reading for the first discussion would be *A General Introduction to Psychoanalysis* by Sigmund Freud.

State Trooper Displays Firearms Skill to Corps

A Michigan State Police Lieutenant Lester Coykendall, put on a weapons display and pistol shooting exhibit for the Corps on November 13.

The many popular tricks that he did with his firearms delighted the assembly of Cadets. Lt. Coykendall split playing cards edgewise, shot bulls eyes over his shoulder with the aid of a mirror, and further demonstrated his skill by using all types of weapons.

It is to be noted, however, that he did stress safety and police protection methods throughout the program. Lt. Coykendall put on an excellent performance which was thoroughly enjoyed by the Corps.

Cum Laude Society Inducts Four Cadets

On Parents' Day, Oct. 24, four cadets were inducted into the Cum Laude Society. The presentation was made at the conclusion of the morning's chapel service. With parents and Cadets looking on, Captains Raven Dodge and Norman Reinhard gave lapel pins and certificates of membership to Cadets John Statts, Lloyd Rinderer, Jeffrey Grossman and Anthony Donbroski.

Special recognition should be given to Mr. Alfred Lesser, who was given an honorary membership, at the same time. Mr. Lesser is currently advisor and instructor to the new Eighth Grade, has handled duties in the Library, and has taught biology, general science, algebra, and Latin. He has been on the faculty since 1942.

Membership in the Cum Laude Society is normally limited to First Classmen who stand in the first fifth of the class. They may be elected as a whole at the end of the senior year, or not more than the first tenth of the Class at the end of the Junior year or at any time during the senior year. Diplomas granted to recipients of this honor carry special designations.

Many Campus Changes, Improvements Noted When Corps Returned Last Fall

Many changes have occurred at Farragut within the past few months, and many more projects are being planned for the future. Cadets returning to school in September noted the following improvements that were apparent throughout the campus:

Perhaps the most attractive change on campus has been the re-development of the Upper Athletic Field. The funds for this, as well as those for the field behind the former Music building, were donated by the Farragut Parents' Association last Spring. Both the varsity baseball and softball diamonds were completely re-built in September, with topsoil, seed, and fertilizer applied to produce a beautiful green vista in this area. The Academy repaired the old baseball backstop and purchased a new one for the softball diamond, in addition to erecting a cyclone-type fence around the entire ball park. The Parents' Association hopes to plant shade trees, install a drinking fountain, and build permanent stands by this Spring if its plans are fulfilled.

Two brick piers, forming an entrance to the field on Radnor Ave., were also built by the Association.

The field behind the former Music Building has been re-seeded and graded, and its use will be limited to Inter-Co. games and drill. The land in this area has been owned by the Academy for approximately 25 years, and it was first cleared as a play field in the early fifties. Lack of funds necessary to develop it to its present stage has prevented its extensive use in recent years.

To date, more than \$6000 has been spent by the Parents' Association for these two projects, with the Academy spending close to \$3000 for the fence and backstops. It is estimated that it will cost another \$3500 to complete the baseball field project by this Spring.

New Press Box

A new press box and sound system were donated by the Alumni Association during Homecoming Day on Nov. 6. The press box can hold two reporters, two spotters, and two announcers, and it is equipped with a portable and stationary microphone which can also be used simultaneously. Large horns are located on either side of the box to give the entire football field area full sound coverage. The press box

will also be used for track meets, parades and special ceremonies. The cost of this gift is in excess of \$2500.

Four "Walkie-Talkie" units were also purchased this fall to be used in conjunction with the press box. They were used primarily at football games for reporting important statistics to the announcers so that this information could be relayed to the spectators. Two of the units were presented by Mr. Edward Grein, and two were purchased by the Booster Club.

A red-colored concrete floor was installed by the school in the basement of Robison Hall, the Rifle Range was painted and re-wired, and more efficient office space was furnished for the rifle instructor, Captain F. N. Klein.

In the Farragut Hall lobby, a flagstone entrance and wall-to-wall carpeting were laid, and a permanent brick and glass storm entrance was built to replace the temporary wooden structure that was erected each year during the winter months.

Biology Improvements

In the Science Department the Biology area was completely remodelled, with the classroom converted into a combination classroom-laboratory. The previous lab was changed into a greenhouse and storage area while in the classroom-lab three tables with sinks, gas outlets, electrical connections, and a special heating system were installed. The Alumni Association donated from its Science Fund \$500 for the purchase of new microscopes. All new glassware, chemicals, heating units, autoclave, egg incubator, refrigerator, and portable blackboard were furnished in the lab. The reconstruction of the lab cost an estimated \$4000. Mr. Z. Farag, Biology instructor, said, "We now have the finest in biology equipment to instruct students in the general field of biology."

Two Performances Given By Academy Glee Club

On Thursday November 9, the Academy Glee Club sang at a luncheon at the Naval Air Station in Lakehurst. Given at the Lakehurst Officers' Club, the performance consisted of a few songs, a barber shop quartet, and a general sing along. The Cadets were served refreshments at the conclusion of their performance.

December 14 was the date of a second performance by the Glee Club. This time the singers journeyed to Ye Olde Cedar Inn, Toms River, to sing for the Women's Christian Association. The sequence of songs, similar to the Lakehurst performance, was received with loud applause.

Farragut Letter Given As Gift by F. Wendt '42

An original letter written by Admiral David G. Farragut, has been presented to the Academy by Frank P. Wendt '42.

The letter was addressed to an E. M. Benjamin, Esq., and it deals with the payment of a bill, plus instructions to proceed with the building of a barn.

An original photograph also accompanied the letter, with both items in a beautiful mahogany and gold frame.

The valued addition to the Farragut memorabilia will hang in the Headmaster's Office until a more suitable place is found for its proper display.

IT'S DANCE TIME—Shown above is a scene taken at the Christmas Formal on Dec. 11, where a big band, receiving line, night club, color photographer, and formal gowns for the ladies was the order for the day. Below, at the Thanksgiving Informal Hop, Cadets and their drags enjoyed the Watusi, Frug, Swim, and all of the other popular dances currently in vogue. The Informal was held in Shepard Hall, while the Christmas Dance took place in Robison.

Christmas Theme for Formal Hop, Dec. 11

Two weeks after the Corps returned from Thanksgiving leave, the Christmas Formal, sponsored by the Cotillion Club was held in Robison Hall on Saturday, Dec. 11.

Cadets and their dates danced to the music of Carl Stabile and his Orchestra, and, as at all Farragut formal dances, the Cadets and their guests were received by members of the Academy Staff and their wives. The receiving line consisted of Captain and Mrs. W. K. Russell, Captain and Mrs. R. O. Dodge, Captain and Mrs. N. F. Reinhard, LCDR and Mrs. K. W. Rowe, and Cadet LCDR G. Kinemond and his date.

Decorations throughout the two levels were predominantly of the Christmas season, and provisions were made for Cadets and their drags to have their pictures taken in color by the yearbook photographer.

A surprise appearance was made by Santa Claus during the evening after he had finished performing at the Parents' Dance being held at the same time two blocks away from the Academy grounds.

Fall Drill Schedule Earns "Well Done!"

Due to a large amount of high spirit and morale, the fall drill season was one of the best in a long time. Many onlookers at the Sunday afternoon parades said that it was hard to pick out the new Cadets from the old boys because the plebes had picked up their skills so rapidly.

Captain Crosley, Director of Naval Science, said, "all hands deserve a Well Done!" I think much of the credit goes to each cadet who conscientiously did his best. Cadet officers and petty officers deserve considerable credit for their performance of duties assigned to them in teaching the new Cadets in their drill procedures."

The Third Company, under Company Commander J. Williams, won three out of the five parades. Second Company under Cadet Lt. L. Rinderer, won the remaining two. The First, led by Company Commander L. Malzone, placed high in the standings each Sunday. The Band, led by LTJG S. Shelly, set a new record for itself in earning four out of five honorable mentions.

ALUMNI GIFT—Cadet Scott Moorby uses one of the four microscopes donated to the new Biology Classroom-Laboratory by the Alumni Association. Guiding him in its use is instructor Z. Farag.

Medal for President Received by Two Cadets

Cadets Fred O'Barski and Jason Ebert accepted a medal on behalf of President Lyndon B. Johnson at the first award testimonial dinner, held at the New Irvington Hotel, Lakewood, on Oct. 10. The dinner was sponsored by members of the Ocean County Democratic Party.

President Johnson was honored for his legislation dealing with Medicare and Civil Rights, while other top Democrats were singled out for other important bills that were successfully adopted during 1965. Cadets O'Barski and Ebert hope to present the medal to President Johnson personally sometime during 1966 when and if arrangements for the presentation can be made.

Mrs. Ida Ebert, newspaper publisher from Jackson, N. J. was responsible for the dinner arrangements. She is the mother of Cadet Ebert.

Inter-Co. F. B. Replaced By Volleyball Schedule

The current school year brought a new inter-company sport to Farragut. This year, instead of the customary Inter-Company Football program, an Inter-Company Volleyball tournament was introduced. The main reasons for the switch was that the Upper Athletic Field was completely re-built over the summer for baseball and was not ready for use.

The volleyball court used was part of the new outdoor athletic area that was finished last year. The court held two volleyball courts so that both "A" and "B" teams could play at once. To win one match a team had to win two out of three games.

This year, the First Platoon of the First Company came in first with a very good record. All teams showed fine sportsmanship and all enjoyed the refereeing job done by the faculty members.

DANCE PRIZE—Mrs. Helen Gniewek (right) holds painting by Chris Koczura, sister of Cadet Charles Koczura, which she won at the Parents' Dance on Dec. 11. Shown with Mrs. Gniewek is Judge A. M. Livoti, president of the Parents' Assoc., and Mrs. Helen Matthies, Chairman of the Dance.

CHOW LINE—Hungry parents enjoyed a buffet supper served during the annual benefit Christmas Dance that was sponsored by the Parents' Assoc. The event netted a profit of \$1465.

WELCOME ABOARD, SIR—Captain Allen B. Register, USN, commanding officer of the Naval Ammunition Depot, Earle, N. J., is shown being piped "aboard" prior to taking the Sunday parade on Oct. 31. It was the captain's first visit to the Farragut campus.

Benefit Affair Held By Livotis On Dec. 8

A cocktail party and dance held on Dec. 8 by Judge and Mrs. A. M. Livoti has netted the Parents' Association \$3620. The third event of this kind that has been sponsored by the Livotis, this year's benefit affair was held at the Traveller's Hotel, opposite the La Guardia Airport, New York City, beginning at 8:30 p.m.

All proceeds from the party have been turned over to the Farragut Parents' Association to help meet the five objectives that that organization has adopted for the 1965-66 year.

Captain and Mrs. R. O. Dodge, LCDR and Mrs. W. R. Masciangelo, and LCDR K. W. Rowe represented the Academy Staff at the party.

Captain Dodge thanked everyone present for their turnout and support of the party, and Judge Livoti gave a very inspired talk on the merits of Farragut training and the kind of leaders the Academy is producing. He cited Astronaut Alan B. Shepard as an example.

Mrs. Livoti introduced the guests.

Instructors Toured Europe Last Summer

For nine weeks of the past summer LCDR David Elms, Head of the Foreign Languages Department, was in Europe. He was enrolled in a six week graduate course, organized in West Berlin for American teachers of German. While in Berlin, he visited both sectors and took many pictures to add to his collection. During the last three weeks of his vacation he visited other cities in Germany. In Munich he was entertained by John S. Williams a former Farragut Cadet, Class of 1964. He also toured Switzerland, France, Spain and Portugal.

Mr. Harry Alwine, Chemistry instructor, also visited Europe this summer. It was his first visit, and he is anxious to return. On July 15, he flew to Amsterdam, where he took a train to Paris. From there he journeyed to Germany, bought a Mercedes, and attended the Wagner Music Festival. He also toured Switzerland and Italy, where he visited the cities of Milan, Florence, Rome, and Venice. He was especially impressed with the hospitality of Amsterdam, the scenery of Switzerland, and the charm of Venice.

EDITORIAL

(Continued from Page Four)

major amount of money to build Shepard Hall, installed the Audio-Visual Wall Unit for \$6000, re-built the Upper Athletic Field and the field behind the former Music Building for \$6000, and paid \$3000 for the construction of the Outdoor Athletic Court.

As Captain Dodge has said many times in the past, "these two organizations are like two wings on a plane. Together, we can soar high and the skies are unlimited. We are truly grateful for their continued interest in and support of Farragut."

Loss of Seven Games Was Worst Grid Season Since 1956; '66 Outlook Better

Coach Stan Slaby's "Big Blue" football squad suffered its worst season this fall since 1956 when it dropped seven encounters in as many starts against strong opposition. In consecutive weeks, the team lost to Hun School, Peddie School, Blair Academy, Delbarton School, New York M.A., and Valley Forge M.A. Games with Hun, Blair, Pingry, and New York could have gone either way if the team had played "heads up" ball, but Peddie, Delbarton, and Valley Forge proved too big, too fast, and too strong as they registered wins over the outclassed, but willing, Sailors.

Hun School

October 2 marked the beginning of the football season for the "Big Blue" when they played against Hun School at Princeton. It was the first meeting of the two schools in football. Mike Miller scored twice for the Red Raiders to bring the score at the end of the third quarter to a twelve point lead. However, Dave Hughes, 180 lbs. sophomore fullback, came through for Farragut when he scored a touchdown early in the fourth quarter. To make this possible, Chuck Stout, quarterback, upon receiving Hun's kick, dashed to Farragut's 48 before he was stopped. Fullback Jack Taussig pushed up to the Hun 30, and Pete Cammarano, left halfback, followed suit on the next play going another seven yards. Two plays later, Cammarano came through again, after receiving a pass from Stout, and ran to the Hun 13 yard line. Jack Burbank added another 3 yards with a run to the 10 when Hughes took it over to make the TD two plays later. Even though the team worked hard for this, and another near TD, the score ended a saddening 6-12, in favor of Hun.

Peddie

The next Saturday, the team traveled to Hightstown to play the Peddie School. The Middies were downed again in this game, their second of the season. Even though the Farragut loss was mostly due to lack of experience, the Middies should not go without recognition. The most significant credit came in the first half when Stout, play-

ing quarterback, whipped a screen pass to Cammarano on the 35 yard line. With a quick sprint from there to the goal, the second TD of the season was scored for Farragut. Again, in the second half, the team put forth another vigorous effort for an additional TD, but fell short. Optimistically though, the Middies must be given credit again in the second half by holding Peddie to a 6-0 score compared with the 34-7 pounding administered in the first half. The final score was a disappointing 40-7 loss for Farragut.

Blair

Farragut's first home game was on October 16 against Blair Academy. All through the first half it looked as if Farragut might win its first game of the season. Although there was no score, the Middies were definitely ahead in statistics. During this first half Farragut outgained the visitors 47-26 yards in rushing, 61-8 yards in passing, and made six first downs to one for Blair. But, beginning with the third quarter, the Blairsmen hit a winning streak, and after a futile attempt to stop them, the Middies found themselves defeated 20-0.

Delbarton

Delbarton School was met the next week on the home field. Delbarton's brother trio by the name of Regan, seemed too much for the Middies. However, the "boys in blue" worked hard against the machined team of Delbarton. Farragut's deepest penetration of the visitors came when Stout connected successfully with Cammarano. This coordination took the Middies to the Delbarton 25 yard line. The final quarter was the best when both teams battled evenly and Stout was able to complete several other passes. Also Burbank was able to stop the extra point kick of the first TD when he "Red Dogged" the Delbarton line. Final score stood at 33-0.

Pingry

Farragut's next game was at Pingry School on October 30, where the Middies held on to a scoreless tie for three quarters. At the end of the fourth quarter, Pingry shot ahead to make

AERIAL ATTEMPT—Chuck Stout, Middie QB, gets ready to pass to teammate in 13-6 loss to New York M.A. on Homecoming Day, Nov. 6.

the final score eight to Farragut's nothing. Outstanding Farragut plays include a recovered fumble by Roger Hughes and a 15 yard advance by Cammarano from Stout.

New York M. A.

On the home field, November 6, Farragut met New York Military Academy, and for a time, it seemed as if the Alumni Day crowd would be entertained with a Farragut victory. A touchdown was scored for the Middies when Burbank scooped up a fumble on the N.Y.M.A. 28 yard line and dashed safely to the goal. However, in the fourth quarter, the Soldiers made two touchdowns and an extra point for a finishing, and discouraging, score of 13 to Farragut's 6.

Valley Forge

The last game of the season was with Valley Forge Military Academy at their field. VFM, winning seven and losing only one game all season, tackled AFA's Middies and trampled them 43-0. Main ball carriers for Farragut were Chuck Koczwar and Taussig, who penetrated to the VFM's 25 yard line. Tackle Ed Grein stopped a VFM offensive drive on the 10 yard line in the third quarter and then on the 15 yard line in the fourth quarter. The result was an expected loss for the Middies.

Outstanding players included Roger Hughes. He was tri-captain of the team, playing center. Standing 6 feet 2 inches tall and weighing 175 lbs, this senior calls Clearfield, Penna., home. Coach Stan Slaby claimed him the only varsity player who played on the first team last year. Second of the three captains was Pete Cammarano, who played the left halfback position. The 17 year old senior stands 5-19 and weighs 165 lbs. Through his coordination with Chuck Stout, many valuable yards were gained. He is also a hard runner as exhibited in the 30 yd. run for the one touchdown against Peddie. Ed Grein, the third of the tri-captains and right tackle, was one of the mainstays on the line along with Hughes. A 185 lb., 5-11 senior, he goes home to Baltimore, Md. He was a standout on offensive and defensive against Hun and Peddie. His ability was justly recognized when he was chosen to be on the All-State Second Team of the Newark News.

Chuck Stout, starting team quarterback and senior, must not go without mention. He stands 5 feet 9 inches and

calls home New Canaan, Conn. As mentioned before, his ability to co-ordinate the plays was exceptional. His strong arm was definitely an asset at his position.

The outlook for the 1966 season should be considerably brighter, what with a fair number of experienced underclassmen scheduled to return to the grid wars.

Coaches Fail To Tell Winter Teams' Future

Wrestling and basketball are the primary major sports on campus these days, and it is still too early to predict what the outcome of their seasons will be at this time. Early pre-Christmas leave workouts were held to select squad members, and several scrimmages with local teams, failed to provide sufficient information for a firm prediction.

This year's varsity wrestling team could be one of the best in the history of the School, for although Head Coach Jay Shafa is hesitant to predict the future, the team's strength and depth are self-evident. Vince Di Pano, Roger Hughes, Ed DeSeta, Dave Hughes, and George Giles are all returning varsity lettermen from last year's 6-3 team. Team Captains are DiPano and Roger Hughes. Both of these boys won medals in the New Jersey State wrestling tournament for Independent Schools last year.

Basketball

The varsity basketball squad is inexperienced, but has many good prospects. The team has the potential for a good season.

Coach Stan Slaby isn't guessing, as far as the record his team will compile, but he has said that the team will be in there competing all the way, no matter what the competition is.

A junior varsity court squad has been selected and is working out in Clark Hall under the direction of Coach Jim Wilson. LCDR Kirk Rowe of the Admissions Office, is also devoting a few hours each week with the squad. LCDR Rowe was captain of the cage team when he was a cadet at Farragut from 1949 to 1951.

**BE A
FARRAGUT BOOSTER!**

MAKING YARDAGE—Co-Captain Pete Cammarano, left halfback, skirts his right end during the New York M.A. encounter for yardage, despite Gerry Stiles' determination that he won't get by.

Fathers Honor Sons At Football Dinner

On Nov. 20 the football team held its annual Father-Son Dinner at Peterson's Charcoal Hearth Restaurant, Lakewood. The team arrived at the restaurant after seeing the exciting Ivy League Championship game between Princeton and Dartmouth. Approximately 80 persons attended the event.

After a delicious meal, the master of ceremonies, Mr. Arthur Weisleder (father of Brooke '65 and Taylor '68), praised the team for its spirit. Other guest speakers were Mr. David Yoho, Mr. Kenneth Snyder and Mr. George Good, all fathers of team members.

Coach Stan Slaby gave a short talk to the team and their fathers. He praised the team for the amount of spirit that it displayed throughout the season. On finishing his talk, Coach presented the letters to the members of the team, assisted by Line Coach, Mr. Bob Hunt. Cadet Ed Grein (tri-captain) received the award for the Outstanding Lineman, and Cadet Pete Cammarano (tri-captain) received the award for the Outstanding Back. Coach Slaby stated that both are excellent college prospects. The two awards are presented annually by the Parents' Association, sponsor of the dinner. Mr. Snyder personally presented footballs to each of the Tri-Captains.

After the presentations of awards, the team and their fathers watched movies of the New York Military and Delbarton games.

Three guests who were introduced at the dinner included Mr. Clayton E. Matthews '36, former president of the Alumni Association; Mr. Louis Meluso, whose son, Arsey, graduated in 1947 and who played varsity football; and Mr. Joseph Ippolito, whose son, Joe is also a 1947 graduate and a former Company Commander.

The following Cadets received their letters: VARSITY "F" — Adamo, Bedford, Burbank, Cammarano, Di Pano, Fox, Gniewek, Good, Grein, Grossman, D. Hughes, R. Hughes, B. Jones, R. Jones, Koczwar, Koskella, R. McCann, McConnell, Pforsich, Snyder, Statts, Stout, Taussig, Winslow, Yoho, E. Jones (Mgr.), and R. Rose (Mgr.).

MINOR "F" — Cantore, Fisher, Nixon, Phillips, Zekowski, and Farrell (Mgr.). JUNIOR VARSITY "F" — J. Reid, Walmsley, Shoaf, and J. McCann (Mgr.).

RIFLE COACH — Captain F. N. Klein, USN, Ret., checks target during varsity Rifle team practice in Robison Hall range.

Rifle Team Has Rough Start; Beats La Salle

Due to the fact that the varsity rifle team shot its toughest matches at the beginning of the season, the team got off to a rather poor start. Although most of last year's victorious club members have returned, the marksmen won only their match with La Salle M.A., while dropping four close contests to Valley Forge M.A., Xavier H. S., New York M.A., and Culver M.A.

Future matches remaining include Red Bank Jr. Rifle Club, Valley Forge, the Jr. Essex Troop (two matches), Bordentown M.I. (two matches), and Xavier.

Returning members from last year's team are Lou Malzone, Russ Sell, Bob Matthies, and Birch Wilson, with Malzone holding down the position of Captain. To date, the top five shooters include Malzone, Jay Ebert, Russ Sell, Bob Matthies, and Larry Rose, who is a very impressive newcomer.

The Rodmen are under the tutelage of Captain Fred N. Klein, USN, Ret., Assistant Director of Naval Science.

GRID AWARDS — Varsity football tri-captains (l. to r.) Pete Cammarano, Ed Grein, and Roger Hughes are shown with Coach Stan Slaby and Kenneth Good, donor of the souvenir balls, at the annual Fathers-Sons football dinner on Nov. 20.

SENIOR CELEBS

SENIOR CELEBS — Shown in the Canteen are (l. to r.) Wayne Lorenz, Jay Williams, Ed Grein, and Lou Malzone.

Lou Malzone

Lou Malzone mustered into the First Company in the Fall of 1962. Last year he was the Battalion C.P.O. This year he holds the rank of Lieutenant serving in the capacity of First Company Commander.

Lou takes part in many activities. He is captain of this year's Rifle Team. In the spring, he participates in track, holding a varsity letter in that sport. Besides sports, Lou is also a member of the Weight-lifting Club, the Hop Committee, the Dramatics Club, and the Math Club.

This year Lou was elected President of the First Class. He was also president of his class in his sophomore year. In his Freshman year, Lou took the Faculty English Award and the Faculty Spanish Award.

Lou says he would like to study marine engineering at either the U.S. Merchant Marine Academy or the New York State Maritime College.

His advice to the underclassmen is, "Do everything at Farragut seriously, because you only get one chance."

Wayne Lorenz

Wayne Lorenz entered Farragut in September of 1962. Last year, Wayne, who likes to be called "Demi" was a 2 P.O. for the Third Company. This year, he is the Third Company Executive Officer and holds the rank of LTJG.

Demi has a deep interest in basketball. He is a member of this year's varsity team, and he belongs to just about every club in the school. He is a member of the Dramatics, Hop Committee, Weightlifting, Music & Arts, Capstan, Monogram, Chapel, Glee, and Math Clubs (Vice President).

Demi is not to be left out academically. He received the Faculty English Award and the Headmaster's Award in his sophomore year.

Wayne would like to go to either Northwestern University, Muhlenburg, or Clarkson to study industrial distribution.

His advice to the Underclassmen is, "Don't worry about obtaining a high position, for it is often not what it is made out to be."

Ed Grein

Ed Grein mustered into the Third Company in September of 1962. Last year, Ed held the rank of 3 P.O., serving in the capacity of Third Company Guidon. This year, he is Battalion Adjutant, holding the rank of LTJG.

Most of Ed's year is taken up by sports. During the fall he can be seen leading the linemen on the football field. He has received two varsity letters in football, and besides the varsity letters, he was one of the Tri-Captains of this year's team. He has also received All-State recognition and the Parents' Association's Outstanding Lineman Award.

Ed also takes part in the Dramatics Club, Capstan (News Editor), and the Weightlifting Club.

He hopes to study business at the University of Vermont. Ed's advice to Underclassmen is, "Don't hesitate! Do it!"

Jay Williams

Jay Williams entered Farragut in September of 1962. Last year he was the Third Company Chief Petty Officer. This year, he is the Third Company Commander, holding the rank of lieutenant.

Jay participates in many activities. He was varsity wrestler in his freshman year. This year, he is a member of the Hop Committee, Chapel Club, Dramatics Club (president), and the Monogram Club. He is also Assistant Editor of the Trident, and is Editor of the Capstan. The rest of his spare time is spent sleeping during morning mess.

Jay plans to study law at either Syracuse, Ohio University, or Gettysburg College.

His advice to underclassmen is, "always try out or experiment with new things; for without variety, life becomes dull and uninteresting."

Best Wishes!

The Corps extends best wishes for a speedy recovery to Cadet Wayne Lorenz, who was injured seriously in an automobile accident during the Christmas Leave period.

THE CHOPPING BLOCK

What's this about a man-eating bush?

★
Now, when I was in the army back in Korea.

★
If this is equal to that and that is equal to this, then this is equal to that.

★
Anytime you're ready.

★
But, sir, it's a Phi. Sci. experiment. It won't work.

★
The crux of the matter can be seen intuitively.

★
Contrary to popular belief, I am human.

★
I think Gillette makes a cleaner cut.

★
Reindeers get cold in the winter.

★
Smash 'em!

★
But I can't remember.

★
But, Captain, 6:24 is just too early for me to get up.

★
There are only three things that get me out of bed in the morning: pancakes, Captain Crosley, and Captain Klein.

★
Remember, you treat the girl as a guest, not a conquest.

★
If the South had done this at the Battle of Gettysburg.

★
It'll be in on Thursday.

★
Move that line, move that line!

★
"I'll kill 'em, I'll kill 'em."

★
"Dawson, my canoes are not leaky."

★
"Look Joe, I just want a ride into town, not a Swarthmore College catalogue."

★
"Carno-man is scrooge."

★
"As far as I'm concerned. . . ."

Plebing From A Plebe's Point Of View

On September 19th, we Plebes invaded A.F.A. Upon our arrival we were shown to our rooms and taught how to fold our clothes and where to put them.

Once our parents had gone and we had unpacked, we thought we were set for the year. However, we learned differently during the next week.

In that one week, our whole lives were turned upside down. We had many adjustments to make including 6:30 reveille, a new diet, wearing of the uniform, and taking orders.

During the ensuing week we were taught all the aspects of drill and what we were supposed to do. We were told which walks we could use and how to use them—*always* at double time. Since our first football game was against Hun, we were told to yell, "Beat Hun," when we squared corners.

We were constantly under the supervision of the Cadet officers. At mess they had us stand at our seats and sing the Alma Mater. In the evening, we had to turn out in the halls and

brace while an officer chewed us out for some offense we had committed.

Through the months of September and October our misery became routine. Then, finally, on November 9th, all Plebes became recognized. No longer would we have to run, shout, sing, and brace. We had regained some of our liberty, enough to make our lives a little happier.

Those were our days of plebing. Now, we look back and laugh at many of the things we did, but we realize that they had a purpose. They made us an integral part of the Academy and the Corps. For the rest of our lives we will remember these days of plebing.
